The Secret Doctrine, Vol. 2 H. P. Blavatsky, 1979 The Secret Doctrine, Vol. 2 H. P. Blavatsky, 2022-10-13 There is perhaps no greater enigma in modern Western literature than The Secret Doctrine The controversial Russian noblewoman Madame Helena Petrovna Blavatsky told the world that the book restored humanity s lost history and destiny Its insights she said had been gleaned from long secret books of wisdom and her tutelage under mahatmas or great souls adepts from the East who exposed the seeker to their esoteric teaching To read The Secret Doctrine is to enter a mysterious world of ancient cosmology and spiritual scientific insights which tell of humanity s unthinkably ancient past and its burgeoning evolution into a new more refined existence For the first time Blavatsky's encyclopaedia arcana is available in a reset and redesigned single volume edition complete and unabridged Its truths and challenges are available to the intrepid reader who may find yet unknown insights within its pages **The Secret Doctrine, Vol. 2** H. p Blavatsky,1925 *The Secret Doctrine:* Anthropogenesis Helena Petrovna Blavatsky, 1902 The Secret Doctrine, Vol. 2 Helena Petrovna Blavatsky, 2017-07-17 Excerpt from The Secret Doctrine Vol 2 The Synthesis of Science Religion and Philosophy Anthropogenesis Modern Science insists upon the doctrine of evolution so do human reason and the Secret Doctrine and the idea is corroborated by the ancient legends and myths and even by the Bible itself when it is read between the lines We see a ower slowly developing from a bud and the bud from its seed But whence the latter with all its predetermined programme of physical transformation and its invisible therefore spiritual forces which gradually develop its form colour and odour The word evolution speaks for itself The germ of the present human race must have preexisted in the parent of this race as the seed in which lies hidden the ower of next summer was developed in the capsule of its parent ower the parent may be but slightly different but it still differs from its future progeny The antediluvian ancestors of the present elephant and lizard were perhaps the mammoth and the plesiosaurus why should not the progenitors of our human race have been the giants of the Vedas the Voluspa and the Book of Genesis While it is positively absurd to believe the transformation of species to have taken place according to some of the more material istic views of the Evolutionists it is but natural to think that each genus beginning with the About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www forgottenbooks com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works The Astrological and Numerological Keys to The Secret Doctrine, Volume 2 Bodo Balsys, 2021-02-01 This volume continues with a detailed explanation of the nature of the ageless wisdom and its codification via astrological and numerological means It starts with happenings upon the higher mental plane and then the process of the

materialisation of phenomena right through to the dense physical plane The subjective happenings underlying the formation of a world sphere are described as well as the great Lives involved The focus is upon the genesis of our earth and of the incarnation of humanity upon it Much more information is given concerning the activities of the twelve Creative Hierarchies than previously plus the mode of the manifestation of phenomena as it condenses from the subtle planes of perception to appear as dense substance Our empirical scientists begin their investigations here hence omitting the vast subjective processes and associated laws causing objective phenomena Blavatsky s genius is revealed in her masterful incorporation of the vast esoteric philosophy via the most economic means where each word chosen produces an astounding revelatory vision once properly decoded Those not familiar with this philosophy will be astounded by its overall completeness and breadth of detail They will be led to an ocean of discovery as to what actually constitutes the nature of the content of an enlightened Mind Hopefully this will lead many to seek the way to likewise become enlightened beings Secret Doctrine H. P. The Secret Doctrine, Volume II. Anthropogenesis H. P. Blavatsky, 2021-11-16 The Secret Doctrine Volume II Anthropogenesis H P Blavatsky The Secret Doctrine is the seminal work of the Theosophical Movement and established Blavatsky as one of the most vocal and outspoken advocate of the Wisdom Teachings of the East Almost every contemporary spiritual movement can trace its lineage back to the impulses expressed most consumately in this Blavatsky's Magnum Opus Based upon a disclosure and exposition of the hitherto unknown and academically guite controversial Stanzas of Dzyan The Secret Doctrine elaborates on the teachings first brought to the world through the Masters Koot Humi and Morya and introduced in A P Sinnett's Esoteric Buddhism to which Blavatsky continuously refers and clarifies In the two volumes the first being Cosmogenesis she portrays a sweeping vision of the evolution of humanity and the cosmos out of the spirit unfolding in rounds and cycles of descent and reascent from and to the spirit through cycles of reincarnation This ebook edition has been meticulously prepared with over 1000 footnotes linked from within the text This complex and challenging work is presented in a highly readable format that invites a fresh approach to the text Volume I Cosmogenesis

Anthropogenesis Helena Petrovna Blavatsky,1917 The secret doctrine. vol.II Anthropogenesis Helena Petrovna Blavatsky,1952 The Secret Doctrine Helena Petrovna Blavatsky,1974 Occult Interpretation of Alphabets and Numerals Helena Petrovna Blavatsky,2019-04-19 The occult systems of interpreting numerals solves the problem of cosmogony and the systems of geometrical figures represents the numbers objectively Without the revival of Aryan philosophy, the West will fall to even grosser materialism Helena Petrovna Blavatsky,2018-05-12 An abyss separates the teachings of Eliphas Levi with those of Eastern Occultism Helena Petrovna Blavatsky,2019-09-17 The knowledge possessed by Western Occultists of the Esoteric Philosophy and their range of perceptions and thought of the Eastern Occultism is very superficial By stating that Above the dark abyss were the Waters Eliphas Levi leads the student away from the right track For it changes entirely the core characteristics of Cosmogony and brings it down to a level with

exoteric Genesis perhaps it was so stated with an eye to this result In order to clarify that Above the Breath appeared the Light Levi gives a figure that any Eastern Occultist would not hesitate to pronounce it a left hand magic figure His left hand magic figure is herein reversed At the dawn of a new Manvantara perpetual Motion becomes Breath from the Breath comes forth primordial Light which brings forth the Thought concealed in Darkness and this becomes the Word from which this Universe sprang into being The learned Abb had a decided tendency to anthropomorphize creation He ignores the first stage of evolution and imagines a secondary chaos But in the face of the task Levi had set before himself that of reconciling Jewish Magic with Roman Ecclesiasticism he could say nothing else Not only are his explanations unsatisfactory and misleading in his published works they are much worse but his Hebrew transliteration is entirely wrong The philosophy that the French Magus gives out as Kabbalistic is simply mystical Roman Catholicism adapted to the Christian Kabbalah Clearly Levi s Kabbalah is mystic Christianity not Occultism The material Universe was built by Water say the Kabbalists who know the difference between the two waters the Waters of Life and those of Salvation so confused together in dogmatic religions Moses and Thales said that only earth and water can bring forth a living Soul water being on this plane the Principle of all things In Egypt Osiris was Fire and Isis was the Earth or its synonym Water the two opposing elements because of their opposite properties being necessary to each other for a common object that of procreation The earth needs solar heat and rain to make her throw out her germs But these procreative properties of Fire and Water or Spirit and Matter are symbols Madame Blavatsky on the Harmonics of Smell Helena Petrovna Blavatsky, 2019-04-19 The only of physical generation sense of smell is due to vibrations similar to but of a lower period than those which give rise to the senses of light and heat Olfaction can distinguish between two different odours inhaled simultaneously Two colours on the other hand will produce a single impression on the eye There is a perfect correspondence or mutual compensation between all vibrations of Nature and a most intimate relation between the set of vibrations which give us the impression of sound and that other set of which give us the impression of colour The adept applies this knowledge when he transforms any disagreeable odour into any delicious Madame Blavatsky on Christmas and the Christmas Tree Helena Petrovna perfume he may think of Blavatsky,2019-04-19 Madame Blavatsky against Spiritualism Helena Petrovna Blavatsky, 2020-06-12 There are Spirits and Spirits High Planetary Spirits who have been human beings millions of ages since and upon other besides our own planet there are the illusionary appearances of these projected upon the intra psychic screen of our mediumistic hence confused perceptions and there are seers and mediums as there are great men of science willing and sincere but ignorant tyros Spiritualism has spawned almost as many books as a herring does eggs There can be no spiritual intercourse either with the souls of the living or the dead unless it is preceded by self spiritualization the conquest of selfishness and the unfoldment of the nobler powers within us Spiritualism and Theosophy are mere opinions and beliefs and nothing more They can no more claim to be regarded as facts than any other emotional belief for the facts of one will be delusion in the eyes of the other

Spiritualists and Theosophists fully agree that there are higher and pure spirits outside the realm of our physical senses But they entirely disagree as to the nature and causal agency of communicating intelligences The disembodied spirits instead of having become the wiser for being rid of the physiological impediments and the restraints of their gross material senses would seem to have become far more stupid far less perspicacious and in every respect worse than they were during their earthly life As nations became restricted by their own tongue the once universal Mystery Language is being gradually denied to subsequent generations While the disciples of Eastern Occultism are trying to purify matter Western Spiritualists are striving to degrade spirit Spiritualists and Theosophists travel along a parallel if not guite identical path Yet to those bereft of a metaphysico spiritual vocabulary Eastern Occultism will remain impassable to the babel tower of modern thought caused by ignorance of the true meaning of words and their synonyms a skin deep learning leading to mistaken notions and the tendency of elevating misconceptions to the dignity of dogmas If people would stop speculating and would simply stick to substantiated fact truth would be more readily attained in each and every case Truth stands higher than any earthly consideration ever will Let each of us show our facts and give our explanations and let those who are neither Occultists Spiritualists nor sceptics adjudicate between the contestant parties. The world must learn at last under the penalty of falling back to superstitious beliefs in the biblical devil why such phenomena do so happen and to what cause or causes they are to be attributed New Dispensation is the latest folly of dogmatic Christianity We are not acquainted with a god who thinks plots rewards punishes and repents The only god whom we serve is humanity and our only cult is love of our fellow man This our religion and dogma Men have done their best to replace the solar rays with the false glare of error and fiction none more so than the bigoted narrow minded theologians and priests of every faith the sophists and perverters of the Spirit of Truth Parsifal is the theatrical representation of good and evil in a supreme struggle It is our universe saved through atonement it is sin redeemed through grace and the triumph of faith and charity Thus far Pilate s What is truth has never been sufficiently answered to the satisfaction of narrow minded sectarians The Theosophical Society upholds and advocates only corroborated facts and Truth and nothing but the Truth whencesoever and from whomsoever it may come Our views have to stand or fall upon their own merit since we claim neither divine revelation nor infallibility We will not serve Truth and Falsehood at the same time Our policy is war to death to every unproved dogma superstition bigotry and intolerance Madame Blavatsky on the New Year's Morrow Helena Petrovna Blavatsky, 2018-05-08 Open letter to the American Section of the **Theosophical Society** Helena Petrovna Blavatsky, 2021-04-17 An open letter to the Fellows of the American Section of the Theosophical Society by H P Blavatsky Refuting the false and malicious reports and insinuations by M A Lane a thoroughly dishonest man and a wicked slanderer I felt every time Mr Lane s name was mentioned a cold disagreeable sensation in me which I could not conquer I have proofs that Mr Lane is only one of a regular band of conspirators bent upon destroying our Society As to his natural deception it is absolutely sickening He had come to find out fraud evil interested motives humbug or

charlatanry and he found instead half a dozen of the most earnest men and women working with an unselfishness and singleness of purpose he is unable to understand let alone to emulate The purpose of this letter to the American Section is to forewarn our Fellows about Mr Lane and to tell him to his face that he lies
