communicating attractive place attributes to create a differentiated spatial product that will appeal to particular target audiences In seeking to achieve this place marketing campaigns have been criticized for emphasizing generic attributes such as accessibility infrastructure and a skilled workforce which can serve to homogenize places which in reality are very different However a city's distinctive character is a consequence of its history and development over time and this book analyses the role of these temporal dimensions in place marketing and branding The book analyses how the past both material i.e. the historic built environment and intangible i.e. routines practices and the character of the populace is appropriated in order to sell the city into the future It acknowledges the inherent selectivity involved and discusses the factors influencing what is remembered from the past and equally importantly what is forgotten Adopting a range of theoretical approaches to understanding temporality in this context the book will appeal to advanced students academic researchers and reflexive place branding practitioners by introducing a temporal paradox incorporating both fixity the material and immaterial elements of the city's past and fluidity relating to the creation of the place product as a dynamic assemblage of individual elements and attributes aimed at particular target audiences Cincinnati Magazine, 2001-08 Cincinnati Magazine taps into the DNA of the city exploring shopping dining living and culture and giving readers a ringside seat on the issues shaping the region *Opportunity* Charles Spurgeon Johnson, 1969 *Crowley's* Bruce Allen Kopytek, 2015-11-30 Operating in the shadow of the enormous J L Hudson Co Crowley's earned Detroit's trade with fine merchandise and good service all in an atmosphere that made it the Motor City's friendly department store Generations of customers still hold Crowley's close in their memories fondly recalling the store's ancient wooden escalators fashionable merchandise and special events like Breakfast with Santa Wander back in time with historian Bruce Allen Kopytek through the venerable old store and its suburban branches to discover all the things that made Crowley's such a special retail destination **The City** Allen J. *In Living Color* Bernadette Giacomazzo,2023-02-15 An entertaining yet candid examination of the popular sketch show *In Living Color* When the pilot for *In Living Color* aired for the first time on April 15 1990 America had never seen anything like it And they loved it Over five seasons the show broke racial cultural and comedy boundaries creating unforgettable sketches that dealt almost exclusively with Black subject matter *In Living Color A Cultural History* celebrates the iconic show and its creators while also providing a conscientious examination of the sketches themselves Bernadette Giacomazzo reveals how the show successfully tackled topics that are still salient today from diversity in Hollywood and workplace racism to mass incarceration and blackfishing while other sketches have not aged quite so well Giacomazzo also looks at how the show helped break the careers of Jamie Foxx Jim Carrey and David Alan Grier amongst others and how its most infamous sketches such as Fire Marshall Bill Homey the Clown East Hollywood Squares and Men on Film helped shape comedy in the twenty first century *In Living Color* was one of the few sketch shows of the 1990s that effectively tackled racial and social issues with humor It did so more successfully than Saturday Night Live ever did because unlike the long standing late night show *In Living Color* had a largely Black writer s room This cultural history finally gives the influential show and its creators the recognition they deserve for their role in changing the face of television Cincinnati Magazine ,2001-08

**A Hard Rain Fell** David Barber,2010-02-17 By the spring of 1969 Students for a Democratic Society SDS had reached its zenith as the largest most radical movement of white youth in American history a genuine New Left Yet less than a year later SDS splintered into warring factions and ceased to exist SDS s development and its dissolution grew directly out of the organization s relations with the black freedom movement the movement against the Vietnam War and the newly emerging struggle for women s liberation For a moment young white people could comprehend their world in new and revolutionary ways But New Leftists did not respond as a tabula rasa On the contrary these young people s consciousnesses their culture their identities had arisen out of a history which for hundreds of years had privileged white over black men over women and America over the rest of the world Such a history could not help but distort the vision and practice of these activists good intentions notwithstanding *A Hard Rain Fell SDS and Why It Failed* traces these activists in their relation to other movements and demonstrates that the New Left s dissolution flowed directly from SDS s failure to break with traditional American notions of race sex and empire *The Americas Review* ,1999
