Old Acquaintance. Barry Cornwall and *Some of His Friends* James Thomas Fields, 2025-10-18 Reprint of the original first published in 1876 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *Reading Old Friends* John Matthias, 1992-02-06 Reading Old Friends includes essays reviews and poems on poetics Matthias who has spent much time in England concentrates on British poetry ranging from late modernist figures such as David Jones and Hugh MacDiarmid to contemporaries such as Geoffrey Hill Seamus Heaney Michael Hamburger and John Fuller He also seeks to establish or re establish meaningful trans Atlantic connections between Wendell Berry and Jeremy Hooker for example or between Robert Duncan and David Jones Other more generally acknowledged figures are also discussed including Wordsworth Pope Crabbe Constable Turner Britten Tippet Lowell Auden and Berryman The book also contains three poems on poetics that engage many of the theoretical issues left implicit in most of the essays Antoinette Tryssenaar Villa, 2008-02-01 my parents don t like other people s children Actually I don t think they like their own children much My mom once said if she could live her life over again she wouldn t have children Well June if I could live my life over again I wouldn t have parents With these words Willy tugs at the heartstrings of young and old alike A Kaleidoscope for June is the fictitious journal of baby boomer Willy Velthuisen s coming of age in rural Ontario Canada in the late 1950 s Willy writes about her struggles against the strictures of an authoritarian upbringing with pathos humor and insight She is influenced by her education in a one room country schoolhouse her passion for reading as well as her love of nature and augments this coming of age narrative with songs poems and recipes of the times Reading A Kaleidoscope or June will bring back the late 1950 s vividly to readers who lived at that time and bring it to life for those who did not Old Friends; Essays in Epistolary Parody Andrew Lang, 2025-08-22 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **Old Friends in a New Dress** Aesop, Richard Scafton Sharpe, 1849 Goodbye Old Friends & Other Stories Len Custer, 2001-12-27 This is a collection of 14 absorbing short stories on a variety of interesting subjects In Goodbye Old Friends an elderly man is faced with losing his beloved team of mules His health is failing and the care and companionship of his faithful friends of 15 years is his only reason to continue living As he sits alone during the night before the mules are to be taken by his son he reflects on his long and adventurous life The final goodbye to his old friends is a heart wrenching scene The other 13 stories cover a wide spectrum of subject matter Memories of Old Friends. Being Extracts from the Journals and Letters of Caroline Fox, of Penjerrick, Cornwall, from 1835 to 1871 Caroline Fox, Horace N. Pym, 2024-05-23 Reprint of the original first published in 1882 *Queering Modernist Translation* Christian Bancroft, 2020-06-02 Queering Modernist Translation explores translations by Ezra Pound Langston Hughes and H D through

the concept of queering translation As Bancroft argues queering translation is an intersectional lens for gleaning identity and socio cultural issues in translation such as gender sexuality diaspora and race Using theories espoused by Jack Halberstam Jos Esteban Muñoz Elizabeth Grosz Sara Ahmed and Rinaldo Walcott as foundations for his arguments Bancroft demonstrates that queering translation offers more expansive ways of imagining the relationship between translation and the identities cultures and societies that produce them Intervening in new Modernist studies and translation studies Queering Modernist Translation furthers contemporary conversations regarding Modernism and its lasting importance in the twenty first century

Friends' Intelligencer, 1868 **The Square and the Tower** Niall Ferguson, 2019-01-22 The instant New York Times bestseller A brilliant recasting of the turning points in world history including the one we're living through as a collision between old power hierarchies and new social networks Captivating and compelling The New York Times Niall Ferguson has again written a brilliant book In 400 pages you will have restocked your mind Do it The Wall Street Journal *The Square and the Tower* in addition to being provocative history may prove to be a

bellwether work of the Internet Age Christian Science Monitor Most history is hierarchical it s about emperors presidents prime ministers and field marshals It s about states armies and corporations It s about orders from on high Even history from below is often about trade unions and workers parties But what if that s simply because hierarchical institutions create the archives that historians rely on What if we are missing the informal less well documented social networks that are the true sources of power and drivers of change The 21st century has been hailed as the Age of Networks However in The Square and the Tower Niall Ferguson argues that networks have always been with us from the structure of the brain to the food chain from the family tree to freemasonry Throughout history hierarchies housed in high towers have claimed to rule but often real power has resided in the networks in the town square below For it is networks that tend to innovate And it is through networks that revolutionary ideas can contagiously spread Just because conspiracy theorists like to fantasize about such networks doesn t mean they are not real From the cults of ancient Rome to the dynasties of the Renaissance from the founding fathers to Facebook The Square and the Tower tells the story of the rise fall and rise of networks and shows how network theory concepts such as clustering degrees of separation weak ties contagions and phase transitions can transform our understanding of both the past and the present Just as The Ascent of Money put Wall Street into historical perspective so The Square and the Tower does the same for Silicon Valley And it offers a bold prediction about which hierarchies will withstand this latest wave of network disruption and which will be toppled

Virus George L. Fearn, 2011 Part one of the book is set in London in the early 1980 s and introduces the central character of the story Sir James Fox a behind the scenes diplomat and man in charge of a new department of climatology We also meet his friends doctors Milton Johns and Robert Sinclair who in turn are introduced to Roger graves a physicist working on suspended animation project for NASA Sir James had his office in the Palace of Westminster where he conducts all his formal business affairs but socially he and his friends meet at his place of residence The Gentleman s Club a short stroll from the Thames embankment and it is here that the events of the story unfold
