

The background of the entire page is a painting. It depicts a light-colored dog, possibly a Weimaraner, lying on its side on a green lawn. In the background, there is a two-story blue house with white trim. To the left of the house is a large, leafy green tree. The sky is a pale blue with some faint clouds. The overall style is that of a classic oil painting.

Shoesmyth,2023-08-01 Over twenty years in the writing the three books in The Legend of The Secret Saga series evolved to be an fascinating magical story unlike any other as they poetically weave together a strange epic tale THE AUTHOR Estee Shoesmyth is a tangible figment of her own unbridled paradoxical imagination and the fantasy fiction pseudonym of eclectic American artist Suzanne T Dietz The Legend Of The Secret Saga is the complete epic trilogy in one colorful volume There is no other story like it in The Real World The fantastical epic tale opens in Book One which is When Begin Began Celestial Scribe Angel Daria pens the following words To Whom It May Concern When this immense historical accounting commenced

I surely did not anticipate that the nature of this story would ever veer off the straight and narrow path. Instead it proceeded to travel along the strangest winding ways. And so I followed it most dutifully with my pen in hand. Once upon a time an anonymous philosopher on The Ultimate Earth aptly intellectualized: There are always three sides to every story: your side, the other side, and the truth. The story presented to you here may seem like nothing more than a collection of my own fantastical delusions. Surely it could not be that which I myself have ever witnessed. In that case it would certainly not make it to be truth. However, it is by my best accounting the strange but true enough telling of a deliberately long lost story from somewhere far out on the other side of Who Knows Where. That's just the beginning. In Book Two, The Murky Middle, the story dims to very, very dark with the introduction of a terribly wicked magician's sorcery. Through magic he enters into a spirit world and adamantly decided to stay there. From that secret domain he meets another, and the two in cahoots do some deliberately evil damage that stretches out from that invisible place right into the unsuspecting folks who live day to day in The Real World. Those folks do not stand a chance to escape being affected by the magician's insidious determination to capture them all. Eventually Adam and Eve are reincarnated into The Real World on a specific mission years beyond the peak of that magician's vicious reign. By then the worse had evidently devolved into the worst that ultimately leads through to Book Three, The End Of The End. This story is utterly fascinating. Its twisting and turning through that which may be somewhat recognizable is more tangled up into the fantastical that is addictive to read onward to find out what happens next. All throughout there is mystery, magic, love, hate, obsessiveness, rejection, maliciousness, brilliance, stupidity, sickness, healing, forgiveness, revenge, romance, weirdness, wonderment, heavy heartedness, humor, life, death, and reincarnation. All along there is that concept of eternity being a time lasting for Forever. Which according to all reports in The Real World, Forever is a long, long time. The Legend Of The Secret Saga is the complete epic trilogy in one colorful volume. There is no other story like it in The Real World. Not from When Begin Began throughout The Murky Middle and all the way to The End Of The End. It is a story that is a Fairytale and a Fantasy. Magical and Mythical. Poetic and Artistic. The Legend Of The Secret Saga is fantastical and not as expected it might be.

The Erotic True Story of The Princess and The Frog Cherie Wilde, Thorne moved toward the bed with predatory grace The candlelight played across the sculpted planes of his body casting dramatic shadows that emphasised every ridge of muscle every powerful line Lorelei's breath caught in her throat as he placed one knee on the silk sheets then the other the mattress dipping beneath his substantial weight His emerald eyes glowing with ancient hunger devoured the sight of her spread before him a royal feast awaiting his pleasure Wider he commanded his voice a low rumble that seemed to vibrate through the very air His large hands settled on her inner thighs applying gentle but irresistible pressure Let me see what you've prepared for me Lorelei obeyed without hesitation spreading her legs until the cool night air kissed her most intimate place

The Erotic True Story of The Princess and the Frog is a sizzling no holds barred retelling of the classic fairy tale rewritten for those who crave their fantasy with a whole lot more heat When the beautiful and curious Princess Lorelei slips into a secluded forest pool for a naked swim she encounters Thorne a talking frog with a dark secret and a sinfully deep voice Intrigued Lorelei brings him back to her palace where she learns the shocking truth Thorne transforms into an impossibly handsome man each sunset And once the sun goes down Lorelei discovers just how powerful his appetites are and how eager she is to surrender to them Thorne is everything Lorelei has ever fantasised about dominant passionate and devastatingly well endowed Their forbidden trysts soon spiral into decadent nights of erotic debauchery joined by a pair of Lorelei's insatiable ladies in waiting But not all is pleasure and play Lorelei's jealous stepsister has her eye on Thorne and she's willing to do anything to steal him away This is not the bedtime story you remember *The Erotic True Story of The Princess and the Frog* is raw wicked and utterly unfiltered From Cherie Wilde author of *The Erotic Adventures of Snow White* *The Erotic True Story of Beauty and the Beast* and *Pussy in Boots* comes her most decadent fairy tale yet You'll never look at frogs or princesses the same way again
