Egyptomania Ronald H. Fritze, 2021-02-04 Egyptomania takes us on a historical journey to unearth the Egypt of the imagination a land of strange gods mysterious magic secret knowledge monumental pyramids enigmatic sphinxes and immense wealth Egypt has always exerted a powerful attraction on the Western mind and an array of figures have been drawn to the idea of Egypt Even the practical minded Napoleon dreamed of Egyptian glory and helped open the antique land to explorers Ronald H Fritze goes beyond art and architecture to reveal Egyptomania s impact on religion philosophy historical study literature travel science and popular culture All those who remain captivated by the ongoing phenomenon of Egyptomania will revel in the mysteries uncovered in this book **Brahman→E = MC2 (Science and the Mystical Secrets of the Universe)** James Wallace, 2022-07-22 Our century the 20th will complete the two thousandth year after Christ s appearance Many students of mysticism and the occult believe that the last years of this century will complete another world cycle in the development of man Nostradamus was one among many who prophesied a global catastrophe in the year 1999 Certainly the growth in scientific knowledge over the last 100 years and the ever increasing pace at which new discoveries are being made gives one the impression that mankind is trying to catch up on lost time Physics in particular has undergone some revolutionary changes Newtonian concepts and ideas though still valid in general terms have been superimposed by what is today popularly known as the New Physics We are now literally looking into the heart of matter

which despite its solidity is nevertheless recognised as energy that has developed substance on the wings of speed In fact so closely are velocity and mass interlinked that in many experiments it is impossible to distinguish one from the other Faced with this dilemma even our scientists have begun to philosophize New theories and concepts that appear bizarre when first encountered by the non scientist are constantly being brandished in scientific circles every one of them being supported by algebraic equations Machines which are four miles long have been constructed to study the behaviours of these tiny subatomic pellets of energy And it has been found that they are the product of a mysterious void appearing from and disappearing into nowhere Further all subatomic particles appear to be born with a death wish No sooner are they created they disintegrate into other more stable particles as if they were born with the desire to sacrifice themselves for the continued propagation of our material reality

**Exploring the Unknown** C. J. Cazeau,2012-12-06 The purpose of this book is to explore some of those great mysteries of the earth that have captured the popular imagination and especially those having their roots in our specialties of archaeology and geology The average reader probably is unfamiliar with the earth sciences or the archaeological history of man Nor does the average reader have the time and literary resources to verify all he or she reads Our aim is to lend a helping hand by examining the evidence that surrounds such mysteries as the legend of Atlantis and the ruins of Stonehenge and as logically as we can sift truth from falsehood and exaggeration Early man found himself in a world of unimaginable mysteries meteors streaking across a star studded sky the darkness beyond the campfire s glow the sound and fury of a volcano s eruption Our earliest ancestors were probably mysteries to themselves and totally susceptible to the subjectivity of their world Fantasies may have been as much a formative influence as toolmaking in the early development of culture As human beings gathered knowledge and understanding of their surroundings old mysteries vanished only to be replaced by others because so much was not understood

**Implosion!!!** Melvia F. Miller,2005-11-13

THE SPIRITUAL DREAM One day in the 21st Century God went unto Noah who was living in the U S in Harlem NY and said Again the earth has become wicked Build another Ark and save 2 of every living thing and a few good humans He gave Noah instructions You have 6 months to build it before I start the storms Six months later God looked down and saw Noah weeping in his yard but no Ark Noah He roared Where is the Ark Forgive me God begged Noah but I needed a building permit I ve been arguing with the code inspector I know you want decent humans so I tried to test for those who are reasonably healthy This will take a long time because most are filled with drugs of one kind or another And if all that is not enough the Dept of Homeland Security has me under investigation for plotting to kidnap citizens And you may have heard about the pathetic way FEMA handled the folks in the Super Dome after a hurricane FEMA won t let me do any type of rescuing So forgive me Great One but it would take at least 10 years for me to finish this Ark Suddenly a rainbow stretched across the sky Noah looked up in wonder and asked You re not going to destroy the world No said God This is a new situation red tape beat me to the punch Renewal may require a more ancient solution

The Secret Temple Peter Levenda,2020-08-15 This is a unique history of

Masonry written from the perspective of an educated outsider The author is sympathetic to Masonic goals a historian of secret societies and political conspiracies and an exhaustive researcher He looks back to the earliest roots of the Craft and then traces its influence into modern times From the Bible s Temple of Solomon through the Knights Templars to the Rosicrucians and Illuminati we learn of Masonry s roots and early history Enlightenment philosophy and the revolutionary currents of eighteenth century Europe opened an opportunity for the American experiment Sacred geometry and architecture combined to create Washington DC and the rest as they say is history This second revised and enlarged edition includes a new chapter on Freemasonry in South America from the revolution of Sim n Bol var to the capture and execution of Che Guevara

*Gods of Eden* Andrew Collins, 2002-04-01 A groundbreaking historical documentation of the secret history of pre Pharonic Egypt and the race of angels that built it By the author of *From the Ashes of Angels and Gateway to Atlantis* more than 30 000 copies sold in the United Kingdom Unlocks the secrets of how the Great Pyramids and the Sphinx were built Explains the traces left by the race of Elder gods that founded ancient Egypt through ancient texts of the Hall of Records Proves the foundations of ancient astronomy 10 000 years ago Hidden deep below Egypt s Giza plateau is perhaps the key to unlocking the mysteries of the Great Pyramid one of the seven wonders of the world Built using a technology unequaled even today the ancient Egyptians claimed they inherited their advanced culture from a race of Elder gods who lived during a previous age known as Zep Tepi the First Time In his earlier companion book *From the Ashes of Angels* renowned historical writer Andrew Collins provided historical and scientific evidence showing how these Elder gods who were the flesh and blood members of a race of fallen angels founded ancient Egypt Now in *Gods of Eden* he describes the remarkable achievements of their culture Assembling clues from archaeology mythology and religion Collins shows us how this great society mastered acoustic technology and employed the use of sound to raise heavy objects into the air and pierce holes through solid rock It was with this technology that they were able to construct gigantic structures that have marveled adventurers and archaeologists worldwide With findings based on more than 20 years of research and scholarship Collins reveals the fascinating historical destiny of this culture of fallen angels and the imprints and legacies they left behind at the genesis of civilization

*Secret Knowledge: Exploring the Boundaries of the Possible* J. Douglas Kenyon, Considered by many to be the magazine of record for ancient mysteries unexplained anomalies and future science *Atlantis Rising* provides some of the most astounding reading to be found anywhere Editor J Douglas Kenyon has culled from the pages of *Atlantis Rising* magazine this collection of 36 concise and well illustrated articles by world class researchers and authors such as Andrew Collins Philip Coppens William Henry Frank Joseph Robert M Schoch and many others who offer thought provoking insights on a variety of

topics that challenge conventional wisdom In these pages the latest discoveries and theories on the controversial subjects are explored and even more provocative questions are raised What emerges is a fascinating case in support of a much greater antiquity for civilization a well reasoned argument for the existence of advanced technologies in prehistory and the revelation of secret forces that have been at work throughout time and are still present today     The Secret Geometry of the Dollar Ken McGrath,2002-12-12 This book is intended as research It has been written so the average reader will be able to see the fascinating patterns of symbolic mathematics and geometry hidden in the design of the dollar bill Much of its esoteric symbolism will be shown and analyzed from history of the long train of tradition that led up to the dollars present design Although some of these ideas easily lead to wide ranging philosophical speculation and I reserve the right to drag out the soapbox occasionally I will none the less try to maintain a neutral or scientific approach to these topics Most of this story has been written in the first person like a letter to the reader like a notebook In order that the reasoning that led me to these discoveries might be more easily understood I have tried to show my slow progress and mistakes more or less as they happened and the gradual development of my thinking as I went along But to all of this I will add some hindsight and a certain amount of convenient arrangement of the order of some of the discoveries for clarity Without this most of my starting points of investigation and conclusions will not be understandable and many of my earlier dubious paths can be left unsaid Since this curious and strange design is not yet completely known or fully analyzed this investigation is by no means finished and should be an invitation for more adventurous readers to make their own discoveries This study is a much larger task than it would appear at first glance This writing will provide many of the mathematical keys and clues to enable readers to start to investigate on their own or to demonstrate to themselves the validity of those things shown here But these are hidden symbols both philosophical and mathematical and as such need to be puzzled out     *A Key to the Secret Vault* Robert Wilson Murphy,1890     The Tet Effect Jake Blood,2005 This book examines intelligence s role in shaping America s perception of the Vietnam war and looks closely at the intelligence leadership and decision process in Vietnam     *Mind & Society Fads* Frank W.
