Schroeder, 2012-02-27 These devotionals were birthed out of a personal quest that ended up being shared with our church Nara International Christian Center in Ikoma Japan Years ago I heard a life changing phrase We become like who we worship followed by Nearness brings likeness These two statements changed my whole spiritual outlook My personal desire was to really grasp the character of God So as I worshipped Him I would be changed to become more like Him I believe the more we grasp His character we will also be able to trust more our faith will be strengthened and hope becomes solid almost tangible with the power of Knowledge of God's eternal trustworthiness Robin Schroeder **Plain Truth for Plain People** Brad Estep, 2019-03-22 Having studied preaching at a doctoral level and practiced the craft for more than thirty years Brad Estep offers fifty biblically grounded theologically informed and congregationally contextualized sermons centered around the different seasons of the Christian year In addition to the sermon itself Estep provides additional analysis that revolves around the homiletical structure reasons for effectiveness and usage of illustrative material This work is designed for preachers who are interested and committed to the craft of preaching Intended for reflective practitioners Plain Truth for Plain People helps to reveal how and why sermons are crafted in the way that they are Because of that this book is also of interest to parishioners in the pews At the top of the list of desirable skills in a pastor is preaching This work helps provide examples of what that looks like or more accurately what that sounds like **The Idol in the Age of Art** Michael Wayne Cole, Rebecca Zorach, 2009 Conflicting attitudes towards devotional art was a major factor in the confessional divisions that split Reformation Europe By presenting essays concerned with both European subjects and European perceptions of other cultures The Idol in the Age of Art contributes to ongoing attempts to globalize the study of European art Approaching the Reformation idol as an essentially international problem and placing particular emphasis on cultural encounters it provides fresh perspectives on the very nature of Renaissance art and underscores how colonial issues came to be often framed in terms of European religious conflicts **Two Good Friday Tenebrae Services** Douglas E. Meyer, 1999 These services can be used by any number of participants and include an order of service Paradoxes Of The Passion examines the circumstances leading up to the crucifixion of an itinerant preacher from Galilee What Shall I Do Then With Jesus Who Is

Called Christ brings us face to face with Pilate's question that has echoed down the centuries. Each of the Tenebrae services in this booklet can be used by any number of participants. An order of service for your bulletin preparations is also included. Paradoxes Of The Passion brings to the worshiping congregation the circumstances leading up to the crucifixion of an itinerant preacher from Galilee who was no less than the long awaited Jewish Messiah. The seven paradoxes are interspersed with hymns and prayers. What Shall I Do Then With Jesus Who Is Called Christ. To Pilate's surprise the crowd sought freedom for the murderer Barabbas rather than for Jesus. Pilate then asked the question that has echoed down the centuries to every man, woman and child who has ever heard the Gospel: What shall I do then with Jesus who is called Christ. In this thought provoking Good Friday Tenebrae service Douglas Meyer explores how various key characters in the Passion story answered that question. Then he considers how the person in the pew answers that question today. Douglas E Meyer graduated from Concordia Theological Seminary in Fort Wayne, Indiana with an M Div degree in 1981. He has served parishes at Shobonier and Tuscola, Illinois and Naples, Florida and is currently serving at Salem Lutheran Church in Salem, Illinois.

**Joseph: Not Your Ordinary Joe** Ruth Ann Moore, 2016-03-30 Joseph is complex. He is interesting. He is a man of integrity and he is far from ordinary. What can we learn from this Old Testament hero? Does Joe's life have anything to do with today? Joseph as it turns out leads us to Jesus, the One who is with us just as God was with Joseph. In brief devotional thoughts, Joseph: Not Your Ordinary Joe connects readers to Scriptural truths. Read for insights or read as a catalyst for deeper study. However you use this book, it is Moore's prayer that you will read the word, learn the word and live the word of God. Joseph: Not Your Ordinary Joe follows in the footsteps of Anne Graham Lotz's *Magnificent Obsession*, her study on Abraham.

**God Has Not Given You A Spirit of Fear Study Guide** Denise Renner, *Newness of Life* Marian McGrath Burn, 2022-01-06 *NEWNESS OF LIFE* is a compilation of 101 meditations of the heart. The content is Biblical and the language is simple. These reflections are based on Scripture passages that were originally written during the lockdown year 2020 through 2021 in random order. 365 in all. They were arranged thematically later. It was never meant to be published since it is a part of a personal prayer journal that the author later decided to share with others. Some of the topics include Repentance, Holiness, Faith, Divine Healing, Salvation, Praise and God's Eternal Word. The Christian walk is not just terribly difficult, a path so rocky that many fall by the wayside, but it is downright impossible to achieve in our human strength. It is, however, simple and full of joy when we partner with the Helper, the Holy Spirit who abides in us. The purpose of this book, therefore, is to address some of the doubts that haunt us and the lies of this world that cling to us from our past life. It is the Truth alone that sets us free and enables us to live as Jesus taught us. So *NEWNESS OF LIFE* is intended to encourage the Christian to walk by Faith and not by sight on the narrow path and in the victorious New Life that we have in Christ Jesus.
