**The Aiken and Burnetown Murders** D. R. Beavers,2014-07-15 When Jessie Barnes parents are seriously injured in a car accident she takes a leave of absence from her investigator job with the Chicago Police Department to help care for them in their home in Aiken South Carolina While in town she's tapped to help the shorthanded local sheriff's department Just a week after her arrival in the sleepy southern town she is called to investigate a double homicide Tom and Carol Lowe have been shot to death in their spacious home on Mulberry Street This isn't a typical crime for Aiken which generally deals with much lesser profile problems Working with lead investigator Bill Hankinson Jessie must leave her tough Chicago tactics behind as she adjusts to his southern ways The job gets interesting when additional

murders occur in nearby Burnettsville. She is assisted through the investigations and her indoctrination into the southern lifestyle by William Bradford, a local entrepreneur who develops a romantic interest in her. As Jessie and the sheriff's department struggle to discover the truth behind these unlikely crimes, their investigation reveals shocking details that are highly unusual in these typically peaceful towns. *The Aftermath* Elsie Frederick, 2020-10-19. This is the second part of Elsie Frederick's autobiography, so picking up from the first book and the astonishing saga of George's Heart Transplant, this brings us right up to date. She is not an author; these are probably the only books she will ever write. At 70 years of age and locked down amidst the Corona Virus Covid 19 epidemic, she has taken the opportunity to finish the story started over 30 years ago. The ensuing years brought more serious health issues to deal with. From Stroke through to Dementia, the problems she encountered could have been so much easier to deal with if she had received help from her extended family instead of denial, greed, avarice, deceit, and lies. Her love and loyalty were tested to the limit. It shows the devastation that can happen between families when support and understanding is needed but not forthcoming. It became eventually, in 2013, catastrophic. What followed was almost too dreadful to believe. It has taken the last 7 years to get her head straight and finally heal herself. She will never get over what happened, but at least she can now go forward. It has been a catharsis for her to write excruciatingly painful but necessary, as it is a true record of what happened and the process has given her the freedom to live and laugh again. Regrets, yes, of course it should never have happened, but it did, and she regards it now as the Ultimate Survival. Different Strokes P. A. Hinga, 2016-08-11. *Different Strokes: The Awakening* By P.
