Life In Prison: Eight Hours at a Time Robert Reilly, 2014-10-30 Silver Medal 2015 IBPA Benjamin Franklin Awards Best New Voice Finalist Memoir 2015 Maine Literary Award In this gripping nonfiction account Robert Reilly provides a look inside America's prison system unlike any other and the way that it affects not only the prisoners themselves but also the corrections officers and their families After 13 years of struggling in the music business Robert Reilly found himself broke and on the edge of despair The specter of success in the music business had become a monster about to ruin his family life Something had to change or something was going to break beyond repair A chance conversation with a neighbor led him to apply somewhat half heartedly for a job at the county prison Although he hated the thought of a real job a regular salary of 40 000 with benefits and paid time off seemed like a small fortune Amazingly I somehow got hired So in an effort to do the

right thing and put my family first I left the madness of the music business and entered the insanity of the U S prison system Robert Reilly served a seven year term as a prison guard in Pennsylvania and Maine Entering America s industrial prison system in search of a way to support his young family the struggling musician found himself in a looking glass world where often only the uniforms distinguished guards from prisoners Life in Prison chronicles the horrors of a place where justice is arbitrary outcomes are preordained and the private sector makes big money while the public looks away This is Reilly s story of doing time To call the experience sobering would be the ultimate understatement As time crawls by I become jealous of the inmates leaving the prison I start to slip I start to feel like I m losing my faith Any trace of innocence that I thought I still had starts to evaporate I begin to feel trapped imprisoned locked in a dark heartbreaking world just like an inmate
