Mooney, 2009-10-23 **Thomist Realism and the Linguistic Turn** John P. O'Callaghan, 2016-09-15 Philosophers will be richly rewarded by reading John O'Callaghan's new book *Thomistic Realism and the Linguistic Turn* Based on his broad knowledge of Aristotle and Aquinas O'Callaghan provides not only an excellent treatment of Aquinas's epistemology but also a superb demonstration of just how Aquinas might contribute to contemporary debates Traditionally the camps of realism and idealism fiercely engaged one another in the field of epistemology Thomists participated in confronting idealism from their unique realist position Post Wittgenstein the conflict has been dominated by a form of epistemology that grounds all knowledge in linguistic practice Since Thomists work in a textual and historical mode their response to the technical approach of the analytic philosophy in which most of the linguistic epistemologists write has been slow in coming O'Callaghan expertly closes that gap by successfully bringing together these fields **Nagarjuna's**

Advice for Buddhists Lhundub Sopa, Beth Newman, 2023-03-14 A Letter to a Friend stands out among Nag arjuna's works because of its minimal philosophical content and limited discussion of Mahayana practices A Letter to a Friend is a comprehensive yet brief summary of the basic ideas and practices that form the substrate for all forms Buddhism in other words the text outlines the practices common to the Hinayana more respectfully called the Sravakayana and the Mahayana in both its Sutrayana and Vajrayana forms In that regard it can be seen as a very early precursor of the presentation of the graduated path to awakening in a single text developed centuries later by Atisa circa 982-1055 and expanded in Tibet by the master Je Tsongkhapa 1357-1419 Geshe Sopa was an exemplary Buddhist monk practitioner as well as a superlative scholar His quiet and compassionate traditionalism drew people in he did not blast people with charisma He was a recognized master of his tradition and also knew how to reach a contemporary audience His teachings on A Letter to a Friend roughly follow the commentary written by Rendawa Shonu Lodro 1349-1412 However he added much much more He brought in additional material from many sources the sutras other texts by Nag arjuna works by great Indian masters such as Santideva Aryadeva Candrakirti Vasubhandu and others and from multiple works by Je Tsongkhapa 15 Although Nag arjuna's text primarily teaches the common path with little emphasis on philosophy Geshe Sopa's explanation supplements it to teach the Mahayana path and Madhyamaka philosophy
