

A romantic silhouette of a man and a woman holding hands, standing on a grassy field against a bright sunset sky with scattered clouds. The couple is positioned on the left side of the frame, facing each other.

Loved And Forgiven:

Love's Forgiveness John Lippitt, 2020-09-25 Love's Forgiveness combines a discussion of the nature and ethics of forgiveness with a discussion inspired by Kierkegaard of the implications of considering interpersonal forgiveness as a work of love. It introduces the reader to some key questions that have exercised recent philosophers of forgiveness, discussing the relationship between forgiveness and an extended notion of resentment, considering whether forgiveness should be conditional or unconditional, showcasing a particular understanding of the latter, and arguing that there are legitimate forms of third party forgiveness. It then introduces the idea of forgiveness as a work of love through a discussion of Kierkegaard's key New Testament passages on forgiveness and some contemporary work on the philosophy of love. Drawing on both philosophy and the New Testament, it offers an understanding of forgiveness that incorporates both agapic love and a proper concern for justice. John Lippitt explores religious and secular uses of key metaphors for forgiveness and the idea of forgivingness as a character trait, suggesting that seeking to correct for various cognitive biases is key to the development of such a virtue, and connecting it to other putative virtues such as humility and hope. Lippitt draws on both Kierkegaard's discourse literature and contemporary philosophical work on these latter characteristics before turning to a discussion of the nature of self forgiveness. Throughout the book, the philosophical and theological literature is rooted in a discussion of various forgiveness narratives, including Helen Prejean's *Dead Man Walking*, Thordis Elva and Tom Stranger's *South of Forgiveness*, and Ian McEwan's *Atonement*.

The Power of Love, Forgiveness, and Surrender Millie Ninowski-Gelb, 2008-08 Do you ever feel frustrated about your relationship with God and wonder what's wrong? God longs to have an intimate relationship with you, so where does the problem lie? If you're serious about wanting a passionate relationship with Him, you must make a choice. Life is all about choices. But none are as important as choosing to have an intimate relationship with your creator. What is involved in such a decision? The answers can be found in *The Power of Love, Forgiveness, and Surrender*. If your relationship with God is not all it should be, whose fault is it? Choosing an intimate relationship with Him requires much more than half-hearted efforts on your part. It calls for a total commitment to Him, choosing to live according to His plan instead of your own. It may seem like a difficult challenge, but He has provided all the help you need in His Word. Discover the power of love, forgiveness, and surrender—three keys that will deepen your relationship with God and renew the joy of living. These life-changing principles will empower you to be all that God wants you to be. That's the only way to live.

She Who Loved Much Kevin James Kalish, 2022-09-06 This sharply honed and well-constructed work brings to the fore and explores the New Testament story regarding the woman who entered a house where Jesus was dining and anointed him with precious oil shortly before His Passion and Crucifixion. The author unveils the intricate nature of the tradition of the Church that gives the woman a voice and elucidates her backstory through its liturgical poetry, oratory, and other writings. Scholarly consideration is given to all these sources in addressing questions such as: Who was this woman? Where did she come from? How did she acquire the

precious oil How did she enter into the house of Simon uninvited How did she perceive her own bold actions The reader will learn that in the liturgical tradition of the Orthodox Church as found in the hymnology of Holy Week this sinful woman is shown to be an example of repentance and unconstrained love The intricate nature of the hymns and homilies of the Orthodox Church give greater scope and application to the biblical record primarily in Greek and Syriac manuscripts with particular attention given to the former texts too often overshadowed by the latter The author shares previously inaccessible texts of late antiquity such as homilies by Amphilochius of Iconium and Ephrem Graecus found here in English for the first time This in depth and readable study will engage those who encounter the story of the sinful woman in the living tradition of worship within the Orthodox Church together with those who have encountered this story in Scripture or in the course of their academic studies

E. Fast,2022-06-09 What you need is a good woman That was my mother s consistent counsel from the time I didn t get asked to play on the neighborhood little league team to when Donna and I broke up in high school What you need is a good woman Don I believed my mother when she said it I didn t walk around on a daily basis and repeat the mantra of the good wife but I did take it to heart It wasn t until I got married that I realized that although I had a good woman life wasn t getting easier or more fulfilling in fact it was getting much much harder One of the goals of Just Love Her is to identify a number of the fallacies that many of us men have hung onto believing like me in my younger days that when you find the right woman all your problems will magically disappear Most of the time not all but most it s after marriage that the real problems begin It s not that they weren t there before it s just that our good woman turns into a full length relational mirror exposing the sin and idolatries that were already there but were easy to run away from before we got hitched to our eventual bad wife This little book will identify one of the main causes of bad marriages idolatry Many if not most men worship the ground she walks on instead of just loving her
