i love you
enough to fight for you
compromise for you
enough to miss you deeply
no matter the length of time
or how far apart we are
enough to believe in our relationship
to stand by your side
to hold your hand through the ups and downs
to have faith and strength in our relationship
to never give up on you
i love you enough to spend forever with you
each day i fall more in love with you
making me realize
no amount of time is ever enough
and even one day
forever will run out
but i decided that will be fine
because getting to love you is worth it

Poems from the Heart David Burkey, 2008-10-28 This is a book of a collection of poems and songs that were written over about 30 years

To Nietzsche: Dionysus, I Love You! Ariadne Claudia Crawford, 1994-12-05 This book explores the possibility that Friedrich Nietzsche simulated his madness as a form of voluntary death and thus that his madness functioned as the symbolic culmination of his philosophy The book weaves together scholarly mytho poetic literary critical biographical and dramatic genres not only to explore specifics of Nietzsche s madness but to question the reason madness opposition in nineteenth and twentieth century thinking A rational and scholarly study of this period of Nietzsche s breakdown presented through his writings letters and poetry in combination with relevant historical documents and other critics writings is simultaneously disrupted and questioned by several non traditional discourses or voices that break in on it Thus Ariadne s voice frames and unframes the research context and plays alongside it Ariadne s voice is poetic revelatory rhapsodic and prophetic sounding much like Nietzsche s own voice during his breakdown Ariadne s discourse attempts to seduce through a non rational mytho poetic love story which culminates in the wedding of Dionysus and Ariadne Other non rational discourses critically developed and based upon the work of Nietzsche Jean Baudrillard and Gilles Deleuze are given voice and work together with Ariadne to counter the usual interpretations of Nietzsche s madness and of what mad discourse is These discourses are given the names catastrophe phantasm and seduction The experiment of the book is not only to offer an entirely different perspective on Nietzsche s madness but to offer and perform new and challenging forms of affirmative discourse
