we will simply go to a deep dreamless sleep and know nothing more as a few souls believe I really don't know what happens at the last moment even so I will maintain my trust in the Creator to the very end I shall hold to reason and common sense until my time here is ended

The Messenger Bill Brooks, 2014-07-29 Reeling from the death of his son a down on his luck rancher witnesses a random murder that pits him head to head with a blood thirsty outlaw Royce Blood had everything he wanted He owned a small ranch on good land and he and his wife Ophelia had a ten year old son Nicholas But Royce's life was shattered one day when Nicholas decided to take a typical afternoon swim in the river near the family's ranch His father had no choice but to watch as his young son was attacked and killed by a bear Racked with the guilt of his son's death Royce sets out to kill the animal despite desperate pleas from Ophelia When he finally returns he finds Ophelia gone Brokenhearted Royce abandons everything turning to drifting and drinking until an old friend convinces him to take work as a messenger guard on his stage line His circumstances becoming increasingly dire Royce comes upon the outlaw Gypsy Davy notorious for never leaving any witnesses to his crimes When Royce sees Gypsy Davy kill a woman he decides to take the law and his life into his own hands and by killing Gypsy and avenging the woman's death But with the local sheriff in his back pocket and his band of cronies protecting him Davy is a hard man to find let alone kill But Royce is determined and set on a path that will end with him or Gypsy six feet under It's a story of wild Western law and mortality making The Messenger a gritty tale of the lengths one man will go to save his soul Skyhorse Publishing is proud to publish a broad range of books for readers interested in fiction that takes place in the old West Westerns books about outlaws sheriffs chiefs and warriors cowboys and Indians are a genre in which we publish regularly Our list includes international bestselling authors like Zane Gray and Louis L Amour and many more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home

An Account of Tibet Filippo De Filippi, 2004-08-02 First published in 1932 As well as an extensive introduction this edition contains notes to all four books a bibliographical index a general index and an index of Tibetan words The introduction is particularly valuable in that it sets the importance of Desideri's mission in the general context of the Jesuit Missions to Tibet In Desideri's account we receive the first accurate general description of Tibet from the natural world to the sociological and anthropological aspects of the people and a complete exposition of Lamaism His is the only complete reconstruction that we possess of the Tibetan religion founded entirely on canonical texts And all of this more than a century before Europeans had any knowledge of the Tibetan language
