The Little Book of Luck Alison Davies, 2019-03 Luck is believing you re lucky Tennessee Williams Do you ever wonder why some people have all the luck Often when things don't go our way we attribute it to bad luck but how much control do we really have over our destiny Whether it's a genie in a bottle the pot of gold at the end of the rainbow or a horseshoe nailed above your door we're all hoping for a bit of luck in life But prosper or fail the difference between good and bad luck isn't all down to fate Channel your inner leprechaun and carve out your own path The Little Book of Luck will become your lucky charm Explore luck through a collection uplifting tips simple exercises folklore and superstitions and change your fortunes for the better

Luck Nicholas Rescher, 2001-03-15 Luck touches us all Why me we complain when things go wrong though seldom when things go right But although luck has a firm hold on all our lives we seldom reflect on it in a cogent concerted way In Luck one of our most eminent philosophers offers a realistic view of the nature and operation of luck to help us come to sensible terms with life in a chaotic world Differentiating luck from fate inexorable destiny and fortune mere chance Nicholas Rescher weaves a colorful tapestry of historical examples from the use of lots in the Old and New Testaments to Thomas Gataker's treatise of 1619 on the great English lottery of 1612 from casino gambling to playing the stock market Because we are creatures of limited knowledge who do and must make decisions in the light of incomplete information Rescher argues we are inevitably at the mercy of luck It behooves us to learn more about it
