Ainsworth, 2006 Love and Health is a classic account of good triumphing over evil of being given a lemon and making lemonade It is an intimate sharing of a success story that started with anger and ended in love Indeed it is the tale of a personal defeat that developed into a program of love so timely and unique that for one bright shining moment it profoundly changed a university and a hospital and the people who worked there Dr Jerry Ainsworth was an administrator at his university when he became embroiled in a conflict with his administration The battle became so intense and hostile that he was relieved of his administrative post and assigned a menial punitive position This dismissal angered him to such a degree that he started a movement to oust the president or if not to get rid of him at least to embarrass him or weaken him politically After months of seething with anger he developed a life threatening medical condition that doctors told him was a direct result of anger and could soon cause his death Astonished he delved into existing research literature to determine if anger could actually kill Not only did he learn that it could he was equally surprised to discover evidence confirming the healing effects of love and of similar positive emotions Dr Ainsworth immediately incorporated these findings into his own life alleviating all symptoms of anger and pioneering the development of an undergraduate college course on love and health Although colleagues were initially apprehensive apathetic and even pessimistic toward such an idea student reactions were exactly the opposite His classes were so successful that he started a graduate course along similar lines Being Delivered Through Hard Times Guy Gray, Cheryl Ward-Kaiser, 2023-09-13 About the Author Guy Gray lives in Vacaville California He was adopted at birth in a closed adoption He maintains a good and close relationship with the members of his adopted family He decided to search for his birth family in 1989 when he was 27 Guy continues to encourage people giving them permission to do things that they feel are out of reach Cheryl Ward Kaiser lives in Salinas California She maintains a good relationship with all of her children and grandchildren Her home has been the setting of a wedding and many functions involving her son and his family She had no intention of searching for her son until 1991 after being encouraged by Guy Cheryl also speaks at many venues including California prisons Her message of forgiveness is a blessing to many who hear her speak

Accountability... a Noun Or a Verb? Richard L. Cassidy, 2006-07-14 Richard Cassidy's Accountability A Noun or a Verb takes the simple premise of we are all accountable for our behavior and explores the significant relationship between

accountability and our personal and professional successes What does it mean to be accountable It means taking responsibility and not considering oneself the hapless victim If one is stopped and ticketed for driving sixty in a forty five mile zone is it logical to blame the police officer It also means creating a vision of the life most desired and working toward achieving that vision It s not enough to be accountable one must also be willing to put in the time Many years of observing individuals and organizations confirmed Cassidy s long held belief that men and women who take responsibility for their lives and the action required to move forward are more successful and more fulfilled But what must we do to reach that point According to the author an in depth and truthful analysis of who we are our values and beliefs must first be undertaken By having a clearer picture of what we believe and how we exercise those beliefs we move one giant step closer to that ultimate state of self satisfaction and achievement **Her Love Or Her Life** Emma Dorothy Eliza Nevitte Southworth,1878 The Life and Letters of Martin Luther Preserved Smith,1914 *Loving the Don: A Bad Boy Billionaire Romance* Michelle Love,2020-10-09 Unleash this heart pounding billionaire romance by bestselling author Michelle Love He s the Don He s my boss He s all I ve ever wanted but he buried his heart with his wife Dashing seductive Armand Rossini is the first man I ve ever felt real desire for But I m here to look after his sweet traumatized daughter Laura Not to warm his bed However Armand has other plans And I ve got no defenses against his charm The seduction is total The lovemaking is amazing But it comes with a limit His wife barely even dead two years has his heart Not I And then the unexpected happens I m pregnant Armand has promised to take care of me but I m starting to have doubts You can t hide a pregnancy forever especially with his nosy bossy mother around Now she s found us out and forced a wedding And just like that I m married to the Don of New York I m now wife to the man who warned me not to love him and I m in danger Will Armand find his heart in time to save me Loving the Don the sizzling fifth novel in the Billionaire Boss Series stands alone for your reading pleasure Perfect for fans of K C Crowne Nadia Lee and Nicole Snow this steamy contemporary billionaire romance guarantees a happily ever after A relentless alpha billionaire with a rogue charm battles to shield the woman he loves from a ruthless political scandal unaware of the secret baby binding their past As danger strikes their second chance romance blazes with fierce passion Expect unrelenting stakes steadfast devotion and shocking truths Dive in
