Systematic theology Nathanael Emmons,1842 **The Million Boxes Of A Heart** Lunga Phewa,2013-08 Life has proven to show that we are born explorers We re always searching trying to discover for ourselves who we really are The Million Boxes of a Heart is a journey starting from the outside from how we appear to the inside of ourselves to who we really are It is a walk toward finding inner peace and freedom from the many memories we have forced ourselves into forgetting and memories that still haunts us today The Million Boxes of a Heart is a set of internal compartments that exposes our weaknesses pardon our wrongs and grants us everlasting salvation **Engaging with Heaven** Geoff Daplyn,2014-06-26 HEAVEN WANTS to engage directly with you Are you actively engaging with Heaven and allowing Heaven to engage with you Many are so busy with personal family and church agendas that engaging directly with Heaven is altogether foreign As a believer you are Heaven s conduit to earth The Father s kingdom is to be manifested through you but unless you engage with Him how are you to know what He wants of you Jesus only did what He saw the Father doing ENGAGING WITH HEAVEN will help you understand why you can It will also outline how you can take the initiative to engage with Heaven and how Heaven

takes the initiative to engage with you It will open up new possibilities for living a life pregnant with the kingdom the power and the glory of Heaven Heaven is waiting www.yourkingdomcome.org This book could well be in your hands at an opportune time a time when there could be a significant impact MARTIN SCOTT [A Dictionary of the English Language](#) Samuel Johnson,1805 [Wisdom Hidden in a Mystery](#) Bertha L. Hicks-Drake,2011-05-01 In this devoutly Christian book Bertha L Hicks Drake tells the story of a woman who has been overlooked in the Bible Described in Revelation 12 as appearing in heaven with a male child this woman is no longer the enigma that has endured for hundreds of years The woman s identity and standing in the Bible completes the story of Jesus Christ Through the woman s narrative highlighted in [Wisdom Hidden in a Mystery](#) we learn how and why Jesus was chosen as the one to be the Son of God The book reveals Jesus identity before He was given this assignment and describes the beginning of the relationship that Jesus had with God Deeply spiritual and powerfully moving [Wisdom Hidden in a Mystery](#) will inform and strengthen the reader s faith **Connie'S Message—Smile!** Jack B. Blount,2018-05-03 I wrote this book for two reasons both of which are tightly intertwined First is the fact that my daughter Connie and I discussed writing this book together while she was a freshman at the University of Kentucky After her death I needed to accomplish that goal we had set together to share our faith in God with others who were not fortunate to have been brought up in a Christian home Second is the fact that I know Satan was controlling the drunk driver who was responsible for Connie's death Therefore I want to honor God by sharing my faith that Connie is in heaven Satan took Connie's life in this world but God gave Connie eternal life in heaven Through faith in Jesus Christ we will someday be in heaven together again The Bible is the most published book in the world by far at over nine billion copies Yet I acknowledge that the Bible is not the easiest place for someone new to Christian theology to begin a journey with God in our modern science dominated politically correct culture Therefore I have captured a lifetime of study and discussions about the Bible and shared it with you in this book in the hopes it will make you aware of what God offers everyone *The Ultimate Treasure: Cultivating a Deep-Seated and Ever-Present Hunger for God* Felix Bamirin,2018-06-30 The system of the world is deliberately set up to retard the genuine life of faith and sincere love for God an extremely difficult or utterly impossible adventure An undying passion and hunger for God must be deliberately cultivated in order to be able to withstand the onslaught of the enemy of our souls He is a prince of the power of the air that makes the world system so hostile to genuine faith Learn how not to become a victims of the deceitfulness of sin and the enticing pleasures of this present world Learn how to consciously deepen your desires for the Ultimate Treasure which is the treasure of the Kingdom of God peace joy power and the presence of God Your appetite for the things of God will increase so that nothing will be able to assuage your thirsts or satisfy your hunger until you have been filled with all the fullness of God God and all He offers will be your new ultimate and the desire for all others will now be where they belong secondary **Seerstone** Joe Fasbinder,2018-05-30 *Seerstone* is a thoroughly researched tension wrought tale of greed and how it dazzles and threatens sometimes using the

most arcane and unearthly means to conquer a man and his family and to wring seemingly impossible changes potentially enormous changes in the life of Dayer Preston who with his wife has always striven to work toward the light as they understand it The story takes place at the dawn of the nineteenth century in Williker Township a cold and dying place in western New York State at a time when it seemed that there was no magic strong enough to make things right to bring forth abundance from an earth that withheld its bounty despite mans best efforts Despite the magic that stirred the spirits of heaven and earth It is a strange and unearthly time It was an era in which an average everyday person knew that if you put a few hairs in a glass of water they would turn into worms overnight and that to assure prosperity lamens scrawled with magic words would be placed behind the mantel The line between magic and reality was blurred and so the arrival of a ritual magician at your door on an early spring night wasnt much to be noticed not even when he began to bring a struggling farm family closer and closer to the line between objective reality and a world ruled over by magic words scrawled on a page It is a tale of mystery How much can the magician Walters bring forth How much of what he says are lies And how much of what he possesses can bring forth bounty and potential wealth from an unforgiving earth How much is simply evil And can it be controlled And why is Dayer Preston so necessary to the grandest of all the magic rituals that awaits them
