Lover Of God:

Treatise on the Love of God St. Francis de Sales, 2013-08-20 Treatise on the Love of God is a manual intended to help believers strengthen their devotion to God De Sales describes his project by saying it is truly my intention to represent simply and na vely without art still more without false colours the history of the birth progress decay operations properties advantages and excellences of divine love The Treatise is divided into twelve books The first four books explain the nature of the human soul and provide the history of divine love Book Five explores the two principle exercises of love namely sacred complacency and benevolence Books Six and Seven discuss the importance of practicing love through prayer while Books Eight and Nine express the importance of submitting to God s will The final three books are devoted to exploring the practical importance of God s holy love in our lives De Sales Treatise is a captivating depiction of love The Love of God Christopher W. Morgan, 2016-09-30 Our understanding of the love of God has been tragically distorted The comfortable sentimentalized version we commonly encounter today is far from the biblical depiction of God s love Featuring contributions from well known evangelical scholars this multi disciplinary study presents the biblical view of the love of God from the perspectives of systematic theology biblical theology apologetics pastoral theology and ethics The contributors including D A Carson Andreas J K stenberger Raymond C Ortlund Jr Robert L Plummer and many others address a variety of issues related to how God s love is expressed in the Old and New Testaments the Trinity apologetics Christian living social justice and more This addition to the Theology in Community series will promote clear sound thinking about what Scripture means when it declares that God is love Part of the Theology in Community series Divine Love in Islamic Mysticism Binyamin Abrahamov, 2013-10-28 The two theories of divine love that are examined in this book have their foundations in Greek Jewish Christian and Muslim ideas Al Ghaz l twelfth century was influenced mainly by Plato and Ibn Sina s teachings while al Dabb gh thirteenth century who accepted some Ghaz l an notions developed a theory of divine love that can be traced back to Neoplatonism Both scholars created complete theories of divine love that include definitions of love its causes and signs the ways to love God God s love for man and kinds of love The book will interest students of theology philosophy and mysticism in general and students of Islam in particular **Discover the Secret of True Love** Consolatus C. Okorundu, 2008-12-15 In the midst of the many hardships we endure in our daily lives it can be difficult to define the true meaning of love let alone find it Yet living without such love can leave us empty and unfulfilled Consolatus C Okorundu can help Drawing on her personal relationship with God and many of her life experiences Okorundu explores the supreme definition of love and how it can offer us liberation from the darkness within our souls With an in depth look at scriptures from the Holy Bible Okorundu shares how true love will always lead you to peace and harmony toward God others and yourself Learn how the fruits of love patience understanding acceptance consideration honesty forgiveness and communication are the key to successful relationships with others whether it be your family your spouse your friends or even your co workers Okorundu also shares

different personal interpretations of love from others to reveal how the common human experience unites us all But at its heart Discover the Secret of True Love shows the awesome love that God has for each of his children Find inner peace with the love from our almighty Father and renew your spirit God's Love Melissa Reeves,2007-08 Reeves compares Gods love as a gift waiting to be opened While mankind sees love as complicated Reeves says God sees love as simple and freely gives to all Practical Life **God's Love Through the Spirit** Kenneth Loyer,2014 Although the doctrine of the Holy Spirit has often been a neglected subject in theology it remains vital for understanding both the Christian confession of God as Trinity and the nature of the Christian life In view of those two topics God s Love through the Spirit examines the relationship between love and the person and work of the Holy Spirit in Thomas Aquinas and John Wesley two very different figures whose teachings on the Spirit and the Christian life are found to be on the whole surprisingly compatible An investigation into Aquinas s amor based pneumatology including a groundbreaking analysis of his recently discovered Pentecost sermon and a fresh assessment of the doctrine of sanctification in Wesley show that in distinctive yet largely complementary ways Aquinas and Wesley provide resources that can be used to reclaim a richer pneumatology specifically in relation to the theological virtue of love **Good Vs. discussions of 119 questions concerning the existence and nature of God the Creation angels the work of the six days of Creation the essence and nature of man and divine government Part 2 deals with man and includes discussions of 303 questions concerning the purpose of man habits types of law vices and virtues prudence and justice fortitude and temperance graces and the religious versus the secular life Part 3 deals with Christ and comprises discussions of 90 questions concerning the Incarnation the Sacraments and the Resurrection Some editions of the Summa Theologica include a Supplement comprising discussions of an additional 99 questions concerning a wide variety of loosely related issues such as excommunication indulgences confession marriage purgatory and the relations of the saints toward the damned Scholars believe that Rainaldo da Piperno a friend of Aquinas probably gathered the material in this supplement from a work that Aquinas had completed before he began working on the Summa Theologica It seeks to describe the relationship between God and man and to explain how man's reconciliation with the Divine is made possible at all through Christ To this end Aquinas cites proofs for the existence of God and outlines the activities and nature of God Approximately one half of the Summa Theologica then examines the nature and purpose of man Finally Aquinas devotes his attention to the nature of Christ and the role of the Sacraments in effecting a bridge between God and man Within these broad topical boundaries though Aquinas examines the nature of God and man in exquisite detail His examination includes questions of how angels act on bodies the union of body and soul the cause and remedies of anger cursing and the comparison of one sin with another Aquinas is attempting to offer a truly universal and rational view of all existence Thomas Aquinas O P 1225 1274 also Thomas of Aquino or Aquino was an Italian Dominican priest and an immensely influential philosopher and theologian in the tradition of scholasticism within which he is also known as the Doctor Angelicus Doctor Communis and Doctor Universalis He was the foremost classical proponent of natural theology and the father of Thomism His influence on Western thought is considerable and much of modern philosophy was conceived in development or refutation of his ideas particularly in the areas of ethics natural law metaphysics and political theory

I LOVE GOD, NOW WHAT? Book 1 Days 1 - 91 Steve Haines, 2025-08-21 Like any professional Pastors can be busy people Often the demands upon their time are myriad The time when I first came to accept Christ as my Lord was wonderful beyond measure Although my Pastor was eager to introduce me to Christ he was not as intimately available to

guide me in the aftermath of that wonderful moment You see having accepted Christ as Savior guarantees the blessing of eternity with Christ but the new believer still has the rest of his or her life to negotiate There are lots of things to learn but in big churches people can get lost in the crowd and fall through the cracks and in small churches well there is only so much a small staff can do So I stumbled around for a long time very gradually figuring out how to navigate the world and still hold to my faith in Christ I remember thinking There has to be a better way than this These discussions are part commentary part history part blessing and part questioning There s a little bit of everything I ve put considerable thought into writing these things and I want you to get some benefit some blessing from them Think about what you read You might be provoked to irritation or to curiosity or to laughter Try to apply the thoughts to your life But the bottom line is if you don t read you won t benefit This first book that you are holding tries to answer some basic questions Why should I fear God Why should I trust Him Who am I in Christ What is the nature of sin Following books talk about the Jewish Festivals and their profound meaning about God s Constitution Matthew chapters 5-7 about God s manifested love what it means to be Grafted In to God s family how to know Jesus and what it means to abide in Christ I hope you stick around to the end Every life has its ups and downs and after several cycles of this I was fed up and began to look for answers I found this crazy new church which was meeting in a hotel conference room I remember people all around me speaking in these strange indecipherable ways people falling down on the floor and generally acting nuts I remember thinking Why am I here God had a plan but I was not awake to it But I stayed out of curiosity if nothing else and eventually God began to draw me in Since then God has led me on a wonderful journey Where once I had a sort of vague notion of God He used personal struggle to draw me closer to him Where once I looked at everything from a performance oriented point of view He taught me the true value of the love of Christ Where once I had to be doing things for Christ He taught me the value of resting in the presence of Christ I want people to understand these things I want everyone to experience the intimate presence of Christ in their lives I want everyone to see real time answers to prayer as I have I want people to understand that humble submission to God is the answer to every struggle every problem and every stress **God's Love for the Rest of Us** Vince Antonucci,2015-06-18 The world is filled with the walking dead They re not fully dead They re kind of alive walking talking and drinking coffee But their hearts have become deadened Their souls are dry yearning to be sparked alive by God s love Many of us are like this sleepwalking through life inadvertently missing hidden invitations from God in our daily lives God wants to love each of us back to life The question is Will you let Him Friendship: Interpreting Christian Love Liz Carmichael,2004-10-01 The love of friendship has at the least established its place as a necessary model of love in Christian tradition This study shows the deep roots it has in Christian thought among both ancient and modern writers and is intended to facilitate further reflection on and exploration of its creative potential now and for the future The Pursuit of God's Interests AA Momodu ,2022-04-27 God have His interest the good thing about God s Interest is that it does not change because God s Interest is intertwined with His nature His nature

is not subject to the change in times and in seasons For I am the LORD I change not therefore ye sons of Jacob are not consumed Malachi 3 6 Thus making His interest accessible by anyone who desires to run with them throughout all generations It is imperative you understand that even though God s interests remains the same throughout all generations Every generation has a unique part to fulfill in God s general intensions for humanity The reason for this is because man is on a journey in God not with God
