

from Gitanjali

The same stream of life
that runs through my veins
night and day
runs through the world
and dances in rhythmic measures.

It is the same life that shoots in joy
through the dust of the earth
in numberless blades of grass
and breaks into tumultuous waves
of leaves and flowers.

It is the same life that is rocked
in the ocean cradle
of birth and of death
in ebb and in flow.

I feel my limbs are made glorious
by the touch of this world of life.
And my pride
is from the life-throb of ages
dancing in my blood at this moment.

Rabindranath Tagore (1861 - 1941)

Tagore wrote Gitanjali in his native Bengali. He then translated it into English. Soon afterwards he won the Nobel Prize for Literature.

Poems Of Gitanjali:

The Complete Poems of Rabindranath Tagore's Gitanjali S K Paul,2006 Gitanjali Rabindranath Tagore,William Radice,2011 Described by Rabindranath Tagore as revelations of my true self the poems and songs of Gitanjali established the writer s literary talent worldwide They include eloquent sonnets such as the famous Where the mind is without fear intense explorations of love faith and nature Light oh where is the light and tender evocations of childhood When my play was with thee In this new translation to mark Tagore s one hundred and fiftieth birth anniversary William Radice renders with beauty and precision the poetic rhythm and intensity of the Bengali originals In his arrangement of Tagore s original sequence of poems alongside his translations Radice restores to Gitanjali the structure style and conception that were hidden by W B Yeats s edition of 1912 making this book a magnificent addition to the Tagore library Gitanjali Rabindranath Tagore,2002-03-01 The progress of our soul is like a perfect poem It has an infinite idea which once realised makes all movements full of meaning and joy But if we detach its movements from that ultimate idea if we do not see the infinite rest and only see the infinite motion then existence appears to us a monstrous evil impetuously rushing towards an unending aimlessness *Gitanjali (Song Offerings) by Rabindranath Tagore* Rabindranath Tagore,2013 Rabindranath Tagore s Gitanjali is a sublime expression of the divine in nature Tagore was one of the greatest poets of modern India He drew upon a rich and varied tradition ranging from Sanskrit writings to Western literature and enriched Bengali culture with his compositions He received the Nobel Prize for literature in 1913 Tagore attempted to express in his poetry the divine spirit that he glimpsed in nature W B Yeats noted that his poetry had an innocence a simplicity that one does not find elsewhere in nature It touches the soul with its serenity and lyrical quality Gitanjali is truly a treasured companion on life s long journey

Gitanjali Rabindranath Tagore,2021-10-12 Gitanjali 1912 is a collection of poems by Rabindranath Tagore Translated into English by Tagore and published with a groundbreaking introduction by Irish poet W B Yeats Gitanjali is the collection that earned Tagore the 1912 Nobel Prize in Literature When Yeats discovered Tagore s work in translation he felt an intense kinship with a man whose work was similarly grounded in spirituality and opposition to the British Empire For the Irish poet Tagore s poems were at once deeply personal and essentially universal like a secret kept by all and shared regardless I have carried the manuscript of these translations about with me for days reading it in railway trains or on the top of omnibuses and in restaurants and I have often had to close it lest some stranger would see how much it moved me Whether or not we admit it his words never fail to remind us to be human is to be vulnerable Thou hast made me endless such is thy pleasure This frail vessel thou emptiest again and again and fillest it ever with fresh life This little flute of a reed thou hast carried over hills and dales and hast breathed through it melodies eternally new The essence of Gitanjali is humility Written following the deaths of his wife and two children the collection unites poetry and prayer in search of peace Grounded in Hindu tradition his poems remain recognizable to readers of all faiths and nations His subjects are love and loss life and

death belief and despair Through them he approaches truth With a beautifully designed cover and professionally typeset manuscript this edition of Rabindranath Tagore s Gitanjali is a classic of Indian literature reimagined for modern readers
