Nuggets Alfonso Burrelli, 2014-11-26 In this aptly titled collection of short stories the author offers his personal observations on the human condition as well as the nuggets of precious wisdom the reader might extract from them The settings of these stories are varied and range from a cabin in the freezing northlands to a baronial palazzo In compelling scenes of betrayal despair murderous rage hallucination and violence the moral of these tales is implicit humanity has lost its way and Eden appears to be out of reach Redemption beckons however in the form of love and acceptance and without limitations of age While the emotional tenor of many of the stories is dark and forbidding it is counterbalanced by the sheer joy of the stories that celebrate young love belated love and the good will of rescuers and Samaritans Eden emerges triumphant in this collection through the author's belief that while humanity creates its own brand of evil it is also capable of engendering its own miracles

Are Love(D) Letters Ames Hawkins,2019-10-15 Intimate and unwavering exploration of love loss and the queer possibilities inherent in artistic aspiration Ames Hawkins s *These are Love d Letters* is a genre bending visual memoir and work of literary nonfiction that explores the questions What inspires a person to write a love letter What inspires a person to save a love letter even when the love has shifted or left And what does it mean when a person uses someone else s love letters as a place from which to create their own sense of self Beginning with the simple act of the author receiving twenty letters written by her father to her mother over a six week period in 1966 *These are Love d Letters* provides a complex pictorial and textual exploration of the work of the love letter Through intimate and incisive prose the letters were after all always intended to be a private dialogue between her parents Hawkins weaves her own struggles with gender sexuality and artistic awakening in relation to the story of her parents marriage that ended in divorce Her father s HIV diagnosis and death by complications related to AIDS provide the context for an unflinchingly honest look at bodily disease and mortality Hawkins delicately and relentlessly explores the tensions in a father daughter relationship that stem from a differently situated connection to queer identity and a shared struggle with artistic desire In communion with queer and lesbian writers from Emily Dickinson and Virginia Woolf to Alison Bechdel and Maggie Nelson Hawkins pushes exploration of the self with the

same intellectual rigor that she critiques the limits of epistolarity by continually relocating all the generative and arresting creative powers of this found art with scholarly rhetorical strategies Exquisitely designed by Jessica Jacobs These are Love d Letters presents an affective experience that reinforces Hawkins s meditations on the ephemeral beauty of love letters As poetic as it is visually enticing the book offers both an unconventional and queer ed understanding of the documentarian form which will excite both readers and artists across and beyond genres *Love You to Bits and Pieces* Gillian Helfgott, Alissa Tanskaya, 1996 Biography of Australian pianist David Helfgott written by his wife Tells of his recovery from a mental breakdown the resurrection of his musical career and the process of making the movie Shine based on his life
