Teach Only Love Gerald G. Jampolsky, 2011-10-04 Dr Jampolsky believes there is another way of looking at life that makes it possible for us to walk through this world in love at peace and without fear This other way requires no external battles but only that we heal ourselves It is a process he calls attitudinal healing because it is an internal and primarily mental process Jampolsky believes that attitudinal healing when properly practiced will allow anyone regardless of her circumstances to begin experiencing the joy and harmony that each moment holds and to start her journey on a path of love and hope The mind can be retrained Within this fact lies our freedom Our attitudes determine whether we experience peace or fear whether we are well or sick free or imprisoned Love in its true meaning is the attitude that this book is about Love is total acceptance and total giving with no boundaries and no exceptions Love being the only reality cannot be transformed It can only extend and expand It unfolds endlessly and beautifully upon itself Love sees everyone as blameless for it recognizes the light within each one of us is Love is the total absence of fear and the basis for all attitudinal healing The principles of attitudinal healing have been expanded since *Teach Only Love* was first published in 1983 There are now twelve principles which are used in the 150 Centers for Attitudinal Healing around the world Dr Jampolsky believes that these principles have

Jampolsky, Gerald Jampolsky and Diane V. Cirincione, 2010-06. In a deeply heartfelt way Jerry Jampolsky and Diane Cirincione share stories of their spiritual journey, detours they've taken and people who have impacted them along their life trail. Using the Hawaiian tradition of talking story, Jerry and Diane demonstrate the daily application of spiritual principles and practical spirituality. Individually and together they weave their journey for us as it continues to evolve from the influences around them. They inspire us to embrace and share our own stories of peaks and valleys that make up our journeys. The authors' honest and vulnerable style of communicating continues to reveal their life purposes in the choices they make and the lessons they've learned. Each day still provides challenges and circumstances that call to those parts of us that want to judge others or ourselves, they write. What is different now is that we more quickly recognize when we're lost and the choice we have to return to the path of unconditional love. Once we remember that our purpose is service and helping others as well as letting go of our judgments and grievances by practicing forgiveness, the path is easier, the direction clearer, and the destination of peace achievable. **The Experience of Divine Guidance** Mark Allan Kaplan, 2007.
