Secret Soldier's Confession Dennis Barger, 2024-12-11 The story features a female protagonist an international setting a historical hook and puzzle solving escapades Emma and Jordan are married and recent US Naval Academy graduates who live in Annapolis They make a trip to Rocky Mount NC to join the extended Miller family for Emma's grandfather's funeral

Following the funeral during the reading of the will a secret about her grandfather is revealed This secret sets Emma and Jordan on a journey to discover her grandfather s unknown family in Germany They uncover another secret after meeting the family which launches them on an adventure across Europe the Canary Islands and Argentina uncovering lost Nazi treasure and other Nazi secrets They are called upon to assist in thwarting terrorist plans by the new Nazi party Their adventure requires solving multiple clues and codes while encountering several hazards Their journey weaves them through historical events and WWII locations unraveling a mystery that bridges past and present Book Review Just when you thought a work of fiction couldn t possibly provide any new twists in the search for expat Nazis Mr Barger delights us with a tale of suspense terrorism and espionage with nuance entirely fresh in its delivery And to think that this all comes to light because Naval Academy grads Emma and Jordan attend what should have been a simple funeral and reading of a will With backdrops and locales that are worthy of any Bond escapade our two heroes find themselves immersed in an adventure of intrigue while yet enjoying the ambience and culture of those cities where this journey sends them Dana Alioto Author of Hey Nineteen A Memoir of Growing Up in Milwaukee **The Secret Soldier** Jennifer Morey,2008-08-01 The powerful stranger broke down the door and saved Sabine O Clery from the terrorists holding her hostage But her secretive hero was forbidden from revealing his identity Until enemy fire forced them to crash land Of all the covert military missions being stranded on a Greek island with a beautiful woman is one that Cullen McQueen never imagined But their stay in paradise was all too fleeting He had to take Sabine back to America or risk blowing his cover and losing everything he d fought for Yet memories of one passion filled night haunted him and when danger followed Sabine home the stealth soldier knew he would break all the rules to keep her safe forever The Secret Soldier Ann McGovern,1990 Deborah Sampson wanted to travel and have adventures but since she had no money the best way to do that was to join the army This is the exciting true story of a woman who became a soldier during the American Revolutionary War by dressing and acting like a man Secret Soldiers of the Second Army Leslie A. Chapman,2011-04-29 The book starts out picturing a young man who foolishly wants to go to war where he envisions himself receiving all these high class medals for heroism but never once taking into account what it is going to take physically and mentally to get those medals Hes constantly playing a head game within himself and those that surround him He like so many other young men of past eras are trying to be something that theyre not and that small initial lie grows into a tremendous reputation that he has to live with and soon regrets that hes known by such Come walk with the author and his brothers of the sword through the dark humid unforgiving jungles of Vietnam and experience the death destruction and mental sacrificial anguish they had to endure Come see why you fear being alone in the denseness of a jungle or a forest that you have never entered before Feel the heat of the Asian jungle floor intermixed with the leaches ants mosquitoes snakes and humans searching you out only to destroy you at any cost You see our author starts out innocently enough but soon finds out that war is not only a physical hardship demanding its pounds of flesh but also is a horrendous mental agonizing hazard from

which there is only one means of escape and or retreat That means to an end is death Yes the author and his brothers of the sword will take their heroic missions and sacrificial allegiances to the grave with them But the real tragedy of it all is no one really cares about them in the first place For they were and still are the Secret Soldiers of the Second Army willing to go anywhere any time to do the impossible for the ungrateful
