reputation of excellence and are now used extensively throughout the world Growing Up with Bach Flower Remedies shows how the system of healing can help babies children and adolescents during the turbulent years of youth The book takes the reader through all the stages of childhood including developmental progress illness schooling behavior puberty examinations and the various other milestones when emotional support is needed Growing Up with Bach Flower Remedies is a book designed for parents but also makes an excellent source of reference for therapists teachers nursery nurses grand parents and guardians anyone who has an active interest in caring for children of all ages *Hello Love, Where's Cupid? (The 2nd Edition)* Stephanie Dolce, 2015-04-03 In Hello Love Where's Cupid 2nd Edition Author Stephanie Dolce will give readers Ten rules of how to make your first date memorable Seven reasons why most people are still single and how to avoid those Step by step guidance of how to make your sex life better and groundbreaking evidence that points to how online dating sites feed people lies that they will indeed find their dream love but instead invite nightmares at their doorsteps There is also a discussion on feminism and on domestic violence **Practical Guidance About Love, Sex and Marriage** Faith C. Bays, 2016-03-23 The cover shows a picture of my daughter and her husbands wedding rings and bouquet This is only a relevant choice since in my first book I gave advice to young people about marriage and courtship My daughter Jessica met her husband David over three years ago but it is such a fairy tale story that I had to share a little of it with the reader So many times young people feel trapped by peer pressure to engage in promiscuous activities before engagement and marriage I read that the unwed mothers rate has doubled according to statistics Google states that statistics from the Mississippi Department of Health states that the overall rate of births to unwed mothers was 54.7 percent in 2010 It was 28 percent in 1980 Dig a little deeper into this report and the numbers become downright scary Thirteen counties reported unwed birth rates of over 75 percent Looking at these statistics there seems to be a decline in Gods moral principle of chastity For a young couple to start a marriage as both couple being virgins seems to be pretty rare That is one reason I wanted to share this about David and Jessica to encourage others to not be promiscuous during their courtship As I stated earlier David and Jessica have known each other over three years They met in the church Our church has an orchestra They both played instruments in the orchestra They were very young when they met Neither one had an idea that one day God would put them both together as husband and wife They both desired an educational mastery to be successful in life Like Solomon I guess you can say they sought wisdom and knowledge They waited until they required mastery in knowledge before they decided to settle down and get married Our youth today seems not to be asking for proficiency in wisdom and knowledge but the youth according to statistics I read earlier are becoming adults before they have matured in the mastery of wisdom and knowledge I am so glad that Jessica and David waited and was not promiscuous during their courtship but followed Gods standard for a holy and righteous life Sure young people may make mistakes but it is our job as Christian adults to not abuse them but to train them to respect Gods way and principles I believe that even if we train our children in righteousness and they later

depart it will remain with them in life Prov 22 6 and it will cause them to return to God in honest and true confessions to God from the heart God is looking on the heart of people He doesn't care about our outward adorning but he does care about our heart For God knows whether or not we're just and honest or living in hypocrisy and sin I just believe if we acknowledge God in all our ways even when we're young we can avoid many pitfalls in life Young people live pure and righteous lives before God and like David and Jessica and my husband and I you can experience wedded bliss and happiness For he who findeth a wife findeth a good thing and obtaineth favour of the Lord Prov 18 22
