Love, Sex, and Marriage Julie Coleman, 2022-06-13 If the language we use influences and reflects the way that we see the world then the fields of LOVE SEX and MARRIAGE will show how speakers of English view their closest social and emotional relationships Love Sex and Marriage provides a classification of English terms for these three fields from the earliest written records of the language until the present day This volume makes it possible to trace changing attitudes towards social and sexual ties and to understand those ties as earlier speakers of English did through the language they used

The terms are arranged by meaning and are listed chronologically within semantic fields with their dates of usage. Notes on individual terms provide further information about their connotations and development. Language does not exist in isolation from the people who speak it so background information about changes in social conditions, religious beliefs, and medical advancements is also included. A brief introduction to basic semantic terminology explains the principles behind the classification, and an alphabetical index facilitates the location of individual terms.

Rejoice Always Sheri Wohlfert, 2025-02-03. Happiness is a glorious emotion but it's fleeting and it hinges on circumstances: people or events that aren't created to last. True joy is what we really crave and that comes from being firmly rooted in the will of God. Joy is something we choose over and over again, opening our eyes to the ways the Lord is working in us and through us. *Rejoice Always* draws wisdom and inspiration from Sacred Scripture and six saintly companions to help us cultivate a burning desire to joyfully love the Lord. Whether we're facing suffering and loss or the humdrum reality of life, the saints highlighted here, and author Sheri Wohlfert's own down-to-earth stories, give us a relatable, achievable, and authentic path to holiness. Each section of this book focuses on a gift from the Father, and one of the saints demonstrates how to joyfully embrace each gift. When we know that God is involved in every aspect of our lives and that he uses all things to help us grow closer to him, we can't help but live in the joy of the Lord.

On Love Caleb Gattegno, 2010-10-04. What can be learned about love if one considers it as an energy that is the result of self-awareness? Men, Women, and the Mystery of Love Edward Sri, 2020-01-08. Fr. Karol Wojtyła, Pope John Paul II's name before he became the pontiff in 1978, published *Love and Responsibility* in 1960. It revealed his fully formed philosophy of marriage and sheds light on the dynamics between men and women. Some consider his analysis of the true meaning of human love as life-changing and practical, shedding light on real issues between men and women. This updated and expanded edition of Edward Sri's classic meditation on Pope John Paul II's *Love and Responsibility* includes a new introduction, new chapters for single people and engaged couples, and maybe most importantly, the stories of people whose lives have been transformed by Pope John Paul II's foundational teaching on relationships. Edward Sri is a gifted teacher and an equally talented writer. This book shows why he breaks open Karol Wojtyła's great text *Love and Responsibility* in a way that's clear, engaging, and very practical for the challenges of daily life.

Charles J. Chaput, OFM, Archbishop of Philadelphia. In *Men, Women, and the Mystery of Love*, Edward Sri breaks down the contents of John Paul's epic work, making it more accessible to the reader. It isn't a manual on sexual ethics.

The Curious History of Love Jean-Claude Kaufmann,2011-12-12 The one emotion that matters most to many people is the one about which social thinkers rarely speak love For many people love is the thing that matters most in their lives they are searching for love hoping to find in love a kind of happiness that they cannot find in their work or by surrounding themselves with material goods But where does this peculiar and powerful blending together of love and happiness come from and why do we find it such a compelling idea today In this short book Jean Claude Kaufmann offers a fresh account of the history of a feeling unlike any other The modern idea of love as passion was born in the 12th century but it was marginalized by the rise of a kind of instrumental calculating reason that became increasingly central to modern societies As calculating reason began to encroach on the personal domain many individuals sought to escape from it searching for happiness elsewhere As our societies become dominated by calculating reason and selfish individualism we search elsewhere for the kind of happy love that will heal all our wounds This is why we experience so many changes of heart in our personal lives at times we are coldly calculating and then a few moments later we sacrifice ourselves to love without a second thought Written by one of France s leading sociologists this highly readable book sheds new light on love and happiness and will resonate with many readers
