Stories in One Volume offers an expansive exploration of the American Western frontier through its most iconic and pioneering literary voices. This anthology captures the spirit of the Wild West with an impressive variety of literary styles ranging from gripping adventure tales and poignant character studies to evocative landscapes and thrilling shootouts. The collection delves into themes of freedom, exploration, and survival that defined the frontier experience, presenting a panorama of stories that illuminate the raw, unrefined beauty of this region. Standout pieces reflect on the transformative nature of the frontier, drawing readers into a compelling world forged by both myth and reality. The collective expertise of renowned authors like Mark Twain, O. Henry, Willa Cather, and Zane Grey enriches the anthology with a spectrum of perspectives on Western life. This coalition of literary giants encapsulates a notable period in American history where the struggle for identity and place in a rapidly changing world was of paramount importance. The authors, linked with movements such as Realism and Naturalism, bring authenticity and depth to their narratives, capturing the raw emotions and untamed landscapes that define the Western genre. This collection is an essential read for anyone keen on exploring the multilayered narratives and stylistic innovations of Western literature. The anthology not only serves as a gateway to classic tales of the Wild West but also provides an insightful dialogue between its diverse authors. *THE CALL OF THE WILD WEST* offers readers an unparalleled opportunity to understand the diverse voices shaping this quintessentially American genre, making it an invaluable resource for enthusiasts and scholars alike who seek to delve into the cultural and historical nuances of the Western tradition.

After working for the federal government for thirteen years, Matt Pine longs for more out of life. The Cold War wages on in 1987, but Matt is looking for a little excitement of his own, a little romance. He didn't plan on risking his life to find it, but when he meets Sue, a woman to whom he is instantly attracted, he ends up almost terminally smitten. Matt and Sue hit it off pretty well on their first date until the sky falls in literally. An alien space craft crashes near them, nearly kills them, and maroons an advanced alien intelligence on earth. Although this intelligence is more advanced than humans, it needs human assistance to guarantee its survival. Matt and Sue strike up a deal with the alien intelligence, which will guarantee them money, power, and just about anything else they could ever want. But can they trust their new alien partner? Both the United States and the Soviet Union militaries suspect Matt and Sue's new connection and are willing to start World War III. Will Matt and Sue turn this intelligence over to the federal government or risk the future of the planet on some Wild Options?
