Richard Edwards

Lucy And The Waterfox:

Lucy and the Waterfox David Robinson,2004 Lucy is a little red fox who has a secret she can fly Her heart soars when she takes to the skies One afternoon after her fellow foxes see her flying they shame her yelling Everyone knows that foxes can t fly Lucy hears their words and for a brief moment believes them and falls to the ground This only reinforces her self doubt She begins to lose her playful spunk and the sheen of her coat grows duller by the day Lucy has become a sad disheartened and disempowered little fox One night the wise old story fox appears out of the forest to share an evening of foxlore with Lucy s pack He tells the story of Milton a young fox that was long ago banished from the land for learning to swim like a fish It was the banishment of Milton that gave rise to the popular saying used by older foxes when they see the young ones straying You don t want to end up like Milton remember and they chant Neither fox nor fish The old story fox s tale unsettles Lucy After tossing and turning and trying to sleep counting sheep doesn t work for a fox Lucy goes to the pond for a drink There she meets the wise old story fox Through the magic of this encounter she learns to believe in herself again her paws lift from the ground and she once again points her nose up and takes to the skies
