*Spirituality and Alternativity in Contemporary Japan* Ioannis Gaitanidis, 2022-10-20 This book critically analyses the creation and effects of spirituality as both discourse and practice in Japan It shows how the value of spirituality has been sustained by scholars who have wished for a more civic role for religion by the publishing industry whose exponential growth in the 1980s fashioned those who later identified as the representatives of this new spirituality culture by spiritual therapists who have sought to eke out a livelihood in an increasingly professionalized and regulated therapeutic field and by the cruel optimism of an increasingly precarious workforce placing its hopes in the imagined alternative that the supirichuaru represents Ioannis Gaitanidis offers a new transdisciplinary conceptualisation of alternativity that can be applied across and beyond the disciplines of religious studies media studies popular culture studies and the anthropology sociology of medicine

*A Culture of Conspiracy* Michael Barkun, 2013-08-15 It is well known that some Americans are obsessed with conspiracies Films best selling books and television shows talk about plots by the Illuminati or sightings of black helicopters But American society has changed dramatically since *A Culture of Conspiracy* was first published in 2001 In this revised and expanded edition leading expert Michael Barkun delves deeper into America's conspiracy subculture exploring the rise of 9/11 conspiracy theories the birther controversy surrounding Barack Obama's American citizenship and how the conspiracy landscape has changed with the rise of the Internet and other new media Unraveling the extraordinary genealogies and permutations of these increasingly widespread conspiracies Barkun shows how the web of urban legends has spread among subcultures on the Internet and through mass media how a new style of conspiracy thinking has recently arisen and how this phenomenon relates to larger changes in American culture By looking closely at the manifestations of these ideas in a wide range of literature and source material Barkun finds that America is in the throes of an unrivaled period

of millenarian activity and underscores the importance of understanding why this phenomenon is permeating segments of mainstream American culture Book jacket

**Culture of Conspiracy** Michael Barkun, 2003-11-07 What do UFO believers Christian millennialists and right wing conspiracy theorists have in common According to Michael Barkun in this fascinating yet disturbing book quite a lot It is well known that some Americans are obsessed with conspiracies The Kennedy assassination the Oklahoma City bombing and the 2001 terrorist attacks have all generated elaborate stories of hidden plots What is far less known is the extent to which conspiracist worldviews have recently become linked in strange and unpredictable ways with other fringe notions such as a belief in UFOs Nostradamus and the Illuminati Unraveling the extraordinary genealogies and permutations of these increasingly widespread ideas Barkun shows how this web of urban legends has spread among subcultures on the Internet and through mass media how a new style of conspiracy thinking has recently arisen and how this phenomenon relates to larger changes in American culture This book written by a leading expert on the subject is the most comprehensive and authoritative examination of contemporary American conspiracism to date Barkun discusses a range of material involving inner earth caves government black helicopters alien abductions secret New World Order cabals and much more that few realize exists in our culture Looking closely at the manifestations of these ideas in a wide range of literature and source material from religious and political literature to New Age and UFO publications to popular culture phenomena such as The X Files and to websites radio programs and more Barkun finds that America is in the throes of an unrivaled period of millenarian activity His book underscores the importance of understanding why this phenomenon is now spreading into more mainstream segments of American culture

*Dark Green Religion* Bron Taylor, 2010 A love of green may be a human universal Deepening the palette of green scholarship Bron Taylor proves remarkably to be both an encyclopedist and a visionary Jonathan Benthall author of *Returning to Religion Why a Secular Age is Haunted by Faith* This important book provides insight into how a profound sense of relation to nature offers many in the modern world a vehicle for attaining a spiritual wholeness akin to what has been historically associated with established religion In this sense *Dark Green Religion* offers both understanding and hope for a world struggling for meaning and purpose beyond the isolation of the material here and now Stephen Kellert Yale University School of Forestry and Environmental Studies In this thought provoking volume Bron Taylor explores the seemingly boundless efforts by human beings to understand the nature of life and our place in the universe Examining in depth the ways in which influential philosophers and naturalists have viewed this relationship Taylor contributes to the further development of thought in this critically important area where our depth of understanding will play a critical role in our survival Peter H Raven President Missouri Botanical Garden Carefully researched strongly argued originally conceived and very well executed this book is a vital contribution on a subject of immense religious political and environmental importance It s also a great read Roger S Gottlieb author of *A Greener Faith Religious Environmentalism and our Planet s Future* A fascinating analysis of our

emotional and spiritual relationship to nature Whether you call it dark green religion or something else Bron Taylor takes us through our spiritual relationship with our planet its ecosystems and evolution in an enlightened and completely undogmatic manner Dr Claude Martin Former Director General World Wildlife Fund An excellent collection of guideposts for perplexed students and scholars about the relationships of nature religions spirituality animism pantheism deep ecology Gaia and land ethics and for the environmentalist seeking to make the world a better place through green religion as a social force Fikret Berkes author of Sacred Ecology Traditional Ecological Knowledge and Resource Management Dark Green Religion shows conclusively how nature has inspired a growing religious movement on the planet contesting the long reign of many older faiths Taylor expertly guides us through an astonishing array of thinkers past and present who have embraced in part or whole the new religion I was thoroughly convinced that this movement has indeed become a major force on Earth with great potential consequences for our environmental ethics Donald Worster University of Kansas In this exceptionally interesting and informative book Bron Taylor has harvested the fruits of years of pioneering research in what amounts to a new field in religious studies the study of how religious spiritual themes show up in the work of people concerned about nature in many diverse ways Taylor persuasively argues that appreciation of nature s sacred or spiritual dimension both informs and motivates the work of individuals ranging from radical environmentalists and surfers to eco tourism leaders and museum curators I highly recommend this book for everyone interested learning more about the surprising extent to which religious spiritual influences many of those who work to protect to exhibit or to represent the natural world Michael E Zimmerman Director Center for Humanities and the Arts University of Colorado at Boulder      *Encyclopedia of American Popular Fiction* Geoff Hamilton, Brian Jones, 2015-04-22 Provides information on American authors and their works who have been ignored by most literary guides      **Activating Your 5D Frequency** Judith Corvin-Blackburn, 2020-05-05 A guide to navigating the transition from 3D to 5D and reclaiming the ancient powers of love creativity and unity consciousness lying dormant in our DNA Details what is happening psychologically emotionally and socially with the dimensional shift and provides a vision of life on 5D Earth Offers transformative activations and tools to meet the psycho spiritual demands of this transition including identifying and integrating the shadow self healing emotional wounds and discovering higher frequencies Explains how to navigate the Ascension process especially in terms of handling emotions resistances and fears and how to welcome these new frequencies We are in a time of great transition Higher frequency light is flooding our planet awakening large numbers to reclaim our original nature as fifth dimensional humans As 5D humans we live from our heart s wisdom from Unity Consciousness unconditional love and unbridled creativity 5D humans have highly developed inner senses of empathy telepathy clairvoyance and clairsentience qualities that are opening for many as we go through this dimensional shift While this journey is exciting its demands can be overwhelming In this hands on guide to activating the 5D potential lying dormant in our DNA Judith Corvin Blackburn shows us how to navigate the Ascension process including how to handle emotions

resistances and fears and welcome our 5D frequencies Using the 9 dimensional axis theory first explored by Barbara Hand Clow the author details what is happening psychologically emotionally and socially with the dimensional shift including revealing the denser pain inducing frequency of being a 3D human and the challenges of the 4th dimension She offers transformative activations and tools to explore and master the psycho spiritual demands of this transition including identifying and integrating the shadow self healing emotional wounds that hold us back and discovering higher frequencies and the cellular vibration of unconditional love and Oneness Once we reclaim ourselves as loving conscious creator beings and realize we are part of a global 5D team together we can consciously help co create a New Earth by anchoring the 5D frequency in both our inner and outer worlds
