Williams,2020-08-18 Reminiscent of Toni Morrison s The Bluest Eye The New York Times One of the best books I have ever read will live in the hearts of readers for the rest of their lives Colby Sharp founder of Nerdy Book Club An emotional painful yet still hopeful adolescent journey one that needed telling Kirkus Reviews starred review I really loved this Sharon M Draper author of the New York Times bestseller Out of My Mind This deeply sensitive and compelling BCCB debut novel tells the story of a thirteen year old who must overcome internalized racism and a verbally abusive family to finally learn to love herself There are ninety six reasons why thirteen year old Genesis dislikes herself She knows the exact number because she keeps a list Because her family is always being put out of their house Because her dad has a gambling problem And maybe a

drinking problem too Because Genesis knows this is all her fault Because she wasn't born looking like Mama Because she is too black Genesis is determined to fix her family and she's willing to try anything to do so even if it means harming herself in the process But when Genesis starts to find a thing or two she actually likes about herself she discovers that changing her own attitude is the first step in helping change others Archie Saves the Day Leonie Thorpe, 2010-01-31 Life is never easy for Archie Roach but some days it gets downright perplexing Life is never easy for Archie Roach but some days it gets downright perplexing He's not much good at anything he's got the meanest mum in the whole universe and now some little kid wants him to save his granddad's house all because he read about Archie winning a fishing competition And as if that wasn't enough a total maniac psycho tagger's moved into town the tagger's already run foul of Community Constable Wang who's given him one last chance and forced him to join Archie's Sea Scout pack It's just not fair you shouldn't have so many problems when you're only twelve But Archie is no ordinary kid and his ducking and diving will have you in stitches as he deals with life in his own amazing way this is Archie's second series of adventures once again written by Leonie Thorpe who lives in Lyttelton with her daughters While reading the first book would be helpful and fun it's not essential to enjoy a rollicking series of misadventures and escapades in a small coastal town with a fine boating tradition and a very unusual troop of sea scouts
