Lord Of The Nutcracker Men:

Lord of the Nutcracker Men Iain Lawrence, 2003 It's 1914 and Johnny plays at war with nutcracker soldiers his father sends to him from the battlefields in France Can he control his father's fate and the war itself Cf Our choice 2003 **British Children's Literature and the First World War** David Budgen, 2018-05-17 Perceptions of the Great War have changed significantly since its outbreak and children's authors have continually attempted to engage with those changes explaining and interpreting the events of 1914-18 for young readers British Children's Literature and the First World War examines the role novels textbooks and story papers have played in shaping and reflecting understandings of the conflict throughout the 20th century David Budgen focuses on representations of the conflict since its onset in 1914 ending with the centenary commemorations of 2014 From the works of Percy F Westerman and Angela Brazil to more recent tales by Michael Morpurgo and Pat Mills Budgen traces developments of understanding and raises important questions about the presentation of history to the young He considers such issues as the motivations of children's authors and whether modern children's books about the past are necessarily more accurate than those written by their forebears Why for example do modern writers tend to ignore the global aspects of the First World War Did detailed narratives of battles written during the war really convey the truth of the conflict Most importantly he considers whether works aimed at children can ever achieve anything more than a partial and skewed response to such complex and tumultuous events Only Remembered Michael Morpurgo, 2014-07-03 Published to mark the centenary of the outbreak of the First World War this beautiful anthology collects favourite extracts poems and images from some of the UK's leading cultural political and literary figures Poems short stories personal letters newspaper articles scripts photographs and paintings are just some of the elements of this astonishing collection with cover and artwork by renowned illustrator Ian Beck Among the many contributors are Her Royal Highness the Duchess of Cornwall Sir Andrew Motion Miranda Hart Dame Jacqueline Wilson Anthony Horowitz Eoin Colfer Antony Beevor Emma Thompson David Almond Dr Rowan Williams Richard Curtis Joanna Lumley Raymond Briggs Shami Chakrabarti and Sir Tony Robinson Royalties from the publication will be split between the Royal British Legion and projects for soldiers children and families at SSAFA **Ghost Boy** Iain Lawrence, 2002-03-12 Harold Kline is an albino an outcast Folks stare and taunt calling him Ghost Boy It's been that way for all of his 14 years So when the circus comes to town Harold runs off to join it Full of colorful performers the circus seems like the answer to Harold's loneliness He's eager to meet the Cannibal King a sideshow attraction who's an albino too He's touched that Princess Minikin and the Fossil Man two other sideshow curiosities embrace him like a son He's in love with Flip the pretty and beguiling horse trainer and awed by the all-knowing Gypsy Magda Most of all Harold is proud of training the elephants and of earning respect and a sense of normalcy Even at the circus though two groups exist the freaks and everyone else Harold straddles both groups But fitting in comes at a price and Harold must recognize the truth beneath what seems apparent before he can find a place to call home **Secret Heart** David

Wilson,2011-06-15 This study is concerned with how readers are positioned to interpret the past in historical fiction for children and young adults Looking at literature published within the last thirty to forty years Wilson identifies and explores a prevalent trend for re visioning and rewriting the past according to modern social and political ideological assumptions Fiction within this genre while concerned with the past at the level of content is additionally concerned with present views of that historical past because of the future to which it is moving Specific areas of discussion include the identification of a new sub genre Living history fiction stories of Joan of Arc historical fiction featuring agentic females the very popular Scholastic Press historical journal series fictions of war and historical fiction featuring multicultural discourses Wilson observes specific traits in historical fiction written for children most notably how the notion of positive progress into the future is nuanced

differently in this literature in which the concept of progress from the past is inextricably linked to the protagonist's potential for agency and the realization of subjectivity. The genre consistently manifests a concern with identity construction that in turn informs and influences how a metanarrative of positive progress is played out. This book engages in a discussion of the functionality of the past within the genre and offers an interpretative frame for the sifting out of the present from the past in historical fiction for young readers. **Boys and Girls in No Man's Land** Susan Fisher, Susan R. Fisher, 2011-01-01

Drawing on educational materials, textbooks, adventure tales, plays, and Sunday school papers, *Boys and Girls in No Man's Land* explores the role of children in the nation's war effort. **Under Fire** Elizabeth Goodenough, Andrea Immel, 2008. An eclectic multidisciplinary collection that explores the representation of war and its aftereffects in children's books and documentary film. Brings together internationally known contributors to examine the ongoing influence of violence and war on children's literature by studying the childhood experiences of authors writing for children, the children represented in war stories, and the experiences of children who make up the stories' readership. From publisher description. *Caring Hearts and Critical Minds* Steven Wolk, 2023-10-10. Imagine if going to school meant more than preparing kids for a test, teaching a canned curriculum, and training students for their future as workers. What if school were also about cultivating students to be caring, community involved, citizens, and critical, creative thinkers who love to read? In *Caring Hearts Critical Minds*, teacher-author Steven Wolk shows teachers how to help students become better readers as well as better people. I want my students to be thinkers and have rich conversations regarding critical issues in the text and be able to formulate opinions regarding these issues, says Leslie Rector, a sixth grade teacher who collaborated with Wolk on some of the units featured in this book. Wolk demonstrates how to integrate inquiry, learning, exciting, and contemporary literature, and teaching for social responsibility across the curriculum. He takes teachers step by step through the process of designing an inquiry-based literature unit and then provides five full units used in real middle grade classrooms. Featuring a remarkable range of recommended resources and hundreds of novels from across the literary genres, *Caring Hearts Critical Minds* gives teachers a blueprint for creating dynamic units with rigorous lessons about topics kids care about, from media and the environment to personal happiness and global poverty. Wolk shows teachers how to find stimulating, real-world, complex texts called for in the Common Core State Standards and integrate them into literature units. I know from experience that a great book changes the reader, says Karen Tellez, an eighth grade teacher featured in the book. For me, books have helped me escape, fall in love, recover from heartbreak, and have broken open my mind from the age of twelve. I hope my students gain better reading comprehension, confidence as readers, connections to the characters and events, a curiosity for the world, and tolerance for others. *Caring Hearts Critical Minds* shows teachers how to turn these hopes and goals into reality. **The Castaways** Iain Lawrence, 2007-11-13. *ADRIFT AT SEA* Tom Tin and his four convict companions are only too glad when they come upon a deserted ship. The boys clamber aboard, not knowing whether they've been saved or set on a course toward doom. But after

rescuing two men stranded on a melting iceberg Tom begins to suspect that these unsavory sailors are dangerous castaways from this very vessel The more Tom questions the men the more they dislike him So when Tom overhears them plotting to get rid of him he knows they mean it But the other boys don't feel threatened at least not until the sailors attempt to sell them as slaves a decision that ends with death for some and with Tom sailing the ship home to England Soon Tom discovers that he has to cast away every ill intentioned companion from his voyage home before he can truly be free **The Seance**
