

A grainy, black and white photograph of a building, possibly a military installation or a government building, with the title 'THE SECRET ARMY' overlaid in large, bold, white letters. The building has a flat roof and a series of windows or doors on the right side. The overall tone is serious and mysterious.

THE SECRET ARMY

Secret Army The Ira

Wendy Pearlman

Secret Army The Ira:

The Secret Army J. Bowyer Bell, 1997-01-01 This is the definitive work on the Irish Republican Army It is an absorbing account of a movement which has had a profound effect on the shaping of the modern Irish state This book is the culmination of twenty five years of work and tens of thousands of hours of interviews

The Secret Army J. Bowyer Bell, 2017 The Secret Army is the definitive work on the Irish Republican Army It is an absorbing account of a movement that has had a profound effect on the shaping of the modern Irish state The secret army in the service of the invisible Republic has had a powerful effect on Irish events over the past twenty five years These hidden corridors of power interest Bell and inspired him to spend more time with the IRA than many volunteers spend in it This book is the culmination of twenty five years of work and tens of thousands of hours of interviews Bell s unique access to the leadership of the republican movement and his contacts with all involved British politicians Irish politicians policemen arms smugglers and others committed or opposed to the IRA explain why The Secret Army is the book on the subject This edition represents a complete revision and includes vast quantities of new information Bell s book gives us vital insight into our times as well as Irish history This edition of The Secret Army contains six new chapters that bring the history of this clandestine organization up to date They are The First Decade The Nature of the Long War 1979 1980 Unconventional Conflict The Hunger Strikes January 1980 October 3 1981 The Protracted Struggle September 1981 January 1984 War Politics and the Split January 1984 December 1986 The Troubles as Institution 1987 1990 and The Armed Struggle Transformed 1991 1996 The End Game In his new introduction Bell reflects on his decades of research the experiences he has had and the people he has met during his extensive visits to Ireland Provided by publisher

Secret Army: The IRA (Revised and Expanded) J Bowyer Bell, 1997

The Secret Army J. Bowyer Bell, 1974

The IRA, 1968-2000 J. Bowyer Bell, 2013-04-03 Based on thousands of interviews over 35 years with the leaders and members of the Republican movement and the IRA itself as well as the Irish British and Americans involved in the Troubles the focus of this study is on the workings of an organization involved in armed struggle

The IRA James C. Dingley, 2012-10-02 Authored by an individual with 30 years of experience studying terrorism as well as access to the most senior counter terrorist army and police officers combating the IRA this book provides the first complete analysis of the world s premier terrorist group to explain them in ideological as well as operational terms The IRA The Irish Republican Army begins by examining the historical background to the development of the IRA the group s basic ideology and its aims and objectives The second part of the book concentrates on the IRA specifically the Provisional IRA as a contemporary phenomenon explaining its organization how it operates who joins the IRA and why The book explores how the

IRA was formed from a Romantic reaction against modernity and is an expression of a vehement rejection of the liberal individualist and scientific values of the Enlightenment. The IRA's attachment to violence almost as an end in itself, its conflation of Catholicism with Irishness, its rejection of big business for peasant proprietor economics and its disregard for individual rights in pursuit of group rights is explained in terms of the group's scholastic Catholicism foundation. For academic audiences in Irish studies, politics, sociology, history, and security and defense studies, as well as professional security forces and interested general readers with an interest in current affairs, this book supplies a wholly new perspective on both the IRA and terrorism in general.

The Dynamics of the Armed Struggle J. Bowyer Bell, 2012-10-12 This is an analysis of one of the most prevalent forms of political violence at the end of the millennium. The author has been shot at, kidnapped, expelled, and questioned in wars from Central America to Northern Ireland. The book reflects his access to the cultures of political violence.

Out of the Ashes Robert White, 2017-04-25 *Out of the Ashes* is the definitive history of the Provisional Irish Republican movement from its formation at the outset of the modern Troubles up to and after its official disarmament in 2005. Robert White, a prolific observer of IRA and Sinn Féin activities, has amassed an incomparable body of interview material from leading members over a thirty-year period. In this defining study, the interviewees provide extraordinary insights into the complex motivations that provoked their support for armed struggle, their eventual reform, and the mind-set of today's dissidents who refuse to lay down their arms. Those interviewed stem from every stage of the Provisionals' history, from founding figures such as Seán Mac Stíofáin, Ruairí Ó Brádaigh, and Joe Cahill to the new generation that replaced them: Martin McGuinness, Danny Morrison, and Brendan Hughes among others. *Out of the Ashes* is a pioneering history that breaks new ground in defining how the Provisionals operated, caused worldwide condemnation, and were transformed by constitutional politics.

Managing Terrorism and Insurgency Cameron I. Crouch, 2009-09-10 This book examines how governments can weaken the regenerative capabilities of terrorist and insurgent groups. The exploration of this question takes the form of a two-tier examination of three insurgent actors whose capacity to regenerate weakened in the past: the Front de libération du Québec (FLQ) of Canada, the Movimiento de Liberación Nacional (MLN) of Uruguay, and the Provisional Irish Republican Army (PIRA) of Northern Ireland during the mid-1970s. At the first level of its examination, the book investigates the extent to which the regenerative capacities of the FLQ, MLN, and PIRA weakened because of an increase in attrition and a decrease in recruitment. The primary objectives of this analysis are to uncover whether a declining intake of recruits played a lesser, equal, or greater role than a burgeoning loss of personnel in weakening the capacities to regenerate of the three insurgent actors and, in turn, to shed greater light on the broader validity of the prevailing view in conflict studies that a decrease in recruitment is more important than an increase in attrition in effecting the corrosion of an insurgent actor's capacity to regenerate. At the second level of its exploration, the book assesses the effectiveness of five of the most prominent policy prescriptions in the literature: insurgent recruitment, attrition, ameliorating grievances, selective repression,

discrediting insurgent ideology improving intelligence collection and restricting civil liberties This book will be of much interest to students of terrorism and counter terrorism conflict studies strategic studies and security studies in general Cameron Crouch is currently an Analyst at Allen Consulting Group an Australian economics and public policy consulting firm He has a PhD from the Strategic and Defence Studies Centre at The Australian National University

The Metamorphosis of War, 2012-01-01 In the last few decades the practice purpose and the very language of warfare have been radically transformed This volume mobilizes the resources of a range of disciplines across the social sciences and humanities in combination with the insights of military practitioners to understand the metamorphosis of war

Ruairí Ó Brádaigh Robert W. White, 2020-05-05 A biography and analysis of the influential Irish political and military leader At his death in 2013 Ruair Br daigh remained a divisive and influential figure in Irish politics and the Irish Republican movement He was the first person to serve as chief of staff of the Irish Republican Army as president of the political party Sinn F in and to have been elected as an abstentionist to the Dublin parliament He was a prominent uncompromising and articulate spokesperson of those Irish Republicans who questioned the peace process in Northern Ireland His concern was rooted in his analysis of Irish history and his belief that the peace process would not achieve peace He believed that it would support the continued partition of Ireland and result in continued inevitable conflict The child of Irish Republican veterans Br daigh led IRA raids was arrested and interned escaped and lived on the run and even spent a period on a hunger strike Because he was an effective spokesman for the Irish Republican cause he was at different times excluded from Northern Ireland Britain the United States and Canada He was also a key figure in the secret negotiation of a bilateral IRA British truce in the mid 1970s In a brief afterword for this new edition author Robert W White addresses Br daigh s continuing influence on the Irish Republican Movement including the ongoing dissident campaign Whether for good or bad this ongoing dissident activity is a part of Ruair Br daigh s enduring legacy A tour de force Indispensable for all Irish studies collections Essential Choice

Violence, Nonviolence, and the Palestinian National Movement Wendy Pearlman, 2011-10-24 Why do some national movements use violent protest and others nonviolent protest Wendy Pearlman shows that much of the answer lies inside movements themselves Nonviolent protest requires coordination and restraint which only a cohesive movement can provide When by contrast a movement is fragmented factional competition generates new incentives for violence and authority structures are too weak to constrain escalation Pearlman reveals these patterns across one hundred years in the Palestinian national movement with comparisons to South Africa and Northern Ireland To those who ask why there is no Palestinian Gandhi Pearlman demonstrates that nonviolence is not simply a matter of leadership Nor is violence attributable only to religion emotions or stark instrumentality Instead a movement s organizational structure mediates the strategies that it employs By taking readers on a journey from civil disobedience to suicide bombings this book offers fresh insight into the dynamics of conflict and mobilization

Decoding **Secret Army The Ira**: Revealing the Captivating Potential of Verbal Expression

In a time characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force.
