Tonight We Rule the World Zack Smedley, 2021-10-12 From the critically acclaimed author of *Deposing Nathan* comes an explosive examination of identity voice and the indelible ways our stories are rewritten by others. In the beginning Owen's story was blank then he was befriended by Lily the aspiring author who helped him find his voice. Together the two have spent years navigating first love and amassing an inseparable friend group. But all of it is upended one day when his school's administration learns Owen's secret that he was sexually assaulted by a classmate. In the ensuing investigation everyone scrambles to hold their worlds together. Owen still wrestling with his self destructive thoughts and choices. His father a mission driven military vet ready to start a war to find his son's attacker. The school bureaucrats who seem most concerned with kowtowing to the local media attention.
