Encounters With American Culture Peter S. Prescott, 2005-10-01 This collection of essays discusses some of the important books authors and literary trends of a volatile era in American and world literature whose cultural repercussions are still being felt Peter S Prescott was one of the most penetrating knowledgeable and sensitive critics to write for a general audience in the tradition of Edmund Wilson Readers will discover not only Prescott s acute and subtle comments on the enduring and or representative books of the time but also his humor and style his way with an anecdote or aphorism his talent for parody and his ability to laugh at himself as well as at the authors he sometimes skewers Prescott s writing has an immediacy and vivacity that suggests what it was like to read new books during his time Here is one critic s view ironic and complex of good books by famous writers like Norman Mailer Jorge Luis Borges Joyce Carol Oates Aleksandr Solzhenitsyn and Vladimir Nabokov as well as of good books by little known writers and others who would later achieve renown Here too is some astringent criticism of distinguished and popular authors who have fallen into self indulgence Prescott writes about the New Journalism in its early days and about fragmentary autobiography as a literary form genres whose importance he

was among the first to recognize His essays also touch on theater film food and politics The criticism in this volume are examples of the literary essay in its truest sense an attempt to explore in however brief space allowed what the author sees around him and connections between books and other aspects of the way people live Always personal and urbane these essays are often hilarious generally moving and exemplify the essay as an art form Peter S Prescott was book review editor for Newsweek His books include A Darkening Green Notes from the Silent Generation and The Child Savers Juvenile Justice Observed Anne L Prescott is Helen Goodhart Altschul Professor of English at Barnard College [South Dakota History](#)

from the nearby town of Verity Falls With the aid of some local ghosts Diva needs to get to the bottom of this latest puzzle She will need to call on magical assistance from her cousins and even one of her enemies Haydn Creighton has been her secret obsession since she was a kid Even though he s engaged to a snooty and slightly unstable British witch Diva can t get him out of her mind She already owes him a favor for accepting his help After this latest mess she could be digging herself in too deep to extricate herself Just to complicate things Diva s cousin Courtney has decided she wants to marry Drew McTavish The sheriff has no idea the lengths magical folk will go to in order to get what they want He still firmly believes the supernatural isn t real and he isn t at all prepared for what will soon be coming Upsetting A Poltergeist Never Ends Well Framed for another murder that she didn t commit Diva Delaney once again finds herself neck deep in trouble This time she knows who is behind the crime but proving it isn t going to be easy when the evidence against her is so overwhelming She will have to rely on the father of her high school nemesis to get her out of jail Luckily Roger Mayhew owes her one thanks to Haydn Creighton s blackmailing skills As if Diva doesn t already have enough problems Nina Rivers warns her that she s in danger The witch might only have moderate power but one thing she excels at is hunches Her intuition is never wrong and she senses Diva is in extreme peril Someone out there means her harm but she doesn t know who it is or when they ll strike Personally Diva suspects the danger will most likely come from Gillian Farque Haydn s fianc already has it in for her Thanks to the damage Diva did to her sports car she s going to make her pay big time Diva s cousins Eve and Courtney are having problems of their own Eve s is a direct result of accompanying Diva on one of her jobs Courtney s is self inflicted Her decision to attempt to force the handsome sheriff to fall for her has repercussions she didn t plan on There s a reason why conjurers are forbidden from casting magic on normals Doing so often backfires on the caster horribly cozy paranormal mystery cozy mystery witches wizards warlocks supernatural occult paranormal female sleuth spells magic ghosts spirits phantoms poltergeist

Ideologies and the Corruption of Thought Joseph Gabel, 2018-01-16 Edited and with an introduction by Alan Sica In 1975 Joseph Gabel published a modern masterpiece which appeared in English as False Consciousness An Essay on Reification Combining his special knowledge of existential psychiatry axiology Marxism and political history Gabel proposed the utterly novel idea that victims of serious mental disturbances especially paranoia and schizophrenia reproduce those distorted thought patterns commonly associated with ideological beliefs at the collective level Such beliefs initially had been laid bare in the 1920s by Gabel s intellectual progenitors Karl Mannheim and George Lukacs Gabel s remarkable innovation was to transfer the private crisis of mental collapse into the analytic framework previously reserved for ideological critique making him an expert on what was later called the micro macro problem Ideologies and the Corruption of Thought includes Gabel s essays over the last 40 years characteristically treating micro and macro theoretical matters simultaneously Originally written in French and German they have been recast in idiomatic English and bibliographically updated Using a unique mode and vocabulary of analysis Gabel offers theoretical investigations of

McCarthyism and Stalinism original and more recent types as well as Althusser Orwell and Jonathan Swift in his capacity as a psychiatric theorist He also explores anti Zionism anti Semitism and a fascinating case study of a paranoid who regarded himself as the pope In addition this volume includes a range of general commentaries on ideological thought utopianism and false consciousness This rich feast of social and political analysis and theory illuminates a range of contemporary concerns racism utopian fantasy ethnocentrism anti Semitism the interplay of social structure and mental illness and ideological transformations of social life which only Gabel s unique mixture of the clinical and the political could achieve It will be studied with interest by all theorists and politically alert readers in the social sciences philosophy and related fields of study
