Club Cultures and Female Subjectivity Maria Pini,2001-09-06 This work explores the significance which contemporary club cultures can have for women at a time when femininity is undergoing radical reconstruction The book focuses upon the experiential accounts given by a range of raving and clubbing women and illustrates how new and in some respects more appropriate to our times fictions of femininity are generated within these accounts Club cultures can it is argued come to

provide important sites for the exploration of new ways of being women in culture Focus upon these more subjective and experiential aspects reveals that today's dance cultures have much to offer women and a lot more to say about femininity than is usually acknowledged This suggests the limitations of much contemporary club culture criticism which concludes that because men tend to dominate at the levels of production and organisation today's club cultures signal a sexual political step backwards
