Lost Illusions Latin Americans Struggle For Democracy As Recounted By Its Leaders:

Leaders, Leadership, And U.s. Policy In Latin America Michael J. Kryzanek, 2019-04-05 This book focuses on the future of Latin American leaders and the relationship of these leaders to the United States It examines the ways in which the critical interaction between individual leaders and the U S policy community affects the substance and direction of hemispheric relations Mass Atrocity, Ordinary Evil, and Hannah Arendt Mark Osiel, 2001-01-01

Is it possible that the soldiers of mass atrocities Adolph Eichmann in Nazi Germany and Alfredo Astiz in Argentina s Dirty War for example act under conditions that prevent them from recognizing their crimes In the aftermath of catastrophic state sponsored mass murder how are criminal courts to respond to those who either gave or carried out the military orders that seem unequivocally criminal This important book addresses Hannah Arendt s controversial argument that perpetrators of mass crimes are completely unaware of their wrongdoing and therefore existing criminal laws do not adequately address these defendants Mark Osiel applies Arendt s ideas about the kind of people who implement bureaucratized large scale atrocities to Argentina s Dirty War of the 1970s and he also delves into the social conditions that could elicit such reprehensible conduct He focuses on Argentine navy captain Astiz who led one of the most notorious abduction squads to discover how he and other junior officers could justify the murders of more than ten thousand suspected subversives Osiel concludes that legal stipulations labeling certain deeds as manifestly illegal are indefensible He calls for a significant change in the laws of war to preserve both justice and the possibility of dialogue between factions in such sharply divided societies as Argentina Osiel s proposals have profound implications for future prosecutions of Pinochet s lieutenants Milosevic s henchmen the willing executioners of Rwanda and East Timor and other perpetrators of state endorsed murder and torture **Lost**
