The Olivet Discourse - The Mystery Revealed Thomas C. Nixon, 2003-06-10 This book came from experiences I have gone through in my Christian walk I became a Christian in 1993 and soon enough I came to know that if I were to enjoy my Christian life I had to renew my mind with the Word of God I also came to realize that the environment that I grew up in and the developed mind set over the years were directing how I related to God and His Word To a larger extent this was always in conflict with the Word of God I would get frustrated when my prayers were not answered how and when I wanted them to I would begin to ask myself questions such as Is God punishing me for something Did God really hear my prayers How did so and so receive what I have been asking for months But as I continued to study and mature in the Word of God things became clearer Sometimes a believer will struggle with questions but fear to ask them fearing being judged or presuming they are of little or no faith Throughout my ministry I have dedicated myself to encouraging people to overcome their fears in order to reach their God given potential I believe that all of us are capable of living a full life but misinterpretation of what is a full life creates frustration This book is a compass to the person who is trying to figure out where their Christian life is and where it is heading I present truths in this book in a simple and understandable language without diluting the intended message I am currently the founding Pastor at God Our Rock International Church in Toronto Ontario Canada      End Times and the
