Inc., 2017-10-20 2011 Updated Reprint Updated Annually US Secret Service Handbook The Secret Service Philip H. Melanson, 2005-09-21 This new edition of the definitive history of the Secret Service lays bare the 2004 Bush campaign s political uses of the agency and the new challenges it faces as a branch of the Homeland Security Department in a post 9 11 world Acclaimed scholar of political violence and governmental secrecy Philip Melanson explores the long hidden workings of the Secret Service since its inception in 1865 and through rigorous research and extensive interviews with former White House staffers and retired agents uncovers startling facts about the Agency s role in such traumatic national events as the assassination of JFK and the shooting of President Reagan Included too are revelations about presidential demands on the agency the problems of alcoholism divorce and burnout among agents and the Service s inexplicable failure to develop profiles of potential assassins Up to date and explosive this book assails the public image of the Secret Service as a highly professional apolitical organization exposing the often detrimental influence that politics exerts on the Agency

Who's Who in the Secret Service Vincent Palamara, 2018-08-22 America s oldest law enforcement agency the United States Secret Service has never been exposed like this before The Secret Service has made many headlines through the decades especially in the last five years This book presents a thorough look at more than 100 of the most famous infamous and interesting agents who have protected presidents from William McKinley to John F Kennedy to President Trump and everyone in between Students of history will find much to contemplate in this revealing entertaining and sometimes disturbing book Readers will never look at the men who guard the president the same way ever again *Not-So-Secret Service* Vincent Palamara, 2017-04-21 While there haven t been many Secret Service related books about U S presidents the ones still in print and even those long out of print are often sanitized memoirs of a politically correct nature or tell all tabloid historical junk meant merely for entertainment purposes The Not So Secret Service provides the facts with the bark off so to speak and reveals politically

incorrect information of a decidedly unsafe nature It may be controversial and against the grain but this book is heavily documented and timely as the Secret Service guards our political candidates foreign dignitaries and of course the President the first family and the ex presidents and their families **The Hidden White House** Robert Klara,2013-10-22 The little known story of the White House s gutting and renovation during the Truman presidency Delightful and informative plenty of entertaining drama Publishers Weekly In 1948 President Harry Truman enjoying a bath on the White House s second floor almost plunged through the ceiling of the Blue Room into a tea party for the Daughters of the American Revolution A handpicked team of the country s top architects conducted a secret inspection of the troubled mansion and after discovering it was in imminent danger of collapse insisted that the First Family be evicted immediately What followed would be the most historically significant and politically complex home improvement job in American history While the Trumans camped across the street at Blair House Congress debated whether to bulldoze the White House completely and the Soviets exploded their first atomic bomb starting the Cold War Robert Klara reveals what has until now been little understood about this episode America s most famous historic home was basically demolished giving birth to today s White House Leaving only the mansion s facade untouched workmen gutted everything within replacing it with a steel frame and a complex labyrinth deep below ground that soon came to include a top secret nuclear fallout shelter The story of Truman s rebuilding of the White House is a snapshot of postwar America and its first Cold War leader undertaking a job that changed the centerpiece of the country s national heritage The job was by no means perfect but it was remarkable and until now all but forgotten Includes photographs Captivating From bathtubs to bomb shelters Klara leaves no piece of crumbling sandstone unturned and is as astute a storyteller as he is a dogged researcher Denise Kiernan New York Times bestselling author of *The Last Castle*

The First Family Mike Dash,2011-06-09 Before Al Capone and Lucky Luciano there was the one fingered cunning Giuseppe Morello and his murderous coterie of brothers Had it not been for Morello the world may never have heard of men of honour the code of omerta or Mafia wars This explosive book tells the story of the first family of New York and how this extended close knit clan of racketeers and murderers left the backwaters of Sicily to successfully establish themselves as the founding godfathers of the New World First Family will explain in thrilling characterful detail how the American Mafia established itself so successfully Combining strong narrative and raw violence set against the raucous bustle of early twentieth century New York and the impoverished rural life of nineteenth century Sicily this impeccably researched groundbreaking study of a crucial period of American history is a compelling portrait of the early years of organised crime

Bride Susanne Dietze,2020-02-01 A Blizzard Changes Everything Abigail Bracey arrives in Nebraska in January 1888 to teach school and to execute a task for the government to identify a student as the hidden son of a murderous counterfeiter the man who killed her father Agent Dashiell Lassiter doesn't want his childhood sweetheart Abby on this dangerous job especially when he learns the counterfeiter is now searching for his son too and he'll destroy anyone in his way Now Dash must follow Abby to Nebraska to protect her if she'll let him within two feet of her She's still angry he didn't fight to marry her six years ago and he never told her the real reason he left her All Dash wants is to protect Abby but when a horrifying blizzard sweeps over them can Abby and Dash set aside the pain from their pasts and work together to catch a counterfeiter and protect his son if they survive the storm Join the adventure as the Daughters of the Mayflower series continues with The Blizzard Bride by Susanne Dietze More in the Daughters of the Mayflower series The Mayflower Bride by Kimberley Woodhouse set 1620 Atlantic Ocean February 2018 The Pirate Bride by Kathleen Y Barbo set 1725 New Orleans April 2018 The Captured Bride by Michelle Griep set 1760 during the French and Indian War June 2018 The Patriot Bride by Kimberley Woodhouse set 1774 Philadelphia August 2018 The Cumberland Bride by Shannon McNear set 1794 on the Wilderness Road October 2018 The Liberty Bride by MaryLu Tyndall set 1814 Baltimore December 2018 The Alamo Bride by Kathleen Y Barbo set 1836 Texas February 2019 The Golden Bride by Kimberley Woodhouse set 1849 San Francisco April 2019 The Express Bride by Kimberley Woodhouse set 1860 Utah July 2019 The Rebel Bride by Shannon McNear set 1863 Tennessee December 2019 **Coxey's Crusade for Jobs** Jerry Prout,2016-05-15 In the depths of a depression in 1894 a highly successful Gilded

Age businessman named Jacob Coxey led a group of jobless men on a march from his hometown of Massillon Ohio to the steps of the nation's Capitol Though a financial panic and the resulting widespread business failures caused millions of Americans to be without work at the time the word unemployment was rarely used and generally misunderstood In an era that worshipped the self-reliant individual who triumphed in a laissez faire market the out of work tramp was disparaged as weak or flawed and undeserving of assistance Private charities were unable to meet the needs of the jobless and only a few communities experimented with public works programs Despite these limitations Coxey conceived a plan to put millions back to work building a nationwide system of roads and drew attention to his idea with the march to Washington In Coxey's Crusade for Jobs Jerry Prout recounts Coxey's story and adds depth and context by focusing on the reporters who were embedded in the march Their fascinating depictions of life on the road occupied the headlines and front pages of America's newspapers for more than a month turning the spectacle into a serialized drama These accounts humanized the idea of unemployment and helped Americans realize that in a new industrial economy unemployment was not going away and the

unemployed deserved attention This unique study will appeal to scholars and students interested in the Gilded Age and US and labor history *The Eagle Has Eyes* José Angel Gutiérrez,2019-03-01 This book is the first of its kind to bring transparency to the FBI s attempts to destroy the incipient Chicano Movement of the 1960s While the activities of the deep state are current research topics this has not always been the case The role of the U S government in suppressing marginalized racial and ethnic minorities began to be documented with the advent of the Freedom of Information Act and most recently by disclosures of whistle blowers This book utilizes declassified files from the FBI to investigate the agency s role in thwarting Cesar E Chavez s efforts to build a labor union for farm workers and documents the roles of the FBI California state police and local police in assisting those who opposed Chavez Ultimately *The Eagle Has Eyes* is a must read for academics and activists alike *Broke* Glenn Beck,Kevin Balfe,2012-08-28 Briefly surveys more than two centuries of American political history to describe how the country has been broken spiritually politically and financially and advocates a return to core values to restore America s economic and spiritual health **Plotting to Kill the President** Mel Ayton,2017-02-01 A history of plotters would be assassins and individuals who have threatened the lives of American presidents from Washington to Hoover and the story of the guards agents and officers who protected them Grover Cleveland's Rubber Jaw and Other Unusual, Unexpected, Unbelievable but All-True Facts About America's Presidents Stephen Spignesi,2012-05-01 From George Washington to Barack Obama this collection of weird and wild but true facts will show you a whole other side of our nation s leaders Andrew Jackson was married to a bigamist Martin Van Buren wore pistols in the Senate chamber in case things got too rowdy Franklin Pierce ran over a woman with his horse while in office and was arrested but was released when the police realized he was the president James Garfield could simultaneously write Greek with one hand and Latin with the other Dwight D Eisenhower s nickname for his staff driver was Private Parts Barack Obama can bench press 200 pounds **The Underground Railroad** Mary Ellen Snodgrass,2015-03-26 Provides a look at the network known as the Underground Railroad that mysterious system of individuals and organizations that helped slaves escape the American South to freedom during the years before the Civil War This work also explores the people places writings laws and organizations that made this network possible **From an Office Building with a High-Powered Rifle** Don Adams,Harrison E. Livingstone,2012-06-01 The personal and professional story of a former FBI agent this is the journey Don Adams has taken over the past 50 years that has connected him to the assassination of the 35th president of the United States On November 13 1963 Adams was given a priority assignment to investigate Joseph Milteer a man who had made threats to assassinate the president Two weeks later John F Kennedy was dead and Agent Adams was instructed to locate and question Milteer Adams however was only allowed to ask the suspect five specific questions before being told to release him He was puzzled by the bizarre orders but thought nothing more of it until years later when he read a report that stated that not only had Joseph Milteer made threats against the president but also that he claimed Kennedy would be killed from an

office building with a high powered rifle Since that time Adams has compiled evidence and research from every avenue available to him including his experiences in Georgia and Dallas FBI offices to produce this compelling investigation that may just raise more questions than answers The Kennedy Assassination Tapes Max Holland,2004-09-14 A major work of documentary history the brilliantly edited and annotated transcripts most of them never before published of the presidential conversations of Lyndon B Johnson regarding the Kennedy assassination and its aftermath The transition from John F Kennedy to Johnson was arguably the most wrenching and ultimately one of the most bitter in the nation s history As Johnson himself said later I took the oath I became president But for millions of Americans I was still illegitimate a naked man with no presidential covering a pretender to the throne The whole thing was almost unbearable In this book Max Holland a leading authority on the assassination and longtime Washington journalist presents the momentous telephone calls President Johnson made and received as he sought to stabilize the country and keep the government functioning in the wake of November 22 1963 The transcripts begin on the day of the assassination and reveal the often chaotic activity behind the scenes as a nation in shock struggled to come to terms with the momentous events The transcripts illuminate Johnson s relationship with Robert F Kennedy which flared instantly into animosity the genuine warmth of his dealings with Jacqueline Kennedy his contact with the FBI and CIA directors and the advice he sought from friends and mentors as he wrestled with the painful transition We eavesdrop on all the conversations including those with leading journalists that persuaded Johnson to abandon his initial plan to let Texas authorities investigate the assassination Instead we observe how he abruptly established a federal commission headed by a very reluctant chief justice of the Supreme Court Earl Warren We also learn how Johnson cajoled and drafted other prominent men among them Senator Richard Russell who detested Warren Allen Dulles John McCloy and Gerald Ford into serving We see a sudden president under unimaginable pressure contending with media frenzy and speculation on a worldwide scale We witness the flow of inaccurate information some of it from J Edgar Hoover amid rumors and theories about foreign involvement And we glimpse Johnson addressing the mounting criticism of the Warren Commission after it released its still controversial report in September 1964 The conversations rendered here are nearly verbatim and have never been explained so thoroughly No passages have been deleted except when they veered from the subject Brought together with Holland s commentaries they make riveting hugely revelatory reading *Honest Answers about the Murder of President John F. Kennedy* Vincent Michael Palamara,2021-03-19 Thousands of books and articles have been written about the murder of JFK many of which are large in volume and short on facts Quite often these works try to reinvent the wheel attempting to cover every single area of the assassination as well as many tangential and unessential points as well The reader is often left exhausted and confused The sheer volume of pages conflicting facts and theories leaves one unsatisfied and quite frankly not sure exactly what did happen on 11 22 63 This book seeks to separate the wheat from the chaff It is 55 plus years later it is time for real honest answers in an easy to read and understand format Proof of a conspiracy no theories

to the point a perspective on the assassination for the millennial age and beyond Based on years decades of primary source research and having read countless books on the subject
