Someone Who Will Love You in All Your Damaged Glory Raphael Bob-Waksberg,2019-06-11 A fabulously off beat collection of short stories about love the best and worst thing in the universe written by the creator of BoJack Horseman with his hallmark scathing dark humor Transcendent tragicomedy Prepare to be devastated and made whole again The A V Club Featuring A young engaged couple forced to deal with interfering relatives dictating the appropriate number of ritual goat sacrifices for their wedding A pair of lonely commuters who ride the subway in silence forever eternally failing to make that longed for contact A struggling employee at a theme park of U S presidents who discovers that love can t be genetically modified And fifteen more tales of humor romance whimsy cultural commentary and crushing emotional vulnerability **Off the Rails** Matt Jones,2007-04 Many years ago a highly intelligent race of people living in China discovered a fault with the Earth s natural orbital trajectory which if left unresolved would result in the world ending in the mid twenty first century The

leaders of these people whilst travelling the world in search of a solution to the problem arrived in London Here they stumbled on the theory that if they created vast but subtle movements across the Earth s surface then such weight shifts would have a reasonable bearing on the rate at which the Earth rotates and thus would alter its orbital path To provide this weight a project named Commuters was created so called due to a misprint of Computers This was performed by building a railway infrastructure throughout the land and simultaneously inventing a large number of excitingly named well paid but virtually harmless jobs This created both the demand and the mechanism for many people to travel in the same direction at a given time of day The group of pioneers were adamant that the real reason for their work should not be made public yet at the same time the project needed to be monitored To satisfy this an organisation called the Littlepeople was created whereby those directly involved with the project took invisible jobs within society From these positions they could easily observe their work without fear of detection themselves They therefore occupied jobs that are commonly labelled working class or unskilled as they were unlikely to be noticed by the Commuters within these positions *The Lyceumite and Talent* ,1909

Love: A User's Guide Clare Naylor,2012-06-13 Working for Vogue Amy spends her days dressing waif models in London s latest apparel while fending off insults from the Gucci garbed staff Hardly the glamorous job she hoped it would be But that won t stop her from fantasizing about the sensational life she knows she s destined for or the prince who s bound to redeem her from a less than glowing record in romance However beneath her dreamy exterior Amy has a sure streak of common sense So when the impossible happens and her path crosses that of London s hottest film star she swoons with longing expecting nothing in return But Orlando Rock has other ideas For Amy is just the kind of girl he s after smart and witty different from the daft supermodels and vain leading ladies he s dated before Or is she For with fame fortune and true love just around the corner Amy s head is spinning her jet fueled imagination poised for takeoff Is her love for Orlando stronger than her lust for the limelight or is she merely fated to be the paparazzi s latest prey **The Witches In Love Part 4: 6**

Fantasy Fiction Romance Short Stories Elizabeth Reed, The Witches In Love Part 4 6 Fantasy Fiction Romance Short Stories Please note that each of these short stories can all be bought as a standalone single story The Witch s Sight Tessa can see what most people cannot including the long voyage of her best friend Edward who will sail off leaving her to find his fortune However even she cannot see everything especially when it comes to matters of the heart Making her quite

unprepared when Edward comes back home four years later having changed from a boy to a man A man what s more who is desperate to see and speak with Tessa The Witch s Promise Alanna promises to give Ramsey anything he wishes so long as he releases her unharmed She presumed that he would want riches or power However she is soon to find that what Ramsey desires most of all is the one thing she cannot give him The Witch s Chosen Companion Maria has always cared for her carefree friend Ali but the thought of leaving all she has known to start upon a long journey with him leaves her afraid However when Ali is captured and held prisoner fear becomes the last thing on her mind as Maria desperately looks for a way to save him And it is when all hope seems to be lost that Maria learns something new about Ali that will make her question the strength of their friendship as well as herself The Witch s Kidnap When Cole kidnaps Edith from her chamber he believes he has everything all under control and Edith entirely in his power How wrong could he have been As he soon finds out that Edith is no damsel in distress and neither is she one to submit to anyone unless there is a good reason for her doing so Leaving it up to Cole to win her over with reason and if that fails his heart The Witch s Deception Cassius is not having much luck of late First tricked by a beautiful thief named Arianna who has stolen his priceless family dagger and then later by half senile old woman who delivers him false information He is determined to find both of the women who have wronged him but they are only a small part of his problem as he tries at the same time to run away from his past With so much drama surrounding him Cassius wonders if there can ever be a happy ending for him The Witch s Revelation Ragor has battled his whole life with his identity not knowing who or what he is But it is only when his adopted people turn against him in the most vicious of ways that he is forced to confront the truth about himself A truth that can set him free along with the help of the one who has guided him unknowingly through the most emotional moments of his life *Love and a bottle* George
