## Secrets Of A Perfect Night:

**Secrets of a Perfect Night** Stephanie Laurens, Victoria Alexander, Rachel Gibson, 2000 Once upon a time three young women each attended a New Year's Eve ball. The moon shone brightly, music filled the air, kisses were stolen and promises made. But what happens when morning comes? Stephanie Laurens: A new year brings new scandal when a rake awakens in the bed of the flame-haired temptress who had seduced him years before. All of society has them bedded, but can he convince her to become wedded? Victoria Alexander: When their midnight elopement is foiled, a handsome young earl and his dazzling debutante swear to love each other forever, no matter what. Now it's midnight once again: can their love be rekindled with one perfect kiss? Rachel Gibson: She's attending her high school reunion as a newly formed ravishing beauty; he's now sexy, successful, and determined to give her her come-uppance. What will happen when the clock strikes twelve? **The Lady's Command** Stephanie Laurens, 2015-12-29 Marrying the seemingly delicate Lady Edwina Delbraith Declan Frobisher discovers that his new bride is unconventional and strong-willed. After she accompanies him on a secret mission that leads them to unexpected enemies and love. *Beyond Seduction* Stephanie Laurens, 2009-03-17 In a moment of recklessness Gervase Tregarth, 6th Earl of Crowhurst swears he'll marry the next eligible lady to cross his path. Cloistered at his ancestral castle in Cornwall with nary a suitable woman for miles, he never expects he'll have to fulfill his pledge at least not until the London Season begins. But then he meets his neighbor, the very appealing Madeline Gascoigne. Years of secret service to the Crown have taught Gervase the value of always having a loophole: there will be no wedding if he and Madeline are incompatible in any way. So he sets out to prove that they would make a most dreadful match by luring her into his arms and ultimately his bed. From their very first kiss, Gervase discovers that the headstrong and independent Madeline is no meek country miss and that the fire between them will burn long beyond that first seduction. **The Perfect Lover** Stephanie Laurens, 2009-10-13 Never let it be said that a Cynster male can't face up to the one unassailable truth: A successful marriage gives life its fullest meaning. To all of English society, Simon Frederick Cynster has a perfect life: one of enormous wealth and impeccable social status. His lean handsomeness turns the heads of naive debutantes, while his sensual allure ensures he never lacks for more sophisticated partners for a night or more of pleasure. Yet despite all of this, Simon knows that there is something, or rather someone, missing in his life. To achieve true contentment, Simon must find a lady accomplished enough to be his wife, someone who will spend her days as a member of one of England's most influential families and her nights pursuing duties of a more private and personal nature. But Simon knows what to expect if he reveals his intention to choose a bride: nothing could be more tiresome than having every blushing miss on the marriage mart thrust upon him. So he discreetly begins his search at a house party at Glossup Hall and is astonished that the lady who immediately captures his interest is Portia Ashford. Simon has never considered Portia as a potential wife. He's known the raven-haired beauty since childhood; she's willfully independent and has always claimed to be uninterested in marriage. But an unexpectedly heated kiss abruptly

alters the rules of their decade long interaction Soon they begin to long for the moments they can spend in each other s arms But all is not as it seems at Glossup Hall As Simon and Portia begin to explore the depths of their mutual passion a shocking murder is committed and it appears that the next victim will be Portia herself And even more shocking than the fact that a murderer secretly walks among them is the realization that all of Simon s considerable strength and influence may not be enough to protect Portia his once and always perfect lover

*Devil's Bride* Stephanie Laurens,2009-03-17 When Devil the most infamous member of the Cynster family is caught in a compromising position with plucky governess Honoria Wetherby he astonishes the entire town by offering his hand in marriage No one dreamed this scandalous rake would ever take a bride And as society mamas swooned at the loss of England s most eligible bachelor Devil s infamous Cynster cousins began to place wagers on the wedding date But Honoria wasn t about to bend society s demands and marry a man just because they d been found together virtually unchaperoned No she craved adventure and while solving the murder of a young Cynster cousin fit the bill for a while she decided that once the crime was solved she d go off to see the world But the scalding heat of her unsated desire for Devil soon had Honoria craving a very different sort of excitement Could her passion for Devil cause her to embrace the enchanting peril of a lifelong adventure of the heart

**A Family Of His Own**

Stephanie Laurens, 2024-03-14

1 New York Times bestselling author Stephanie Laurens returns to the quintessential question of what family means to a Cynster in this tale of the last unmarried member of the Cynster Next Generation and the final mission that opens his eyes. Toby Cynster is not amused when informed that his new mission is to be his last in the shadowy service of Drake Marquess of Winchelsea. Courtesy of Toby being the last unmarried Cynster of his generation and the consequent martial obsession of his female relatives, he will be given no more excuses to avoid society and instead expected to devote himself to finding a suitable bride. But Toby sees no point in marrying; thanks to his siblings, he has plenty of nephews and nieces with whom to play favorite uncle, and he has no thoughts of establishing a family of his own. But then the mission takes an unexpected turn, leaving Toby to escort the irritatingly fascinating Diana Locke plus the three young children of a dying Englishman from Vienna to England. Diana is no more enthused about their journey than Toby, but needs must and, forever practical, she bows to events and makes the best of things for her godchildren's sakes. She's determined to see them to safety in England and does her best to ignore her nonsensical and annoying awareness of Toby. But then their journey becomes a flight from deadly pursuit, and their most effective disguise is to pass themselves off as a family, the sort of family Toby had been certain he would never want. Through a succession of fraught adventures, Toby, Diana, and the children lean on each other and grow and mature while furthering their ultimate aim of reaching England safely, and along the way, Toby and Diana both learn what having a family actually means to them individually and together, and each discovers the until-then-missing foundation stone of their future lives. A classic historical adventure romance that sprawls across Europe to end in the leafy depths of the English countryside. A Cynster Next Generation novel. A full-length historical romance of 108,000 words.
