Friedelind Wagner Eva Rieger,2013 She was not the black sheep of her family as often claimed but a heroic rebel Friedelind Wagner 1918-1991 Richard Wagner's independent minded granddaughter daughter of Siegfried and Winifred Wagner despised her mother's close liaison with Adolf Hitler and was the only member of the Wagner clan who fled Germany in protest Although Winifred warned her that

the Nazis would exterminate her should she continue her open opposition she travelled to London and published articles pillorying the Nazi line. All the same her former proximity to Hitler Co made her suspicious in the eyes of the authorities who promptly interned her. Even the British Parliament debated her fate. Only with the help of the world famous conductor Arturo Toscanini was she able to gain an exit visa. Once she arrived in New York she broadcast lectured and published against the Nazis wrote an autobiography and became friends with many other emigrants including singers who had themselves abandoned Bayreuth. After the war the Mayor of Bayreuth asked her to run the Festival but she declined in favour of her brothers. They showed little gratitude however for after Friedelind returned to Germany in 1953 she found herself manoeuvred out of any role in the Festival management. She still made a remarkable effort to find a niche in post war German society and culture and did her best to cope with a family notorious for its intrigues past and present. Drawing on archival research in many countries Eva Rieger has here written the first ever biography of Richard Wagner's talented artistic granddaughter who fought against Hitler's Germany but achieved no personal success for her troubles. Her book gives many new insights into wartime and postwar musical life in Germany Europe and the United States. Publisher description **The Opera Quarterly** ,1988 *Hollywood Diva* Edward Baron Turk,1998-11-01 Jeanette MacDonald the movie musical's first superstar was an American original whose onscreen radiance mirrored a beguiling real life personality. Based in large part on the author's exclusive access to MacDonald's private papers including her unpublished memoir this vivid often touching biography transports us to a time when lavish musical films were major cultural events and a worldwide public eagerly awaited each new chance to fall under the singer's spell. Edward Baron Turk shows how MacDonald brilliantly earned her Hollywood nickname of Iron Butterfly and why she deserves a privileged position in the history of music and motion pictures. What made MacDonald a woman for our times readers will discover was her uncommon courage. Onscreen the actress portrayed strong characters in pursuit of deep emotional fulfillment often in defiance of social orthodoxy while offscreen she personified energy discipline and practical intellect. Drawing on interviews with individuals who knew her and on MacDonald's own words Turk brings to life the intricate relations between the star and her legendary costars Maurice Chevalier Clark Gable and above all baritone Nelson Eddy. He reveals the deep crushes she inspired in movie giants Ernst Lubitsch and Louis B Mayer and the extraordinary love story she shared with her husband of twenty seven years actor Gene Raymond. More than simply another star biography however this is a chronicle of American music from 1920s Broadway to 1960s television in which Turk details MacDonald's fearless efforts to break down distinctions between High Art and mass consumed entertainment. *Hollywood Diva* will attract fans of opera and concert music as much as enthusiasts of the great Hollywood musicals.
