Cosmic Theology Dom Denys Rutledge,2024-01-01 First published in 1964 Cosmic Theology introduces a work little known to English readers which has influenced theological and mystical writing for at least fourteen hundred years It is in effect a synthesis of Christian teaching particularly on the nature of the Church in which science and religion the other world and the values of the present world may be seen in their source and original harmony Written before the division between Greek and Latin Churches and later between Catholic and Protestant it affords a convenient point from which to view later speculation and controversy in its true perspectives Apart from helping those interested in the ecumenical movement and in the current liturgical revival this work will serve as a bridge to the understanding of Eastern and particularly Hindu religion

What's with Baum? Woody Allen,2025-09-23 Asher Baum is quietly losing his mind Can you blame him Maybe what I really want is to make sense of all people s lives Of everything the whole shebang A middle aged Jewish journalist turned novelist and playwright consumed with anxiety about everything under the sun Baum s turgid philosophical books receive tepid reviews and his prestigious New York publisher has dropped him His third marriage is on the rocks and he suspects his handsome and successful younger brother may have seduced his Harvard educated wife He is uneasy with her close relationship with her son a more successful author than he and suspicious of her closeness with their neighbour in Connecticut And in a moment of irrationality he has impulsively tried to kiss a pretty young journalist during an interview that she is about to go public with Is it any wonder Baum has started talking to himself Strangers shake their heads and walk around him on the street Meanwhile he learns a startling secret that could cause havoc should he expose it Should he keep it to himself or reveal it and blow up his marriage What s with Baum is Woody Allen s first novel and it is everything you would expect of him and more A portrait of an intellectual crippled by neurotic concerns about the futility and emptiness

of life an amusing glimpse into the New York publishing establishment above all a highly entertaining tightly plotted beautifully wrought piece of fiction from one of America's greatest and most versatile cinematic and literary talents *The Shape of Sand* Marjorie Eccles, 2005-12-27 Life at Charnley was blessed or at least so it seemed to the Jardine children But one night their dreams of a propitious future suddenly come crashing down when a family scandal catapults them into the headlines Nearly four decades pass and the Second World War is won but still the exact events of that fateful night remain unknown However when builders working on Charnley uncover a shoebox stuffed full of old letters photographs and a diary it finally seems as though some of the answers are within reach The clue to unraveling the affair lies in a voyage to Egypt undertaken by Beatrice eleven years before her disappearance With the help of her old diary Beatrice's three daughters set about uncovering the truth But when the mummified body of a brutally murdered woman is discovered in the ruins of their old home they have a whole new set of questions Beautifully written evoking the life of the Edwardian upper classes bomb scarred post war England and the sultry Egyptian landscape *The Shape of Sand* proclaims the incomparable talent of this great author *The Foundations of Mormonism* William Earl La Rue, 1919 **The National Quarterly Review ...**, 1878
