Louisbourg Portraits Life In An Eighteenth Century Garrison Town:

Louisbourg Portraits Christopher Moore, 1982 Religion in Life at Louisbourg, 1713-1758 A. Johnston, 1984-08-01 AJ B Johnston establishes the secular and religious contexts of life in Louisbourg and then traces the mixed fortunes of the three religious groups that served the French stronghold of Louisbourg during the eighteenth century These were the Recollets of Brittany who acted as parish priests and chaplains the Brothers of Charity of Saint John of God who operated the King s Hospital and the Sisters of the Congregation of Notre Dame who conducted the local school for girls Drawing on the extensive material in the Archives of the Fortress of Louisbourg he notes the groups⁷ remarkable persistence in the face of personnel shortages financial burdens and conflicts with secular authorities and rival religious bodies Not the least of their problems was the profound parsimony of the Louisbourgeois who declined to build a parish church or pay a compulsory tithe Yet despite this independent stance religion was at the centre of family and community life in Louisbourg as the author demonstrates in a chapter devoted to the faith morality and popular beliefs of the town s inhabitants The colourful military history of Louisbourg has been the subject of numerous books and articles and the economy of He Royale has received close attention in recent years This first comprehensive study of the religious aspects of life in this outpost of France s overseas empire contributes substantially to the social as well as the religious history of New France **Life and Religion at**

Cape Breton Island's foggy Atlantic coast dominated access to the St Lawrence and colonial New France for forty years in the mid eighteenth century. In 1755 Great Britain and France stumbled into the French and Indian War, part of what to Europe became the Seven Years War, only for British forces to suffer successive defeats. In 1758 Britain and France, as well as Indian nations caught in the rivalry, fought for high stakes: the future of colonial America. Hugh Boscawen describes how Britain's war minister William Pitt launched four fleets in a coordinated campaign to prevent France from reinforcing Louisbourg. As the author shows, the Royal Navy outfought its opponents before General Jeffery Amherst and Brigadier James Wolfe successfully led 14,000 British regulars, including American-born redcoats, rangers, and carpenters, in a hard-fought assault landing. Together they besieged the fortress, which surrendered after forty-nine days. The victory marked a turning point in British fortunes and precipitated the end of French rule in North America. Boscawen, an experienced soldier and sailor and a direct descendant of Admiral the Hon Edward Boscawen, who commanded the Royal Navy fleet at Louisbourg, examines the pivotal 1758 Louisbourg campaign from both the British and French perspectives. Drawing on myriad primary sources, including previously unpublished correspondence, Boscawen also answers the question: What did the soldiers and sailors who fought there do all day? The result is the most comprehensive history of this strategically important campaign ever written.

Cape Bretoniana Beaton Institute of Cape Breton Studies, 2005-01-01. Nova Scotia's Cape Breton Island is a beautiful region with a unique community whose history and ethnic composition have resulted in the evolution of a powerful sense of identity and place. While outsiders may think only of the island's perennial economic woes and long economic dependence on coal mining and steel production, it is also the home of a rich, vibrant, and distinct culture. Brian Douglas Tennyson's *Cape Bretoniana* is the first bibliography to gather together all known publications relating to the history, culture, economy, and politics of Cape Breton Island. With more than 6,000 entries, it not only provides a comprehensive listing of publications and post-graduate theses but also detailed annotations on the listings. Each entry lists the author, title, place of publication, publisher, date of publication, volume, and issue number in the case of periodicals, and page references followed by a brief description of the item. Cape Breton has never been so thoroughly documented. This bibliography will help to ensure that even in a world becoming increasingly homogenized by the forces of globalization, unique cultural identities like Cape Breton's can be preserved and nurtured.

Fiction Treasures by Maritime Writers Gwendolyn Davies, 2015-08-13 Though little known today from 1860 to 1940 Canadian novelists from the Maritime provinces were writing highly successful books which were widely read in Canada the US and Britain Although today only Lucy Maud Montgomery is remembered and read there were several dozen writers who enjoyed the same level of success and renown This book brings these authors and their most successful books back into the spotlight of Canadian writing In 2001 Canadian literature specialist Gwen Davies and Formac publisher James

Lorimer set out to republish books by these largely forgotten Maritime authors. Readers can now discover 35 of their novels, all reprinted in Formac's Fiction Treasures series. For each book, series editor Gwen Davies commissioned an introduction by a contemporary scholar who offers a brief biography of the writer and a discussion of the text itself. As Gwen Davies notes, "These introductions not only capture new research in literary biography or publishing history but also broaden our understanding of regional popular reading tastes from the era of Queen Victoria to the Second World War." This book brings these introductory essays together in a single volume so that readers can discover these writers and get an overview of their best works.
