(Routledge Revivals) Karen Chase,2014-06-03 How does Victorian fiction represent personality How does it express emotion and how does it imagine the mind These questions stand at the centre of Eros and Psyche first published in 1984 In examining how three authors Charlotte Bront Charles Dickens and George Eliot depict the mind and organise emotion Chase approaches their works as expressive structures and analyses their struggle to accommodate rival imperatives in depicting personality desire and duty guilt and innocence love and autonomy The title begins with Bront s early Angrian tales which introduce the problem that unifies the book the attempt of Victorian fiction to escape the constraints of the romance mode while assimilating its energies There follow readings of The Pickwick Papers Jane Eyre Bleak House and Middlemarch in the light of such problems as confinement and exposure in Bront tragic doubt in Dickens and the image of the moral mind in George Eliot

**Two Tales** Charlotte Brontë,1978 The secret A rollicking adventure from the Bront s imagined kingdom of Verdopolis The Secret is a novel of intrigue duplicity and all conquering love Arthur the Marquis of Douro his beautiful wife Marion and their infant son lead a happy and carefree existence in the city of Verdopolis until a chance encounter brings the youthful Marchioness childhood governess back into their lives The meeting proves to be the catalyst for an increasingly tortuous series of events involving blackmail imposture and shocking revelations regarding the birth of the young Marchioness Will the Marquis ever forgive his wife her secret Charlotte Bronte E F Benson,2019-01-31 It was precisely

and carefully written stating the facts and pulling apart the saintly whitewash Mrs Gaskell and other previous biographers had done to Charlotte s life He does a thorough job of getting at the real Charlotte behind all the myth I m not even sure the author liked Charlotte very much but that didn t stop him depicting her honestly with the facts that he had before him The book ends very abruptly with Charlotte s death The last few chapters seem a bit hurried but on the whole it was a good effort

*The Brontës* Clement King Shorter,1908 **The Child Writer from Austen to Woolf** Christine Alexander,Juliet McMaster,2005-06-16 A collection of essays on the juvenilia of famous authors including Austen the Bront s George Eliot and Virginia Woolf **A Stranger Within the Gates** Kathleen Constable,2000 Kathleen Constable s ambitious work A Stranger Within the Gates investigates fully Bront s Irish heritage and the way in which it is reflected in her literary endeavours

including Jane Eyre and Shirley Constable draws on primary sources to illuminate the relations of Ireland and England then gives a conclusive literary background of the Brontë family An analysis of both Brontë's juvenile and mature pieces reveals the persistence of Irish characters Irish nouns and Irish narrative elements that Constable argues point to Brontë's Irish consciousness The use of mask and theater in Jane Eyre is discussed as an anti colonial construct within the Victorian novel Finally Constable places Jane Eyre in the Big House literary tradition Together the four sections of this work aim to connect otherwise separate and unrelated fields of literary study the Victorian Novel and the Irish experience *Literature* ,1899
