Lovely Liars:

Lovely Liars Gloria Ware, 2005 ENVISION A LOVELY LIAR *Lovely Liars* is a story about men about women about relationships about dreams and life in today's modern society The focus is the life of Jasmine Brown A woman of intelligence conviction and courage A woman born in a small town with big dreams A woman much like many other women in America in her mid thirties slowly venturing along the crossroads of time bringing to full view the reflection of a female engulfed in past failures fearful of future successes and searching for the solace that will mend the scars of a broken past Under the smokescreen of a mid life crisis she emerges out of the ashes of yesterday's burnt romances and ignites a new flame of invigorated and renewed hope In the complexity of the process she finds the simple vision of her true self Move with her through the trials tribulations and triumphs in searching for that storybook perfect male image Along her fallacy of fantasy her world is laced with the linings of an often harsh yet profound reality Looking for a comfort zone within the corridors of masculinity she searches diligently for hope vision and guidance Her search is not uncommon for it is shared by the masses of her gender population Beneath the laughter and the pain the sorrow and the narrow gain she uncovers the shadowed mystery of self love and the gallant glory of self motivation Her story will bridge through the hearts of America like loud thunder on a stormy night Her pain will pierce the skin as quickly as the sharpest knife used by this country's greatest chefs Her search for the often distant truth yet unveiled shall rivet your soul into a state of motionless drama and surround your very essence For in an imperfect world the truth is a mere shadow of total perfection as we all move venomously along the

A Spiritual Life Günter Sostaric, 2023-10-04 I have written down more than 8000 dreams in the last 35 years I have had and continue to have hundreds of precognitive dreams They describe events up to 35 years BEFORE they materialise Everything can be proven 100% through newspaper reports reports on the internet and or dozens of witnesses It concerns myself my family friends and acquaintances but also people who are complete strangers to me Some I also had from disasters The write ups are completely unfalsifiable I also learned to influence coincidences there are dozens of examples in the book We humans have an incredible amount of potential I just consider myself an apprentice showing some of these abilities I can promise you that you have NEVER read a similar book for the simple reason that there has never been and hardly ever will be a similar book in all of world literature
