Los Angeles Improbable City John Halpern, 1979-11-05 *The Bad City in the Good War* Roger W. Lotchin, 2003-03-03
How the diverse populations of urban California joined hands to defeat totalitarianism during World War II *Los Angeles, from Pueblo to City of the Future* Andrew F. Rolle, 1981 **From Chicago to L.A.** Michael Dear, 2001-07-31 For most of the twentieth century the principles of the Chicago School have guided urban analysts throughout the world Los Angeles has been regarded as an exception to the rules governing the growth of American cities But just as the Chicago School emerged at a time when that city was reaching new national prominence Los Angeles is now making its impression on the minds of urbanists across the world From Chicago to L A begins the task of defining an alternative agenda for urban studies and examines the case for shifting the focus of urban studies from Chicago to Los Angeles The authors experienced scholars from a variety of disciplines examine The concepts that have blocked our understanding of Southern California cities The imaginative structures that people have been using to understand and explain Los Angeles The utility of the Los Angeles School of urbanism **An Architectural Guidebook to Los Angeles** Robert Winter, 2009-09 Known as the bible to Los Angeles architecture scholars and enthusiasts Robert Winter and David Gebhard s groundbreaking guide to architecture in the greater Los Angeles area is updated and revised once again From Art Deco to Beaux Arts Spanish Colonial to Mission Revival Winter discusses an impressive variety of architectural styles in this popular guide that he co authored with the late David Gebhard New buildings and sites have been added along with all new photography Considered the most thorough L A architecture guide ever written this new edition features the best of the past and present from Charles and Henry Greene s Gamble House to Frank Gehry s Disney Philharmonic Hall This was and is again a must have guide to a diverse and architecturally rich area Robert Winter is a recognized architectural historian who lives in Los Angeles and has led architectural tours through the Los Angeles area since 1965 He is a professor at Occidental College in Los Angeles **A Companion to Los Angeles** William Deverell, Greg Hise, 2014-01-28 This Companion contains 25 original essays by writers and scholars who present an expert assessment of the best and most important work to date on the complex history of Los Angeles The first Companion providing a historical survey of Los Angeles incorporating critical multi disciplinary themes and innovative scholarship Features essays from a range of disciplines including history political science cultural studies and geography Photo essays and contemporary voice sections combine with traditional historiographic essays to provide a multi dimensional view of this vibrant and diverse city Essays cover the key topics in the field within a thematic structure including demography social unrest politics popular culture architecture and urban studies **The Great Pictorial History of World Crime** Jay Robert Nash, 2004-04-29 The vast and mysterious world of criminals from ancient times through the 21st century is vividly captured in The Great Pictorial History of World Crime This unique and staggering reference work chronicles every major criminal act from every era A definitive reference source to worldwide crime this unparalleled survey is organized into

sixteen chapters Assassination Bigamy Burglary Cannibalism Celebrity Slayings Drugs Fraud Gangs Gangsters and Organized Crime Kidnapping Mass Murder Piracy Robbery Secret Criminal Societies Serial Killers Terrorism Unsolved Homicides Each chapter begins with an essay that introduces the topic and provides a concise overview of the historical social and political significance of the crime Subjects are further developed crime by crime through descriptive entries covering the criminal acts modus operandi criminal background information and motives along with insightful anecdotes In addition to being a being a vital and informative historical and sociological reference work The Great Pictorial History of World Crime features more than 2 500 illustrations More than a chronicle of chilling events these two volumes provide gripping reading for anyone interested in true crime law enforcement criminology and criminal justice *Rain* Cynthia Barnett, 2016-04-05 Rain is elemental mysterious precious destructive It is the subject of countless poems and paintings the top of the weather report the source of the world's water Yet this is the first book to tell the story of rain Cynthia Barnett's *Rain* begins four billion years ago with the torrents that filled the oceans and builds to the storms of climate change It weaves together science the true shape of a raindrop the mysteries of frog and fish rains with the human story of our ambition to control rain from ancient rain dances to the 2 203 miles of levees that attempt to straitjacket the Mississippi River It offers a glimpse of our founding forecaster Thomas Jefferson who measured every drizzle long before modern meteorology Two centuries later rainy skies would help inspire Morrissey's mopes and Kurt Cobain's grunge *Rain* is also a travelogue taking readers to Scotland to tell the surprising story of the mackintosh raincoat and to India where villagers extract the scent of rain from the monsoon drenched earth and turn it into perfume Now after thousands of years spent praying for rain or worshiping it burning witches at the stake to stop rain or sacrificing small children to bring it mocking rain with irrigated agriculture and cities built in floodplains even trying to blast rain out of the sky with mortars meant for war humanity has finally managed to change the rain Only not in ways we intended As climate change upends rainfall patterns and unleashes increasingly severe storms and drought Barnett shows rain to be a unifying force in a fractured world Too much and not nearly enough rain is a conversation we share and this is a book for everyone who has ever experienced it *Los Angeles, a City Apart* David L. Clark, 1981

Where the Heart Beats Kay Larson, 2012-07-05 A heroic and fascinating biography of John Cage showing how his work and that of countless American artists was transformed by Zen Buddhism The New York Times *Where the Heart Beats* is the story of the tremendous changes sweeping through American culture following the Second World War a time when the arts in America broke away from centuries of tradition and reinvented themselves Painters converted their canvases into arenas for action and gesture dancers embraced pure movement over narrative performance artists staged happenings in which anything could happen poets wrote words determined by chance In this tumultuous period a composer of experimental music began a spiritual quest to know himself better His earnest inquiry touched thousands of lives and created controversies that are ongoing He devised unique concerts consisting of notes chosen by chance randomly tuned radios and silence in the

service of his absolute conviction that art and life are one inseparable truth a seamless web of creation divided only by illusory thoughts What empowered John Cage to compose his incredible music and what allowed him to inspire tremendous transformations in the lives of his fellow artists was Cage s improbable conversion to Zen Buddhism This is the story of how Zen saved Cage from himself Where the Heart Beats is the first book to address the phenomenal importance of Zen Buddhism to John Cage s life and to the artistic avant garde of the 1950s and 1960s Zen s power to transform Cage s troubled mind by showing him his own enlightened nature liberated Cage from an acute personal crisis that threatened everything he most deeply cared about this life his music and his relationship with his life partner Merce Cunningham Caught in a society that rejected his art his politics and his sexual orientation Cage was transformed by Zen from an overlooked and marginal musician into the absolute epicenter of the avant garde Using Cage s life as a starting point Where the Heart Beats looks beyond to the individuals Cage influenced and the art he inspired His creative genius touched Robert Rauschenberg Jasper Johns Andy Warhol Yoko Ono Alan Kaprow Morton Feldman and Leo Castelli who all went on to revolutionize their respective disciplines As Cage s story progresses as his collaborators trajectories unfurl Where the Heart Beats shows the blossoming of Zen in the very heart of American culture

Memory and the Built Environment in 20th-Century American Literature Alice Levick, 2021-05-20 From the paving of the Los Angeles River in 1938 and the creation of the G I Bill in 1944 to the construction of the Interstate Highway System during the late 1950s and the brownstoning movement of the 1970s throughout the mid 20th century the United States saw a wave of changes that had an enduring impact on the development of urban spaces Focusing on the relationship between processes of demolition and restoration as they have shaped the modern built environment and the processes by which memory is constructed hidden or remade in the literary text this book explores the ways in which history becomes entangled with the urban space in which it plays out Alice Levick takes stock of this history both in the form of its externalised concretised manifestation and its more symbolic representation as depicted in the mid 20th century work of a selection of American writers Calling upon access to archival material and interviews with New York academics authors local historians and urban planners this book locates Freud s Uncanny in the cracks between the absent and present invisible and visible memory and history as they are presented in city narratives demonstrating both the passage of time and the imposition of 20th century modernism With reference to the works of D J Waldie Joan Didion Hisaye Yamamoto Raymond Chandler Marshall Berman Gil Cuadros Paule Marshall L J Davis and Paula Fox Memory and the Built Environment in 20th Century American Literature unpacks how time becomes visible in Los Angeles Sacramento Lakewood and New York in the decades just before and after the Second World War questioning how these spaces provide access to the past in both narrative and spatial forms and how at times this access is blocked
