Rediscovering the Hidden World Hamba Wanzola, 2012-11-30 When one has a purpose in life he shall find the means to achieve it and will not lose time to dream It requires determination God is the only who knows the destiny of each individual and we are very grateful to Him for creating me with a black skin and having filled me with His Spirit of truth and judgement to avoid doubt and fear which are the basis of all the troubles This Spirit has lived throughout our research and training in general That life has no draft Our research was painful because it is comparable to the pilgrimage of Jews on their way to the Promised Land The rains that fell on me are similar to the deluge Without realising it the distance I travelled across countries in search of knowledge before writing this book can be compared to a world tour on foot Writing a book is

always the work of many hands and minds besides that of the authors This book is dedicated to the Lord God the Almighty source of all life Special thanks to my lovely wife and children for their amazing contributions to make part of the hidden worlds visible to everyone Thanks to the brothers and sisters in the Lord for their prayers to friends and to the extended family near and far for their valuable contributions to make the hidden worlds possible Special thanks to Hannah Cordle Ray Russell Miles Cole Sam Pochen Wanza Maya and Dr Milwood PhD who have given me valuable suggestions throughout my book In particular thanks to the Kongolese diaspora interviewed and authors for their copyrights To my uncles it is time for me to say a big thank you To my parents with regret Marie Pady and Simon Ngangoma who sowed joy but are not alive to reap the harvest May their souls rest in eternal peace Vibrant tribute to all Kongolese heroes who died and continue to die for the nation in memory of so many years we shared together in Kongo we love and miss them deeply and will carry their spirit with us until the time we meet again

The Secret Life Of Freddie Mills - National Hero, Boxing Champion, SERIAL KILLER Michael Litchfield, 2017-09-07 Seven young women all murdered in the most disgusting manner imaginable Unimaginable in fact a first of its kind and never before explicitly revealed All the victims were prostitutes All were dumped naked after having been stored by their killer as sex toys Some of them were mothers Each was someone's daughter And for more than fifty years the author has lived with the haunting secret that he was once suspected by Scotland Yard of being a serial killer more depraved and dangerous than Jack the Ripper In the killing spree that lasted more than a year the author had a mole deep inside Scotland Yard's Murder Squad similar to Deep Throat from the Watergate scandal who was drip feeding him the step by step ploys to snare the monster who brought terror to the streets of West London Hundreds of policewomen posing as prostitutes flooded the red light districts hoping to be selected by the killer more hopeful though that the back up would swoop to the rescue in time At one point Scotland Yard feared that a prostitute missing for more than a fortnight had become the eighth victim and appealed to the public for help It took the author just eleven hours to track her down and hand her alive and well to the Murder Squad When the killings stopped the most senior member of the Murder Squad claimed that the serial killer had committed suicide and an innocent man was named in a deceitful cover up The author fingers the real serial killer a celebrity and national treasure who died in circumstances arguably even more bizarre than the manner in which he murdered his victims
