Second String Red Albert Vetere Lannon,1999-01-01 In this fascinating biography Albert Lannon son of Al Lannon offers a scholarly look at his father s life and development as an American Communist Beginning with Al Lannon s days as a teenage runaway and following his career in the Party the author utilizes primary and secondary sources to document this extraordinary life in depth Concluding the book with his own perspectives on his father s life Lannon presents a unique and personal view of this important figure in American labor history Second String Red will be of great interest to scholars of American trade unionism and communism      *Second String Red* Albert Vetere Lannon,1997      The Communist Party on the American Waterfront Vernon L. Pedersen,2019-12-20 In the early years of the Great Depression the Marine Workers Industrial Union MWIU was a colorful presence on the American Waterfront In 1935 the MWIU seemed to vanish closing its halls and stopping its publications Vernon L Pedersen convincingly demonstrates that the MWIU did not vanish instead it was ordered by the Moscow based Communist International to send its members into mainstream ALF unions and take over from the inside Initiated by accident on the west coast and deliberately duplicated in the east the Communists seized control of the west coast longshoremen s union destroyed the International Seamen s Union and created the Communist dominated National Maritime Union      *The Communist Party in Maryland, 1919-57* Vernon L. Pedersen,2001 He also tracks the public s changing perception of the Communists from amused unconcern to alarm and details how the Ober antisubversive law and the HUAC hearings of the 1950s dismantled the Party from without while planting seeds of paranoia that destroyed it from within      **Red Seas** Gerald Horne,2009-09 During the heyday of the U S and international labor movements in the 1930s and 1940s Ferdinand Smith the Jamaican born co founder and second in command of the National Maritime Union NMU stands out as one of the most if not the most powerful black labor leaders in the United States Smith s active membership in the Communist Party however coupled with his bold labor radicalism and shaky immigration status brought him under continual surveillance by U S authorities especially during the Red Scare in the 1950s Smith was eventually deported to his homeland of Jamaica where he continued his radical labor and political organizing until his death in 1961 Gerald Horne draws on Smith s life to make insightful connections between labor radicalism and the Civil Rights Movement demonstrating that the gains of the latter were propelled by the former and undermined by anticommunism Moreover *Red Seas* uncovers the little known experiences of black sailors and their contribution to the struggle for labor and civil rights the history of the Communist Party and its black members and the significant dimensions of Jamaican labor and political radicalism      San Francisco Reds Robert W. Cherny,2024-05-07 Founded in 1919 the Communist Party CP in San Francisco survived an ineffectual early period to become a force in the trade union heyday of the 1930s Robert Cherny uses the lives and careers of more than fifty members to tell the story of the city s CP from its founding through 1958 Cherny draws on FBI files the records of the CP at the Russian State Archive for Social and Political History interviews and memoirs to follow male and

female party and union leaders rank and file members and others His history reveals why people joined the CP while charting the frequent changes in policy constant member turnover and disruptive factionalism that limited party aims and successes Cherny also follows his subjects through their resignations expulsions or other reasons for departure and looks at the CP's influence on their lives in subsequent years Vivid and exhaustively researched *San Francisco Reds* is a long view account of the personal motivations and activism of an Old Left generation in a West Coast city **Henry Wallace's 1948**
