Searching for God on Earth and within the Cosmic Firmament Vincent L. Di Paolo, 2025-07-09 Searching for myself during my life has been a series of great adventures which are forever imprinted on the walls of the canyons of my memory I did have some very bad experiences that brought me to the very threshold of death several times For some cosmic reason I escaped death on four occasions during my life and I recuperated my strength and my craving for adventure after each near death experience I guess that those four near death experiences were meant to remind me that I am human and vulnerable and that I should never take my life for granted Even though I did lose some physical strength on each occasion my body and mind grew stronger and stronger and now that I am in the winter of my life I m alive and I thank each day that is given to me as my mind gets closer and closer to finding that elusive me in this only life as me As I now understand the importance and sanctity of life and my love for wonderful people beautiful animals and plants I realize that the meaning of my very existence is to protect them while we live in this beautiful and wonderful planet Finally it took a lifetime for me to find God and I have accepted that after life on earth I will be once again part of the Cosmos which it will always belong to the Creator

Mother Earth: Monthly Magazine Devoted to Social Science and Literature Various Authors, 2020-09-28 THERE was a time when men imagined the Earth as the center of the universe The stars large and small they believed were created merely for their delectation It was their vain conception that a supreme being weary of solitude had manufactured a giant toy and put them into possession of it When however the human mind was illumined by the torch light of science it came to understand that the Earth was but one of a myriad of stars floating in infinite space a mere speck of dust Man issued from the womb of Mother Earth but he knew it not nor recognized her to whom he owed his life In his egotism he sought an explanation of himself in the infinite and out of his efforts there arose the dreary doctrine that he was not related to the Earth that she was but a temporary resting place for his scornful feet and that she held nothing for him but temptation to degrade himself Interpreters and prophets of the infinite sprang into being creating the Great Beyond and proclaiming Heaven and Hell between which stood the poor trembling human being tormented by that priest born monster Conscience In this frightful scheme gods and devils waged eternal war against each other with wretched man as the prize of victory and the priest self constituted interpreter of the will of the gods stood in front of the only refuge from harm and demanded as the price of entrance that ignorance that asceticism that self abnegation which could but end in the complete subjugation of man to superstition He was taught that Heaven the refuge was the very antithesis of Earth which was the source of sin To gain for himself a seat in Heaven man devastated the Earth Yet she renewed herself the good mother and came again each Spring radiant with youthful beauty beckoning her children to come to her bosom and partake of her bounty But ever the air grew thick with mephitic darkness ever a hollow voice was heard calling Touch not the beautiful form of the sorceress she leads to

sin But if the priests decried the Earth there were others who found in it a source of power and who took possession of it Then it happened that the autocrats at the gates of Heaven joined forces with the powers that had taken possession of the Earth and humanity began its aimless monotonous march But the good mother sees the bleeding feet of her children she hears their moans and she is ever calling to them that she is theirs **God Almighty Jesus Christ created the Heavens and the earth** David Serrano,2021-09-30 God Almighty Jesus Christ created the Heavens and the earth By David Serrano This good true book is about JEHOVAH JESUS the Maker of the Heavens and the Earth and events that occurred in antiquity just like the Holy Bible says Its about Divine Love successful living and rejoicing Its about living according to good Christian values to the best of our abilities It has the ancient Babylonian Chronicle about how in year 37 of King Nebuchadnezzar the Babylonians and their king conquered Egypt in the year 567 B C **Mother Earth, Vol. 1 No. 2, April 1906** Various,2021-01-18 [The Sixth Coming](#) Richard Donahue,2011-08-01 Every 25 000 years the earth passes through the galactic plane with a cycle of death and rebirth The next time this will happen will be on December 21 2012 Come to know the five benevolent gods and their creations and the coming of the sixth who is far from benevolent This is a magical journey of births deaths and rebirths resplendent with Mythical Beings possessing all too human frailties Experience the Reality behind the Mirror and ask yourself Are we but a mere reflection of some greater reality The first of a planned trilogy this is indeed a journey not to forget **A School Called Planet Earth** Christopher P.
