Lost Scriptures S That Did Not Make It Into The New Testament:

The Origin of the Bible: A Guide For the Perplexed Lee Martin McDonald, 2011-02-17 Just how did the Jewish and Christian Bibles come together Why were some ancient texts excluded Or included and later rejected What were the criteria This volume deals with a significant issue in light of the many and significant discoveries of ancient sacred or religious texts that were not included in the Jewish or Christian Bibles Because of the focus in the news media in recent years on those extra canonical books that have come to light in the last century and even more recently there is need for clarification of the processes involved in the formation of the Jewish and Christian Bibles Why were some books included and others excluded Why were some included initially and subsequently rejected Was there a church cover up as some in the media have suggested As a result of all of this and more considerable attention is now focused on the use and function of the so called non canonical religious texts that are not now a part of the Bibles of various religious communities Why did the Bible come together What criteria were used in making decisions about inclusion and exclusion The proposed volume addresses these questions and others that are critical to a careful understanding of the Jewish and Christian Bibles The methodology employed in the writing of this book is described below It is important to take this discussion outside of the scholars guild and into the hands of the laity especially those educated college graduates and undergraduates whose interest in this subject has grown over the past twenty or more years Currently there are no useful volumes on this subject that is geared to them Scholars continue to talk past them and all too often only to each other about these matters This volume is designed to fill this void and make the topic more clear for those without the technical academic skills to explore these matters in the ancient languages Continuum s Guides for the Perplexed are clear concise and accessible introductions to thinkers writers and subjects that students and readers can find especially challenging or indeed downright bewildering Concentrating specifically on what it is that makes the subject difficult to grasp these books explain and explore key themes and ideas guiding the reader towards a thorough understanding of demanding material **New Testament Apocrypha, vol. 1** Tony Burke, Brent Landau, 2016-12-02 Compilation of little known and never before published apocryphal Christian texts in English translation This anthology of ancient nonbiblical Christian literature presents informed introductions to and readable translations of a wide range of little known apocryphal texts most of which have never before been translated into any modern language An introduction to the volume as a whole addresses the most significant features of the writings included and contextualizes them within the contemporary study of the Christian Apocrypha The body of the book comprises thirty texts that have been carefully introduced copiously annotated and translated into English by eminent scholars With dates of composition ranging from the second century CE to early in the second millennium these fascinating texts provide a more complete picture of Christian thought and expression than canonical texts alone can offer Lost Scriptures Bart D. Ehrman, 2005-09-15 Lost Scriptures offers an anthology of up to date and readable translations of many non canonical

writings from the centuries after Christ texts that have for the most part been neglected or lost for nearly two millennia Here is an array of remarkably varied writings from early Christian groups whose visions of Jesus differ dramatically from our contemporary understanding Ehrman has included a general introduction plus brief introductions to each piece Lost Scriptures gives readers a vivid picture of the range of beliefs that battled each other in the first centuries of the Christian era It is an essential resource for anyone interested in the Bible or the early Church **New Testament Apocrypha, v1** Burke & Landau,2016 Compilation of little known and never before published apocryphal Christian texts in English translation This anthology of ancient nonbiblical Christian literature presents informed introductions to and readable translations of a wide range of little known apocryphal texts most of which have never before been translated into any modern language An introduction to the volume as a whole addresses the most significant features of the writings included and contextualizes them within the contemporary study of the Christian Apocrypha The body of the book comprises thirty texts that have been carefully introduced copiously annotated and translated into English by eminent scholars With dates of composition ranging from the second century CE to early in the second millennium these fascinating texts provide a more complete picture of Christian thought and expression than canonical texts alone can offer **The Gospels of the**

Marginalized Marvin W. Meyer,2012-10-16 The Gospels of the Marginalized provides an exciting new study of three of the most maligned figures in the New Testament story of Jesus Thomas usually considered the quintessential doubter among the disciples Mary Magdalene characterized as a repentant prostitute during much of the history of the church and Judas Iscariot presented as the despicable disciple of Jesus who betrayed his master for money In this book Marvin Meyer one of the most prominent of the scholars of gnostic texts and other early Christian literature offers fresh and accurate translations of the Gospels of Thomas Mary and Judas with their proclamation of the good news of the wisdom of Jesus and he uses these gospels as the occasion to reexamine the place of Thomas Mary Magdalene and Judas Iscariot in the Jesus movement His striking analysis suggests that Thomas was no doubter that Mary Magdalene was a beloved disciple in the inner circles of disciples around Jesus and that the tale of Judas Iscariot as betrayer of Jesus is a piece of fiction Meyer adds a Gospel of the Redeemed as a vivid illustration of how the gospel story of Jesus might read with Jesus as a Jewish teacher of wisdom and Thomas Mary and Judas restored as loyal followers of the teacher from Nazareth **Matthew's Account of the Massacre**

of the Innocents in Light of its Reception History Sung J. Cho,2021-10-21 Sung Cho addresses the seeming contradiction of Herod the Great's massacre in Matthew 2 16 18 questioning why such a tragedy had to occur why it was included in the good news of Jesus and what connection it has to ancient prophecies In creating a reception history of the Massacre of the Innocents Cho progresses through two millennia worth of interpretation and depiction to highlight key works for discussion Beginning with a close reading of Matthew 2 16 18 Cho moves to analyse depictions of the tragedy in the Early Patristic Tradition from the sixth century to the early modern period and thus to the present day complete with an

examination of visual interpretations of the massacre Cho's examination provides a positive step to understanding the depths of human suffering with the help of many diverse perspectives

When God Was a Bird Mark I. Wallace, 2018-11-20 2019 NAUTILUS GOLD WINNER In a time of rapid climate change and species extinction what role have the world's religions played in ameliorating or causing the crisis we now face Religion in general and Christianity in particular appears to bear a disproportionate burden for creating humankind's exploitative attitudes toward nature through unearthly theologies that divorce human beings and their spiritual yearnings from their natural origins In this regard Christianity has become an otherworldly religion that views the natural world as fallen as empty of signs of God's presence And yet buried deep within the Christian tradition are startling portrayals of God as the beaked and feathered Holy Spirit the animal God as it were of historic Christian witness Through biblical readings historical theology continental philosophy and personal stories of sacred nature this book recovers the model of God in Christianity as a creaturely avian being who signals the presence of spirit in everything human and more than human alike Mark Wallace's recovery of the bird God of the Bible signals a deep grounding of faith in the natural world The moral implications of nature based Christianity are profound All life is deserving of humans care and protection insofar as the world is envisioned as alive with sacred animals plants and landscapes From the perspective of Christian animism the Earth is the holy place that God made and that humankind is enjoined to watch over and cherish in like manner Saving the environment then is not a political issue on the left or the right of the ideological spectrum but rather an innermost passion shared by all people of faith and good will in a world damaged by anthropogenic warming massive species extinction and the loss of arable land potable water and breathable air To Wallace this passion is inviolable and flows directly from the heart of Christian teaching that God is a carnal fleshy reality who is promiscuously incarnated within all things making the whole world a sacred embodiment of God's presence and worthy of our affectionate concern This beautifully and accessibly written book shows that Christian animism is not a strange oxymoron but Christianity's natural habitat Challenging traditional Christianity's self definition as an otherworldly religion Wallace paves the way for a new Earth loving spirituality grounded in the ancient image of an animal God

Who Should be King in Israel? Travis Darren Trost, 2010 *Who Should Be King in Israel* attempts to link common messianic issues found in some Dead Sea Scrolls with the Gospel of John These messianic issues are studied in relation to the political situation facing the Johannine community in dealing with the Roman empire The readers hearers of the Fourth Gospel had to deal with different challenges from the Roman government and the non Christian Jewish community in the era between the Jewish Revolt and the Bar Kochba Revolt Jesus is presented as the new David the Son of God who is the solution to all of humanity's problems The fall of the Temple in 70 CE had created a political and religious situation that meant early Christians of the post 70 CE socio political environment had to deal with Roman suspicion and Jewish disappointment The Fourth Gospel uses vocabulary and imagery designed to communicate the message that Jesus is the Christ without inflaming either Roman or Jewish sensibilities This book is written

in a manner designed to deal intelligently with that difficult era in Christian history *The Embrace of Eros* Margaret D. Kamitsuka, 2010-01-19 The topic of sexuality intersects directly with the most contested historical theological and ethical questions of our day In this edgy yet profound volume noted scholars and theologians assay the Christian tradition s classic and contemporary understandings of sex sexuality and sexual identity The project unfolds in three phases contemporary assessments of the Christian tradition new thinking about eros and being human religiously and new perspectives on classic mysteries in light of eros and embodiment *An Introduction to the Gospels and Acts* Alicia D. Myers, 2022 Introducing the Gospels and Acts is not just about reading the first five books of the New Testament It requires entering the first century Mediterranean world where the events in these writings happened In this short book Alicia D Myers takes readers on a journey through the Gospels and Acts introducing them to the world of Jesus of Nazareth and of the believers who composed and shared stories inspired by him Myers provides overviews of context and major passages in each canonical work and also introduces readers to the Apocryphal Gospels and Acts to demonstrate the larger phenomenon of early Christian writing After situating readers in the literary context of the Gospels and Acts Myers focuses on the writings themselves giving basic historical background before digging more deeply into a chosen contextual theme for each work These six themes include the politics and history of Roman Palestine expressions of Second Temple Judaism understandings of identity and human worth in the Roman world hospitality Hellenistic philosophies and the process of canonizing the New Testament Rather than shying away from difficult and often confusing elements of the Gospels and Acts Myers invites readers to engage more deeply and situate themselves more fully in the strangeness and surprising familiarity of the Roman world In this way readers will see the continuing relevance of the Gospels and Acts for today and learn to be responsible readers of these works for years to come **Acts of Paul** Glenn E. Snyder, 2013 Acts of Paul is a collection of early Christian traditions that were not included in the canonized Acts the Acts of Paul and Thekla 3 Corinthians the Martyrdom of Paul and other fabulous stories such as Paul baptizing a lion By the end of the second century there was a rumor in North Africa that Acts of Paul had been fabricated by a presbyter in Asia Minor Tertullian De baptismo 17 5 and to this day it is alleged that Acts of Paul is later than and inferior to the traditions preserved in Acts historically theologically and otherwise But what evidence is there for the composition and reception of Acts of Paul In this study Glenn E Snyder critically examines Greek Latin and Coptic witnesses to Acts of Paul from the second to sixth centuries with chapters on the independently circulating acts extant collections and other evidence for the formation of Acts of Paul **Encountering Earth** Trevor George Hunsberger Bechtel, Matt Eaton, Tim Harvie, 2018-05-14 One day Matthew Eaton was walking through an impromptu animal shelter display at his local pet store when suddenly an eight month old kitten dug his claws into Eaton s flesh Eaton recognized that the eyes of this cat and the curve of his claw compelled a response analogous to those found in the writings of Buber Levinas and Derrida And not just Eaton but a whole community of theologians have found themselves in an encounter with particular places and

animals that demands rich theological reflection Eaton enlisted fellow editors Harvie and Bechtel to collect the essays in this volume in which theologians listen to horses rats snakes cats dogs and the earth itself who become new theological voices demanding a response In this volume the voice of the more than human world is heard as making theology possible These essays suggest that what we say theologically represents not simply ideas of our own making subsequently superimposed onto the natural world through our own discovery but rather flow from an expressive Earth The Three Pillars Barbara J. Sivertsen,2010-05-10 The Three Pillars How Family Politics Shaped the Earliest Church and the Gospel of Mark examines how family relationships played a key role in the earliest Christian church By disentangling the two disparate genealogies of Jesus the author reconstructs the families of Joseph and Mary Presented here for the first time is the full ancestry of Jesus mother Mary who was descended from the anti Hasmonean high priest Alcimus The author suggests that Mary and her daughter Mary played a hitherto unrecognized role in the church s earliest leadership struggle and that a composite of these two women not Mary Magdalene was the basis for the Gnostic Mary of later Christian works The author next explores how this early leadership conflict shaped the Gospel of Mark which she argues was written by Peter s son She discusses Mark s footprint in this Gospel and how Mark s resentment of the relatives of Jesus his ambivalence toward his father and his anger at the disciples for ceding leadership to these relatives is at the heart of some of the most distinctive features of the Second Gospel features that have perplexed biblical scholars and laymen for centuries The last section examines the mysterious Beloved Disciple in the Gospel of John The author concludes that the many unlikely elements in the account of the arrest and interrogation of Jesus can only be explained by seeing the Beloved Disciple as a close relative of the high priest Caiaphas and that this family relationship was crucial to the protection of the early Christians in Jerusalem The book s final chapter offers reflections on how kinship played an important role in Jesus ministry and how the high priestly leadership responded to him in part because of his family lineage *Spiritwind: For The Spiritually Adventurous* Rev. Dr. Richard E.

Kuykendall,2025-05-01 Spiritwind for the Spiritually Adventurous is a book that teaches you and your friends about many religions philosophies and spiritual paths It is a spiritual adventure that is only a beginning to a journey that lasts a lifetime It is also a model for your own study group for spiritual adventurers *Eliminating Satan and Hell* V. Donald

Emmel,2014-01-07 This book is written for millions of people who have been taught to fear the myths of Satan and Hell and millions of others who reject the concepts and wish reassurances When a Lutheran groom and his lovely Harvard educated bride stood before me would she eventually go to Hell because she is a Hindu and not a Christian Is there really a Satan and a Hell and is our Creator that cruel It was then that Donald Emmel began his intensive study of the myths of Satan and Hell Emmel s research reveals that through misunderstandings and mistranslations we have ended up with a cranky punishing Creator that is not in the Hebrew canon nor the Gospels nor the authentic letters of Paul Emmel concludes that Jesus and Paul retained the Hebrew canon s concepts of hassatan as an adversary working with God and sheol and gehenna as places

of death In explaining our world today we must not fly in the face of the vast scientific knowledge which we utilize but which the ancient mythmakers did not The ancient myths of Satan as a destructive god and Hell as punishment for sinners no longer have validity in the world we now embrace and should therefore be eliminated from our theologies **The Beginning and the End** Michael W. Pahl,2011-06-01 Have you ever wondered if there might be more to Genesis than fodder for anti evolutionism Or have you ever thought Revelation has to be more than simply a roadmap for the future of the Middle East You re not alone In The Beginning and the End Michael Pahl surveys the opening chapters of Genesis and the concluding chapters of Revelation taking seriously both their historical and literary features as ancient texts and their theological purposes as inspired Scripture The result is a reading of the first and last books of the Bible that sketches out from beginning to end a story of God humanity and all creation a grand narrative in which we are placed in the middle and which calls us to live in a particular way as our identity and our values are shaped in light of our origins and our destiny

Reading Christian Apocrypha Tobias Nicklas, Janet E. Spittler, 2025-09-16 Christian apocrypha has suffered neglect Living just outside the Christian canon apocryphal Christian works have been judged deficient secret and even heretical In *Reading Christian Apocrypha* Tobias Nicklas and Janet Spittler lavish attention upon these extracanonical texts to demonstrate that far from being superfluous or fringe Christian apocrypha plays a crucial role in the history of Christianity Apocryphal works function as important witnesses for the reception of Jesus Paul and other apostolic figures Beyond the reception of canonical figures however they provide foundational stories that fill in the Christian landscape of memories supplying local and regional Christian communities with narratives that tie their own environment traditions and practices to the activities of the apostles and apostolic figures *Reading Christian Apocrypha* also explores how apocryphal works adopt and adapt Jewish and Greco Roman views on the origin of the world its history and the world to come creating new spaces of interpretation around biblical texts and traditions The apocryphal writings reveal that Christianity from the very beginning developed a wide variety of theological perspectives within diverse linguistic traditions and geographical areas Ultimately *Reading Christian Apocrypha* demonstrates that the distinction between canonical and apocryphal tradition is far blurrier than often assumed
