The Book of Love James McConnachie, 2008-05-27 An engaging enlightening biography of the ancient Hindu manuscript that became the world's most famous sex manual The Kamasutra is one of the world's best known yet least understood texts its title instantly familiar but its actual contents widely misconstrued In the popular imagination it is a work of practical pornography a how to guide of absurdly acrobatic sexual techniques Yet the book began its long life in third century India as something quite different a seven volume vision of an ideal life of urbane sophistication offering advice on matters from friendship to household decoration Over the ensuing centuries the Kamasutra was first celebrated then neglected and very nearly lost until an outrageous adventurer introduced it to the West and earned literary immortality In lively and lucid prose James McConnachie provides a rare intimate look at the exquisite civilization that produced this cultural cornerstone He details the quest of famed explorer Richard F Burton who along with his clandestine coterie of libertines and iconoclasts unleashed the Kamasutra on English society as a deliberate slap at Victorian prudishness and paternalism And he describes how the Kamasutra was driven underground into the hands of pirate pornographers until the end of the Lady Chatterley obscenity ban thrust it once more into contentious daylight The first work to tell the full story of the Kamasutra The Book of Love explores how a remarkable way of looking at the world came to be cradled between book covers and survived Love Guide Joshua Ayo Oyebade, Prince, Good Publications International, 2005 New ideas and secrets to make you happy in your love life modern day dangers of Internet dating Love @ Facebook Nikita Singh, 2011 **Love Online** Aaron Ben-Ze'ev, 2004-01-19 Computers have changed not just the way we work but the way we love Falling in and out of love flirting cheating even having sex online have all become part of the modern way of living and loving Yet we know very little about these new types of relationship How is an online affair where the two people involved may never see or meet each other different from an affair in the real world Is online sex still cheating on your partner Why do people tell complete strangers their most intimate secrets What are the rules of engagement Will online affairs change the monogamous nature of romantic relationships These are just some of the questions Professor Aaron Ben Ze'ev distinguished writer and academic addresses in this book a full length study of love online Accessible shocking entertaining enlightening this book will change the way you look at cyberspace and love forever *Tales of the Mountains*, 1855 **Weekly World News**, 2003-02-25 Rooted in the creative success of over 30 years of supermarket tabloid publishing the Weekly World News has been the world's only reliable news source since 1979 The online hub www.weeklyworldnews.com is a leading entertainment news site *Stitch Up* Sophie Hamilton, 2014-05-01 Dasha Gold enjoys a life of indulgence made possible by her powerful and wealthy parents But this privilege comes at a price extreme image control including cosmetic surgery to transform her into a living logo for their brand Presented with a way out Dasha embarks on a hunt for the truth that takes her across a divided and CCTV dominated city in the company of maverick Londoner Latif But money talks and the Golds own the media Who can
