Love You Hard Abby Maslin, 2019-03-12 Abby Maslin shares an inspiring story of resilience and commitment in a deeply affecting new memoir After her husband suffered a traumatic brain injury the couple worked together as he recovered and they learned to love again When Abby Maslin's husband TC didn't make it home on August 18 2012 she knew something was terribly wrong Her fears were confirmed when she learned that her husband had been beaten by three men and left for dead mere blocks from home all for his cell phone and debit card The days and months that followed were a grueling test of faith As TC recovered from a severe traumatic brain injury that left him unable to speak and walk Abby faced the challenge of caring for and loving a husband who now resembled a stranger Love You Hard is the raw unflinchingly honest story of a young love left broken and the resilience required to mend a life and remake a marriage Told from the caregiver's perspective this book is a daring exploration of true love what it means to love beyond language beyond abilities and into the place that reveals who we really are At the heart of Abby and TC's unique and captivating story are the universal truths that bind us all This is a tale of living and loving wholeheartedly learning to heal after profound grief and choosing joy in the wake of tragedy

The Greatest Love Story Never Told Richard Orion, 2015-10-30 This story is based on a true love story that spanned almost two decades The names and places have been changed to protect the privacy of the individuals involved in this affair The chronological sequence of events has been maintained for continuity All the stories and experiences are based on facts This book is about a love story that was kept secret for 18 years and perhaps should've remained a secret The first book related to this love story was a book of poems entitled Somewhere Sometime Somehow Love Poems and Short Stories published in 2008 by this author and Xlibris For the perceptive reader of this book one can trace the ups and downs of our love relationship These 18 years were filled with robust love and passion for each other Perhaps it was fantasy perhaps it was the most real thing we will ever experience The heartbreaking part of this love affair is that I am not really sure my lover ever really understood or appreciated my profound and unconditional love for her I opened my heart to her through poetry and thoughtful letters but she rarely showed me what was in her heart Perhaps it was a one-sided love affair but I surely think and hope not I was convinced that she truly loved me through her words and actions At least I experienced a pure love that I had only dreamed was possible The story is told mainly through the exchange of letters and emails to each other Perhaps readers can experience and hopefully feel the deep love we felt for each other
