The inspiration of Sacred Scripture and the exploration of its divine provenance² The truth of the Word of God emphasizing the message about God and his project of salvation³ Challenges that arise from the Bible itself on account of certain aspects that seem inconsistent with its quality of being the Word of God Reading this document formally approved by Pope Francis will strengthen the reader to receive the word of God in the liturgical assembly and in every other place in its theological Christological soteriological and ecclesiological context in a way that corresponds ever more closely to this unique gift of God whereby God communicates his very self and invites us into communion with him
