**Great Britain. Parliament. House of
Commons**

Lord Longford:

Lord Longford Peter Stanford,1994 *The Pursuit of the Heiress* A. P. W. Malcomson,2006 *The Pursuit of the Heiress* is a new greatly enlarged and more widely focused version of what the late Lawrence Stone described as a brilliant long essay or short book on the subject of the role of heiresses among the Irish aristocracy which was published by the Ulster Historical Foundation under the same title in 1982 and has long been out of print The new book comes to the same broad conclusions about heiresses namely that their importance as a means of enlarging the estates or retrieving the fortunes of their husbands has been much exaggerated This was because known heiresses were well protected by a variety of legal devices and in common with many aristocratic women of the day also had minds and strong preferences of their own which meant that they were not generally an object of deliberate or profitable pursuit The new book also ranges more widely than its central theme of heiresses and addresses other aspects of aristocratic marriage such as abductions elopements mesalliances the supposed rise of the affective family and the disadvantaged situation of even the richest and most privileged women in an age when both adultery and divorce were largely the prerogative of men *The English Reports: House of Lords (1677-1865)* ,1900 *Avowed Intent* Frank Pakenham Earl of Longford,1994-01-01 Frank Pakenham the 7th Earl of Longford was born in 1905 and is still an active figure in the affairs of the nation This book covers his political career as a Labour minister in the Attlee and Wilson governments his crusade against pornography and his campaign for penal reform
